Memorandum

Memo No: 22/23-9

Date: August 16, 2023

To: Honorable Mayor and Commissioners

From: Patrick Reilly, CPA *PR*
City Auditor

Re: Annual Report to Bondholders for the Fiscal Year Ended September 30, 2022

We have reviewed the City of Fort Lauderdale's Annual Report to Bondholders for the Fiscal Year Ended September 30, 2022 (the "Annual Report"). Management is responsible for the preparation of the Annual Report to comply with the continuing disclosure requirements of Rule 15c2-12, *Municipal securities disclosure*, promulgated by the United States Securities and Exchange Commission ("SEC"). Compliance with this rule requires management to interpret the criteria, accurately derive the historical amounts from the entity's books and records, make determinations as to the relevancy of information to be included, and make estimates and assumptions that affect reported information.

The objective of a review of the Annual Report is to report whether any information came to our attention to cause us to believe that:

- a. The Annual Report presentation does not include, in all material respects, the required elements of the SEC Rule 15c2-12.
- b. The historical financial amounts included therein have not been accurately derived, in all material respects, from the City's financial statements.
- c. The underlying information, determinations, estimates, and assumptions by the City do not provide a reasonable basis for the disclosures contained therein.

A review of the Annual Report consists principally of applying analytical procedures and making inquiries of persons responsible for financial, accounting, and operational matters. A review ordinarily does not contemplate (a) tests of accounting records through inspection, observation, or confirmation, (b) obtaining corroborating evidential matter in response to inquiries, or (c) the application of certain other procedures ordinarily performed during an examination. It is substantially less in scope than an examination, the objective of which is the expression of an opinion on the presentation. Accordingly, we do not express such an opinion.

Based on our review, nothing came to our attention that caused us to believe that the City's presentation of the Annual Report does not include, in all material respects, the required elements of SEC Rule 15c2-12, that the historical financial amounts included therein have not been accurately derived, in all material respects, from the City's financial statements, or that the underlying information, determinations, estimates, and assumptions by the City do not provide a reasonable basis for the disclosures contained therein.

PURPOSE OF THE ANNUAL REPORT TO BONDHOLDERS

This Annual Report to Bondholders for the Fiscal Year ended September 30, 2022 has been prepared by the City of Fort Lauderdale, Florida (the “City”) to provide information concerning the City, its financial operations and its indebtedness. This information is made available to current security holders and potential purchasers of securities in the secondary market, securities dealers and analysts, rating agencies, municipal securities information repositories established pursuant to Rule 15c2-12 of the United States Securities and Exchange Commission (“SEC”) and other interested parties. The City has selected Digital Assurance Certification, L.L.C. (“DAC”) as the City’s disclosure dissemination agent. This 2022 Annual Report to Bondholders can be found on the DAC website at www.dacbond.com or on the Electronic Municipal Market Access (“EMMA”) system at www.emma.msrb.org. The DAC and EMMA websites also host related City documents, including official statements for outstanding debt obligations.

In addition to this Report, each Fiscal Year the City prepares an Annual Comprehensive Financial Report (“ACFR”), which includes audited financial statements in accordance with generally accepted accounting principles. The ACFR is also available upon request. The ACFR is hosted on the City’s website at <https://www.fortlauderdale.gov/government/departments-a-h/finance/financial-information-reports>, as well as on the DAC and EMMA websites. The City’s current external auditor is RSM US LLP, Fort Lauderdale, Florida.

In compliance with SEC Rule 15c2-12, the City has entered into undertakings to provide secondary market information in connection with the following outstanding bond issues:

General Fund

- \$75,755,000 General Obligation Refunding Bonds, Series 2020A, dated February 12, 2020
- \$92,290,000 General Obligation Refunding Bonds, Series 2020B, dated February 12, 2020
- \$15,220,000 General Obligation Refunding Bonds, Series 2015, dated August 11, 2015
- \$20,000,000 General Obligation Bonds, Series 2011A (Fire-Rescue Facilities), dated September 28, 2011
- \$167,155,000 Taxable Special Obligation Refunding Bonds, Series 2020, dated August 4, 2020
- \$337,755,000 Taxable Special Obligation Bonds, Series 2012 (Pension Funding Project), dated October 3, 2012^[1]
- \$7,900,000 Special Assessment Bonds, Series 2022 (Las Olas Isles Undergrounding Project), dated March 2, 2022

Enterprise Fund

- \$196,035,000 Water and Sewer Revenue Bonds, Series 2018, dated February 20, 2018

- \$121,520,000 Water and Sewer Revenue Refunding Bonds, Series 2014, dated December 3, 2014

^[1]Refunded with Taxable Special Obligation Bonds, Series 2020 and are fully defeased as of January 1, 2023.

