6:30 p.m. - 8:30 p.m.

Join the City of Fort Lauderdale and the Downtown Fort Lauderdale Transportation Management Association (TMA) for a public workshop to review existing Sun Trolley service routes, including the NW Link and the Neighborhood Link. Come out and let your voice be heard! Share your ideas and input about where and when you feel Trolley service is needed the most. This workshop will be the first of several opportunities for neighbors to work together with the City and the TMA to identify route improvements to better meet the transit needs of the community.
