**Re: Special Report - Community Arts & Education Program - FY2002,
ArtReach Project, BCAC# CAE03-2002
Agreement between Broward County and the City of Fort
Lauderdale**

Dear Ms. Becht:

The Internal Audit Division has applied certain audit procedures as discussed below, to the accounting records of the City of Fort Lauderdale in order to determine compliance with the requirements applicable to the **Community Arts & Education Program – ArtReach Project**, as detailed in the accompanying exhibit of revenues and expenditures, for the period ending September 30, 2002. The management of the Parks & Recreation Department is responsible for the City of Fort Lauderdale's compliance with those requirements. Our responsibility is to determine whether the revenues and amounts received from Broward County were expended in accordance with the agreement and to determine compliance with those requirements based on our review.

We conducted our audit in accordance with generally accepted government auditing standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether material noncompliance with the requirements referred to above occurred. An audit includes examining, on a test basis, evidence about the City of Fort Lauderdale's compliance with those requirements.

The results of our tests indicate that, with respect to the items tested, the City of Fort Lauderdale, Parks and Recreation Department, complied in all material respects with the provisions of the agreement and the revenues and amounts received from Broward County were expended in accordance with the agreement.¹ With respect to the items not tested, nothing came to our attention that caused us to believe the Parks and Recreation Department had not complied, in all material respects, with those provisions. Additionally, it was determined that there were no funds, including interest earned on such funds, are due back to the County.

Sincerely,

Allyson C. Love
Internal Audit Director