The release of this Report is designed to satisfy the requirements for annual disclosure as set forth in the City’s undertakings pursuant to SEC Rule 15c2-12. The City is committed to fulfilling its disclosure obligations, as now or as may hereafter be defined by the SEC. While the City is committed to the release of secondary market information in satisfaction of its continuing disclosure obligations, the City is making no on-going commitment to the publication and release of future Reports to Bondholders and in the future its disclosure obligations may be met through supplements or enhancements to its ACFR or through the release of other documents.

Unless otherwise noted, the information in this Report is as of the Fiscal Year ended September 30, 2022 and any references to the current fiscal year means FY2022.

Certain information presented in this Report has been obtained from sources that are believed by the City to be reliable, but neither the City nor any of its elected or appointed officials, officers or employees makes any representations or warranties with respect to the accuracy or completeness of such information. The City has not undertaken an independent review or investigation to determine the accuracy of information that has been obtained from other sources.

RSM US LLP, independent certified public accountants, serves as the external auditor for the City. The external auditor has delivered its report on the financial statements of the City in connection with the production of the Annual Comprehensive Financial Report (ACFR) of the City for the Fiscal Year ended September 30, 2022. The external auditor did not perform any services in connection with the preparation of this Report.

Additionally, to the extent that certain portions of this Report constitute summaries of documents, reports, ordinances, resolutions, or agreements relating to the operations of the City or its outstanding debt, this Report is qualified by reference to each such document, report, ordinance, resolution, or agreement, copies of which may be obtained from the Finance Department of the City. This Report contains certain capitalized undefined terms. Such terms are defined in the resolutions of the City authorizing the issuance of the respective series of bonds of the City.

The City encourages readers of this Report to provide suggestions that will improve the readability or usefulness of any future Report. Questions or comments concerning this Report, or the information contained herein should be directed to:

EXECUTIVE SUMMARY

The City’s Annual Report to Bondholders for the Fiscal Year ended September 30, 2022 (“2022 Annual Report” or “Report”) is designed to provide a reader, with no prior background, general information regarding the City and its debt obligations. For readers who regularly follow the City, such readers may already be familiar with much of the information contained in this Report. This Executive Summary provides a general overview of matters relating to the City and its financial arrangements. Readers are encouraged to read this Report in its entirety, as well as the documents, other reports and materials summarized or described herein, to obtain a more complete understanding of the City and its financial arrangements.

Borrowing in Fiscal Year 2022

At the end of the current fiscal year, the City of Fort Lauderdale had a total bonded debt outstanding of \$827.1 million, which comprises general obligation bonds, special obligation bonds and water and sewer revenue bonds. Of this amount, \$186.1 million is backed by the full faith and credit of the government and \$183.6 million is pension related debt for which the City has pledged non-ad valorem revenues. The remainder of the City’s long-term obligations is comprised of notes and loans secured by the water and sewer net operating revenues, loans secured by non-ad valorem revenues, a tax increment note issued by the Community Redevelopment Agency (CRA), special assessment bonds and capital lease obligations.

Property Taxes and other Significant Revenue Factors

The State of Florida, by its Constitution, does not have a state personal income tax and therefore, the State operates primarily using sales, gasoline and corporate income taxes. Local governments (cities, counties and school boards) rely on property and a limited array of permitted other taxes (sales, gasoline, and utilities) and fees (franchise and business tax receipts) for their governmental activities. For the business-type and certain governmental activities (construction services and recreational programs), the user pays a related fee or charge associated with the service.

Long-Term Debt

The City's total debt decreased by \$19.9 million, or 2.2%, during the current fiscal year. This primarily resulted from the reduction of current debt of \$54.8 million through annual debt payments and an increase of \$35.0 million from the issuance of Special Assessment Bonds, Tax Increment Revenue Note and the Stormwater Line of Credit. Principal retirements for governmental activities and business type activities totaled \$36.6 million and \$18.2 million, respectively.

