

Neighborhood Recognition Program

The City of Fort Lauderdale's Neighborhood Recognition Program (NRP) provides an opportunity for associations to build strong communities by bringing residents, public servants, and elected officials together. Is your neighborhood association registered yet? If not, here's a few great reasons to do so:

- Strengthen the voice of your neighborhood association.
- Elevate neighbor engagement.
- Receive important updates from the City.
- Have your association featured on the City's website
- Get one free City Hall parking permit.
- Get access to meeting space at City facilities, where available.
- Earn Green Your Routine and points.

See more great reasons to register on the NRP web page at www.fortlauderdale.gov. Registration is required before March 1 each year.

Neighborhood Recognition Program

It's easy to register or renew association recognition with the City of Fort Lauderdale. Simply follow these steps:

- Complete the online application at www.fortlauderdale.gov before March 1 each year.
- Provide a copy of the association's minutes.
- Maintain a set of association bylaws.
- Hold a general election for the board/leadership team every two years.
- Be in good standing with the City of Fort Lauderdale.
