IMPROVING SAFETY AND MOBILITY ON SW 27TH AVENUE

PUBLIC MEETING NOTICE

SW 27th Avenue Improvements Project

MONDAY, FEBRUARY 18, 2019 | 6:00-8:00 PM

Riverland Road Community Center | 950 SW 27th Avenue, Fort Lauderdale, FL 33312

The City of Fort Lauderdale is working with the neighborhood to create a plan to improve the pedestrian and bicycling environment along Riverland Road / SW 27th Avenue from Broward Boulevard to Davie Boulevard corridor and wants to hear from our neighbors!

We are excited to present the proposed cross-section and information about how these improvements will be included in an upcoming U.S. Department of Transportation Transportation Investment Generating Economic Recovery (TIGER) grant project.

Please join us as we work together to build a fully connected neighborhood with streets and roadways that accommodate all types of users, including pedestrians, bicyclists, transit riders and motorists!

If you would like additional information, please contact Jugba Santi, Interagency Coordinator / Planner II, at (954) 828-3768 or jsanti@fortlauderdale.gov.