Pension Obligations

The City sponsors two defined-benefit pension plans: 1) the General Employees Retirement System ("GERS") and 2) the Police and Firefighters' Retirement System ("PFRS"), (the "Pension Plans"). A board of trustees administers each plan. The boards are composed of members elected by active employees and appointees of the Mayor. The boards have responsibility for investment of the pension assets and the determination of plan benefits. On October 1, 2007, the General Employees Retirement System was closed to certain new participants and on March 4, 2008, the City Commission enacted an Ordinance to close the General Employees Retirement System to new members. The General Employees Retirement System was replaced with a defined contribution plan. For the current fiscal year, the City contributed \$8,376,770 to the GERS pension plan. The City and State combined contribution to the PFRS pension was \$26,218,171. As of September 30, 2022, the plan fiduciary net position as a percentage of total pension liability for the GERS pension was 90.7%. As of September 30, 2022, the plan fiduciary net position as a percentage of total pension liability for the PFRS pension was 83.08%.

The Post-Retirement Pay Steps Plan ("PPS") for the PFRS was created to offer post-retirement payments to member retirees who were or are employed by the City as police officers on or after October 1, 2017, or as firefighters on or after October 1, 2018. The PPS Plan Trust is a single-employer defined benefit plan and administered by the City of Fort Lauderdale Commission as the Board of Trustees with a Trust Administrator responsible for the day-to-day administration and is contained within the Other Post-Employment Benefits ("OPEB") Trust as a separate plan. As of September 30, 2022, contributions totaled \$1,164,828. The plan fiduciary net position as a percentage of total pension liability was 6.89%.

On January 1, 2021, the City of Fort Lauderdale joined the Florida Retirement System (FRS) for City employees other than police officers and firefighters. The FRS provides two cost sharing, multiple employer defined benefit plans administered by the Florida Department of Management Services, Division of Retirement, including the Pension Plan and the Retiree Health Insurance Subsidy (HIS Plan). Under Section 121.4501, Florida Statutes, the FRS also provides a defined contribution plan (Investment Plan) alternative to the Pension Plan, which is administered by the State Board of Administration (SBA). For the current fiscal year, the City contributed \$2,974,853 to the FRS pension plan and \$630,552 to the HIS pension plan. As of September 30, 2022, the plan fiduciary net position as a percentage of total pension liability for the FRS pension plan was 82.89%. As of September 30, 2022, the plan fiduciary net position as a percentage of total pension liability for the HIS pension plan was 4.81%.

Other Post-Employment Benefits

On September 16, 2014, the City of Fort Lauderdale OPEB Trust fund was created to capture long-term investment returns and make progress towards reducing the unfunded net OPEB liability required to be reported under Governmental Accounting Standards Board (“GASB”) Statements Number 74 and Number 75. The members of the City Commission serve as the Board of Trustees of the OPEB Trust and delegate its administration to the City’s Director of Finance, as the Trust Administrator. For the current fiscal year, the City contributed 98.9% of the actuarially determined contribution of \$2,396,275. At September 30, 2022, the OPEB Trust had a plan fiduciary net position of \$35.4 million and total OPEB liability of \$46.5 million, resulting in a net OPEB liability of \$11.1 million (funded ratio of 76.2%).

Electronic Dissemination of Information

As part of its continuing effort to efficiently disclose pertinent information to investors and other interested parties, the City has determined to utilize electronic methods for dissemination of such information. Information is currently available electronically at several locations, including the City’s website at www.fortlauderdale.gov; the DAC website at www.dacbond.com; and the EMMA website at www.emma.msrb.org.

DAC

The DAC website hosts a variety of information relating to the City’s outstanding debt obligations. DAC serves as the disclosure dissemination agent for the City. Investors and others may access disclosure on any municipal bond in the DAC System free of charge by registering for a password. Annual Bondholder reports for FY2022, and for several prior years, prepared in accordance with the City’s continuing disclosure undertakings, and event filings conducted by the City thereunder, are available on the DAC and EMMA websites.

Financial Reports

The ACFR for FY2022, and previous years, which includes audited financial statements of the City in accordance with generally accepted accounting principles, are available on the DAC and EMMA websites and on the City’s website. The City’s Adopted Budgets for FY2022 and FY2023, which include the operating budget and the five year Community Investment Plan, are also available on the City’s website at <https://www.fortlauderdale.gov/government/departments-i-z/office-of-management-and-budget/budget-cip-and-grants-division/annual-budgets>.

