

CITY OF FORT LAUDERDALE

IMPROVING SAFETY AND MOBILITY FOR EVERYONE!

Tarpon River Mobility Master Plan Workshop

Thursday, May 25, 2017 | 7:00 PM – 9:00 PM

Trinity Lutheran Church Hall

11 S.W. 11th Street, Fort Lauderdale, FL 33315

The City of Fort Lauderdale is working with the neighborhood to create a plan to calm traffic and improve the pedestrian and bicycling environment in the Tarpon River neighborhood and wants to hear from our neighbors!

We have heard your input during the previous four workshops and are excited to present the final Master Plan. During this workshop, we will also provide the prioritized implementation plan developed based on the priorities identified for improving mobility and accessibility in the neighborhood.

Please join us as we work together to build a fully connected neighborhood with streets and roadways that accommodate all types of users from pedestrians to bicyclists to transit riders and motorists!

If you would like additional information, please contact Karen Warfel, Principal Planner, at (954) 828-3798 or kwarfel@fortlauderdale.gov.
