RIVEROAKSNEIGHBORHOODSTORMWATERPROJECT

Infrastructure Improvements Coming to Your Community

Date: 02/28/2022

Ref: Notice of Work in your Immediate Area

Location: River Oaks Neighborhood (Project No. 11868)

Type of Work: Stormwater infrastructure installation, water and sewer line relocation, landscaping removal, & restoration, swale construction, pavement restoration

Duration: February 01, 2022 to February 28, 2022

In an effort to provide our neighbors with quality services and create a more resilient and sustainable community, the City of Fort Lauderdale will be installing stormwater infrastructure within the River Oaks Neighborhood.

The following work is being done in your area:

Phase I

- Cleaning and videotaping (CCTV) of existing drainage pipes along Citrus, Mango, Avocado, Guava, Mandarin, Tangelo and Orange Isles.
- Potholing of existing utilities along SW 20 St and SW 24 St in preparation for water line relocation work.
- Waterline installation along SW 19 St.
- Potholing of existing utilities along the northside of the River Oaks Preserve.

Phase II

- No construction activities to report for this month.

Phase III

- No construction activities to report for this month.

Phase IV

- No construction activities to report for this month.

Phase V

- No construction activities to report for this month.