THE CITY OF FORT LAUDERDALE, FLORIDA

General

Incorporated on March 27th, 1911, the City of Fort Lauderdale is framed on the east coast of Florida by seven miles of golden beaches and bordered on the west by the Everglades. Between the two, the Intracoastal Waterway, the New River, and a canal system reminiscent of Venice wind through the interior. The City has been operating under a Commission-Manager form of government since 1925. The City Commission is comprised of the Mayor, who is elected at-large, and four Commissioners, who are elected in non-partisan district races. The City Manager is appointed by and reports directly to the City Commission. As Chief Executive Officer, the City Manager is responsible for directing the City’s day-to-day operations and carrying out the policies set forth by the Commission. Greg Chavarria, Fort Lauderdale’s current City Manager, began serving in July 2022.

The City provides a full range of municipal services, including public safety (police and fire protection), planning and zoning, parks and recreation, water, sewer, sanitation and economic development services. Marine commerce and tourism are the City’s top two major economic industries, with manufacturing, industrial and commercial business and corporate and regional offices serving to diversify the City’s economic base.

Population and Employment

Since its incorporation in 1911 with a resident population of 300, Fort Lauderdale has grown to an estimated population of 189,019 as of September 30, 2022; and is currently ranked tenth among cities within the State of Florida.

Business and Economic Development

An advantageous economic climate has helped the City establish itself as an international business center and one of the most desirable locations for new, expanding or relocating businesses. Once known strictly as a tourism-based economy, today the City supports a diverse range of industries, including marine, manufacturing, finance, real estate, high technology, avionics, aerospace, and film and television production.

Marine Industry: Marine commerce is the leading industry in Greater Fort Lauderdale and Broward County. It accounts for more than 149,000 jobs and an economic impact of \$9.7 billion in Broward County and \$12.5 billion in the South Florida region according to the Marine Industries Association of South Florida. With more than 300 miles of waterways, state-of-the-art marinas, and leading marine manufacturing and repair facilities, Greater Fort Lauderdale is a world-renowned port of call for the yachting industry.

Tourism Industry: Tourism is Greater Fort Lauderdale's second largest industry with the region's pristine beaches, golf courses, fine-dining institutions, and shopping centers that attract visitors from all over the world. Every year, the City welcomes more than 13 million visitors who strengthen the economy by spending over \$8 billion per year and help account for more than 180,000 regional jobs. Our hospitality industry has responded by opening world-class restaurants that specialize in Florida regional seafood and with more than 560 regional lodging establishments.

Transportation: The City offers an extensive transportation network that includes Port Everglades, Fort Lauderdale/Hollywood International Airport (FLL), Fort Lauderdale Executive Airport (FXE), two major railways, highways, convenient ridesharing and carpool options, a mass transit system, water taxis and city trolleys.

Education

The Broward County Public School system is the sixth largest fully accredited school district in the country. As of September 2021, the school district had a total of 256,000 students in pre-kindergarten through grade 12. Broward County schools offer dynamic programs that redefine the scope of education, including magnet, international baccalaureate, and dual enrollment programs. Recently the district introduced an enhanced school-linked eLearning platform that can deliver its curriculum to more than 200,000 students.

Fort Lauderdale offers outstanding opportunities for higher education. Eight (8) major accredited schools have campuses in the City of Fort Lauderdale, which include the following: Barry University, Broward College, City College of Fort Lauderdale, Florida Atlantic University, Kaplan University, Keiser University, Nova Southeastern University and the University of Phoenix.

GENERAL GOVERNMENT

Ad Valorem Taxes and Millage Rate

Ad Valorem Taxes - The City's property tax is levied, becomes a lien on real and personal property located in the City, and is recorded as a receivable on November 1 of each year, based upon the assessed value listed as of the prior January 1. The Broward County Property Appraiser establishes assessed values. The assessed value at January 1, 2021, upon which the Fiscal Year 2022 levy was based, was approximately \$43.7 billion. The City is permitted by state law to levy taxes up to 10 mills (\$10 per \$1,000 of assessed value) for General Fund operations exclusive of voted debt levies. Taxes levied for the General Fund for the Fiscal Year 2021 were 4.1193 mills for operations and 0.2613 for debt service. All taxes are due from property holders on March 31, become delinquent on April 1, and become subject to the issuance of tax sale certificates on June 1. Current tax collections for the year ended September 30, 2022 were approximately 99.0% of the total tax levy.

Millage Rate – FY2022 was the fifteenth consecutive year that the City Commission maintained an operating millage rate of 4.1193. The chart below represents the adopted operating and debt service millage rates for the last ten years.

Millage Rate History

Source: City of Fort Lauderdale Fiscal Year 2022 Annual Comprehensive Financial Report.

Over 67.9% of the General Fund budget for operating expenditures is dedicated to public safety through police, fire-rescue and code enforcement. Another 11.8% is allocated to cultural and recreational quality of life programs.

