

NPF-CRA Mobility Master Plan

We Invite You to Participate in a Community Workshop!

Topic: Evaluating and Prioritizing Recommendations for Implementation

We encourage your participation at one or both of the events planned during this workshop!

August 22nd

OPEN HOUSE

Thursday, August 22nd

1:00 PM to 6:00 PM

PUBLIC MEETING

Thursday, August 22nd

6:30PM to 8:00 PM

This Mobility Master Plan establishes a vision for the NPF-CRA area for years to come!

This community-based planning effort is looking at how people in the NPF-CRA get around – either by driving cars, walking, riding bicycles, taking transit, or other means. After hearing from you through surveys and at previous public meetings, the project team has an understanding of existing conditions, issues, and concerns.

Join us on Thursday, August 22nd at our open house any time from 1:00 PM to 6:00 PM or at the public meeting at 6:30 PM to hear about what we've learned and the recommendations that are being considered. We need your help reviewing and prioritizing a list of transportation improvements! This list of short and long-term projects, ranging from stop signs and crosswalk improvements to major projects like reconstructing NW 7th Avenue/Avenue of the Arts, represents critical upgrades to this community that will improve how everyone gets around.

We want to hear from you!

The goal is to get input from all members in our community –
We hope to see you there!

For a map of the CRA area and additional information, check out the project website at
