Apple (iOS Users) Sign In

Existing User Login:

If you have an existing PayByPhone (PBP) account, you may sign into your existing account with Apple Sign in for the **FIRST** time:

- 1. Launch the app and tap the "**Sign-In with Apple**" button, if you are already signed into Apple ,you will need to sign out from your menu options (*gear icon at the top right*) first.
- 2. You will then be prompted to authenticate via Face ID / Touch ID
 - Select an email sharing preference (share email vs. hide email address)
- 3. You will be prompted to provide the phone number associated with your existing PBP account.
- 4. Phone number is recognized as registered already you will then be prompted to associate your Apple ID to your PBP account by verifying ownership of PBP account:
 - A screen message to enter a PIN/code will appear
 - A SMS(text message) PIN code will be sent to your phone
 - Enter the PIN into the screen
- 5. The user is logged in.