Revenue Considerations

General Fund revenues for FY2022 totaled \$391.8 million, a \$19.5 million or 5.2% increase from FY2021. Tax revenues increased by \$16.2 million in FY2022, of which property taxes levied for operations increased by \$8.4 million. Other taxes increased by \$7.8 million or 10.9%. Intergovernmental revenues increased by \$4.2 million. Miscellaneous revenues and fines and forfeitures increased by \$1.1 million combined. Charges for services and licenses and permits revenues decreased by \$1.5 million and \$347,058 respectively.

The City's taxable assessed value for tax year 2021 increased by 5.74% from 2020. New construction, which represents improvements to real property that were not on the tax roll in the prior year, added \$1.142 billion to the tax roll. This is the tenth year in a row that the assessed valuations have shown steady growth. The following table shows new construction and total taxable assessed value for the last ten calendar years.

For the first time since 1957, Florida was the fastest growing state in the country. Mirroring the overall state trend, South Florida continues to see a surge in domestic migration as residents from high-tax, high-density states relocate to the region. This is reflected in increased business investment and a low unemployment rate, and also in rising real

estate values and rents. According to the Bureau of Labor Statistics, the greater Fort Lauderdale metropolitan area civilian labor force was 1,083,770 as of September 2022, amounting to a 4.3% increase from the prior year of 1,038,849. The unemployment rate decreased to 2.3% as compared to 3.7% in the prior year.

Expense Considerations

Total General Fund expenditures increased by \$21.5 million from \$318.3 million in FY2021 to \$339.8 million in FY2022. Public safety reported an increase of \$13.2 million or 6.0%. General government, culture and recreation, transportation and economic environment reported increases of \$2.7 million, \$2.5 million, \$1.3 million and \$419,036 respectively. Physical environment reported a decrease of \$692,488.

Transfer Considerations

The City transfers funds from the General Fund into: the special revenue fund for the tax increment revenues derived from appreciation of the tax bases in the redevelopment areas of the CRA; the debt service funds to meet debt service requirements; the capital projects funds to fund non-debt financed governmental projects; the internal service funds to purchase capital assets that are not covered through normal user fees; nonmajor enterprise funds, including \$8,725,092 in private collectors fees to the Sanitation fund and \$1,342,735 to the Airport fund to pay the eighth installment towards the purchase of 64 acres of land based on an agreement with the Federal Aviation Administration to remove restrictive covenants. General Fund was reimbursed \$16,166,993 from the American Rescue Plan Fund for expenses related to the pandemic. Transfers into Debt Service Funds are to cover debt service payments.

The composition of General Fund inter-fund transfers for the Fiscal Year ended September 30, 2022 was as follows:

<u>Governmental Funds</u>	<u>Transfers To</u>
Community Redevelopment Agency Fund	\$ 7,239,505
Intergovernmental Revenue Funds	436,013
Special Obligation Bond Debt Service Fund	18,933,606
Special Obligation Loans Debt Service Fund	1,586,715
General Capital Projects Fund	21,621,448
School Crossing Guards	100,000
Total Governmental Funds	49,917,287
 <u>Enterprise Funds</u>

Total Enterprise Funds	10,067,827
 <u>Internal Service Funds</u>	
Project Management Fund	377,000
Total Internal Service Funds	377,000
Total General Fund Transfers	\$ 60,362,114

Financial Policies

The City continues to exceed its policy to maintain the unrestricted fund balance for the General Fund equivalent to two (2) months of operating expenditures and required transfers. During FY2022, the General Fund unrestricted balance increased from \$114.3 million to \$122.2 million. At 34.6%, this amount exceeds the minimum unrestricted requirement of the General Fund by \$63.4 million. The chart below presents a ten-year history of General Fund balances.

FY 2023 Budget and Rates

The FY2023 total adopted operating budget for all funds is \$985.1 million, including balances and transfers. This is approximately \$87.3 million more than the FY2022 adopted budget of \$897.7 million or a 9.7% increase. The FY2023 adopted General Fund operating budget, including balances and transfers, is \$440.3 million. The General Fund budget represents a \$39.2 million or 9.8% increase from the FY2022 adopted budget of \$401.1 million. The FY2023 adopted budget allows the City to fund its General Fund commitments including wages, insurances, and investments in infrastructure. The Adopted Budget invests in the City’s priorities and lays the foundation for a financially sustainable future. In FY2023 the operating millage rate of 4.1193 remains unchanged for the sixteenth consecutive year.

The City regularly responds to ever-changing challenges faced by our community. The organization’s effectiveness, flexibility, and resiliency are testaments to the City Commission’s vision and leadership. It is with a commitment to our neighbors, our businesses, our staff, and the City’s future that we strive to do the very best we can with the resources and tools available to us. The FY2023 Adopted Budget demonstrates the City’s highest priorities to ensure that we live, work, and play in the best city possible, while remaining financially responsible.

Debt Analysis

Current Debt Position of the City - An analysis of debt ratios helps to assess the impact of bond issuances on the City's fiscal position. Credit rating agencies use ratios to evaluate the City's debt position and to help determine its credit rating. Local government bonded debt is usually divided into three different types: general obligation bonds, non-self-supporting revenue bonds and self-supporting revenue bonds.

Source: City of Fort Lauderdale Finance Department.

Leverage - A highly leveraged organization has less flexibility. Examples of leverage include long-term debt, pension obligations, and obligations for post-employment health care. Reserves are a critical source of financial flexibility, so high leverage may call for higher reserves. Debt per capita measures the burden placed on citizens by municipal indebtedness. Another measure is debt service (principal and interest payments) as a percentage of City expenditures. This figure measures the pressure placed on the budget by debt payments.

Analysis of General Obligation Debt - GO Bonds are secured by the full faith and credit of the City. The City adopts an ad valorem (property tax) millage to pay debt service costs on voter approved debt. The revenue collected from the debt levy is deposited into the debt service fund. The annual requirements to pay principal and interest on the GO Bonds outstanding at September 30, 2022 follow:

Analysis of Pledged Non-Ad Valorem Revenues - Various non-ad valorem revenue sources have been pledged on a limited basis to secure bond repayments. These special obligation debt service funding sources include Communication Service Taxes, Business Tax Revenues, Public Service Taxes, and State Municipal Revenue Sharing (“Guaranteed Entitlement Revenues”). These resources are generally committed to ongoing City program operations. State Municipal Revenue Sharing to cities is composed of three portions: first guaranteed, second guaranteed, and growth monies. For FY2022, \$7,786,591 of State Municipal Revenue Sharing revenues were collected. However, only the Guaranteed Entitlement Revenues portion totaling \$3,196,503 is pledged non-ad valorem revenue; and is unchanged from year to year.

The City’s overall debt profile is characterized by adequate debt service coverage from its pledged revenues and conformance with all compliance covenants. Management continues to monitor non-ad valorem revenues and their potential impact on bond covenants and debt service requirements. The City’s strong financial management, manageable debt levels and financial flexibility are all indicators of good fiscal health.

Optional Redemption

The Series 2020A Bonds maturing on or before July 1, 2029 are not subject to redemption prior to maturity. The Series 2020A Bonds maturing on or after July 1, 2030 are subject to redemption prior to maturity, at the option of the City, on or after July 1, 2029, as a whole or in part at any time, and if in part as selected by the City among maturities and by lot within a maturity if less than an entire maturity is to be redeemed, at a redemption price of one hundred percent (100%) of the principal amount of the Series 2020A Bonds to be redeemed, plus accrued interest from the most recent interest payment date to the redemption date.

Mandatory Sinking Fund Redemption

The Series 2020A Bonds maturing on July 1, 2044 are subject to mandatory sinking fund redemption in part prior to maturity by lot, through the application of amortization requirements to be deposited in the Principal and Interest Account, at a redemption price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest to the redemption date, on July 1 of each year in the following amounts and in the years specified:

<u>Due (July 1)</u>	<u>Amortization Requirement</u>
2043	\$3,175,000
2044 (Final Maturity)	3,255,000

The Series 2020A Bonds maturing on July 1, 2046 are subject to mandatory sinking fund redemption in part prior to maturity by lot, through the application of amortization requirements to be deposited in the Principal and Interest Account, at a redemption price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest to the redemption date, on July 1 of each year in the following amounts and in the years specified:

<u>Due (July 1)</u>	<u>Amortization Requirement</u>
2045	\$3,335,000
2046 (Final Maturity)	3,420,000

The Series 2020A Bonds maturing on July 1, 2049 are subject to mandatory sinking fund redemption in part prior to maturity by lot, through the application of amortization requirements to be deposited in the Principal and Interest Account, at a redemption price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest to the redemption date, on July 1 of each year in the following amounts and in the years specified:

<u>Due (July 1)</u>	<u>Amortization Requirement</u>
2047	\$3,505,000
2048	3,610,000
2049 (Final Maturity)	3,715,000

The City may at any time use money held in the Principal and Interest Account for the payment of amortization requirements to purchase any Series 2020A Bonds that are Term Bonds, or portions thereof, whether or not such Term Bonds or portions thereof shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, which price shall not exceed the redemption price for such Term Bonds on the next redemption date if such Term Bonds or portions thereof should be called for redemption on such date. The principal amount of any Term Bonds so purchased shall be credited toward the next amortization installment. However, if by the application of moneys in the Principal and Interest Account the City shall purchase or call for redemption in any year Term Bonds in excess of the amortization installments due for such year, such excess Term Bonds so purchased or redeemed shall be credited in such manner and at such times as the Director of Finance for the City shall determine over the remaining payment dates.

Notice of Redemption

Mailing of Notice of Redemption: Notice of redemption shall be given by deposit in the U.S. mails of a copy of a redemption notice, postage prepaid, at least thirty (30) days before the redemption date to all registered owners of the Series 2020A Bonds or portions of the Series 2020A Bonds to be redeemed at their addresses as they appear on the registration books to be maintained in accordance with the provisions of the Series 2020A Resolution. Failure to mail any such notice to a registered owner of a Series 2020A Bond, or any defect therein, shall not affect the validity of the proceedings for redemption of any Series 2020A Bond or portion thereof with respect to which no failure or defect occurred. Such notice shall set forth the date fixed for redemption, the rate of interest borne by each Series 2020A Bond being redeemed, the date of publication, if any, of a notice of redemption, the name and address of the Bond Registrar and the Paying Agent, the redemption price to be paid and, if less than all of the Series 2020A Bonds then Outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers, of such Series 2020A Bonds to be redeemed and, in the case of Series 2020A Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

If any Series 2020A Bond is to be redeemed in part only, the notice of redemption which relates to such Series 2020A Bond shall also state that on or after the redemption date, upon surrender of such Series 2020A Bond, a new Series 2020A Bond or Series 2020A Bonds in a principal amount equal to the unredeemed portion of such Series 2020A Bond will be

issued. If the optional redemption of any of the Series 2020A Bonds is conditioned upon the occurrence or non-occurrence of an event, including, without limitation, the receipt of sufficient moneys to effectuate the redemption, the notice of redemption which relates to such Series 2020A Bonds or portions thereof shall also state that the redemption is so conditioned and provide a brief description of the condition of such redemption.

Any notice of redemption that is mailed in accordance with the provisions of the Series 2020A Resolution shall be conclusively presumed to have been duly given, whether or not the owner of the Series 2020A Bond called for redemption receives such notice. The Bond Registrar shall not be required to transfer or exchange any Series 2020A Bond after the mailing of a notice of redemption nor during the period of fifteen (15) days next preceding the mailing of a notice of redemption.

Notwithstanding the foregoing, so long as the Series 2020A Bonds are held in a book-entry only system maintained by DTC, notices of redemption shall only be sent to DTC or its designee.

Effect of Redemption: Notice having been given in the manner and under the conditions described above, the Series 2020A Bonds or portions of Series 2020A Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Series 2020A Bonds or portions of Series 2020A Bonds on such date; provided, however, that Series 2020A Bonds or portions of Series 2020A Bonds called for optional redemption and which redemption is conditioned upon the receipt of sufficient moneys, shall not become due and payable on the redemption date if sufficient moneys to pay the redemption price of such Series 2020A Bonds or portions of such Series 2020A Bonds have not been received by the Paying Agent on or prior to the redemption date. On the date so designated for redemption, moneys for payment of the redemption price being held in separate accounts by the Paying Agent in trust for the registered owners of the Series 2020A Bonds or portions thereof to be redeemed, interest on the Series 2020A Bonds or portions of Series 2020A Bonds so called for redemption shall cease to accrue, such Series 2020A Bonds and portions of Series 2020A Bonds shall cease to be entitled to any lien, benefit or security under the Bond Resolution and shall be deemed paid thereunder, and the registered owners of such Series 2020A Bonds or portions of Series 2020A Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the Series 2020A Resolution, to receive Series 2020A Bonds for any unredeemed portions of the Series 2020A Bonds.

In case part, but not all, of an outstanding fully registered Series 2020A Bond shall be selected for redemption, the registered owners thereof shall present and surrender such Series 2020A Bond to the City or its designated Paying Agent for payment of the principal amount thereof so called for redemption, and the City shall execute and deliver to or upon the order of such registered owner, without charge therefor, for the unredeemed balance of the principal amount of the Series 2020A Bonds so surrendered, a new Series 2020A Bond or Series 2020A Bonds fully registered as to principal and interest.

Series 2020A Bonds or portions of Series 2020A Bonds that have been duly called for redemption under the provisions of the Series 2020A Resolution, and with respect to which amounts sufficient to pay the principal and interest to the date fixed for redemption shall be delivered to and held in separate trust accounts by an escrow agent, any Authorized Depository or any Paying Agent in trust for the registered owners thereof, as provided in the Series 2020A Resolution, shall not be deemed to be Outstanding under the provisions of the Series 2020A Resolution and shall cease to be entitled to any lien, benefit or security under the Series 2020A Resolution, except to receive the payment of the redemption price on or after the designated date of redemption from moneys deposited with or held by the escrow agent, Authorized Depository or Paying Agent as the case maybe, for such redemption of the Series 2020A Bonds and, to the extent provided in the immediately preceding paragraph, to receive Series 2020A Bonds for any unredeemed portion of the Series 2020A Bonds.

GENERAL OBLIGATION BONDS, SERIES 2020B
(Police and Public Safety Projects)

Dated: February 12, 2020

Purpose

The Series 2020B Bonds were issued to provide funds to (a) finance a portion of the costs of the development, design, acquisition, construction, equipping, installation, improvement and furnishing of police and public safety facilities, equipment and technology, including, without limitation, (i) a new police and public safety headquarters building and parking garage, (ii) one or more police stations and related equipment and technology, and (iii) specialty police/public safety vehicles such as, but not limited to, bomb trucks and command center and (b) pay certain costs of issuing the Series 2020B Bonds.

Security

The Series 2020B Bonds constitute general obligations of the City and the full faith, credit and taxing power of the City are irrevocably pledged to the punctual payment of the principal of and interest on the Series 2020B Bonds.

Form

\$92,290,000 General Obligation Bonds, Series 2020B due July 1, 2049. The Series 2020B Bonds were issued only in fully registered form. Interest on the Series 2020B Bonds is payable semi-annually on each January 1 and July 1.

Par Amount Outstanding as of September 30, 2022: \$88,090,000

Bondholder: Public Offering

Credit Enhancement: None

Bond Registrar and Paying Agent: UMB Bank, Houston, Texas

Ratings: as of September 30, 2022

Moody's: Aa1

S&P: AAA

Optional Redemption

The Series 2020B Bonds maturing on or before July 1, 2029 are not subject to redemption prior to maturity. The Series 2020B Bonds maturing on or after July 1, 2030 are subject to redemption prior to maturity, at the option of the City, on or after July 1, 2029, as a whole or in part at any time, and if in part as selected by the City among maturities and by lot within a maturity if less than an entire maturity is to be redeemed, at a redemption price of one hundred percent (100%) of the principal amount of the Series 2020B Bonds to be redeemed, plus accrued interest from the most recent interest payment date to the redemption date.

Mandatory Sinking Fund Redemption

The Series 2020B Bonds maturing on July 1, 2049 are subject to mandatory sinking fund redemption in part prior to maturity by lot, through the application of amortization requirements to be deposited in the Principal and Interest Account, at a redemption price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest to the redemption date, on July 1 of each year in the following amounts and in the years specified:

<u>Due (July 1)</u>	<u>Amortization Requirement</u>
2046	\$4,280,000
2047	4,410,000
2048	4,540,000
2049 (Final Maturity)	4,675,000

The City may at any time use money held in the Principal and Interest Account for the payment of amortization requirements to purchase any Series 2020B Bonds that are Term Bonds, or portions thereof, whether or not such Term Bonds or portions thereof shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, which price shall not exceed the redemption price for such Term Bonds on the next redemption date if such Term Bonds or portions thereof should be called for redemption on such date. The principal amount of any Term Bonds so purchased shall be credited toward the next amortization installment. However, if by the application of moneys in the Principal and Interest Account the City shall purchase or call for redemption in any year Term Bonds in excess of the amortization installments due for such year, such excess Term Bonds so purchased or redeemed shall be credited in such manner and at such times as the Director of Finance for the City shall determine over the remaining payment dates.

Notice of Redemption

Mailing of Notice of Redemption: Notice of redemption shall be given by deposit in the U.S. mails of a copy of a redemption notice, postage prepaid, at least thirty (30) days before the redemption date to all registered owners of the Series 2020B Bonds or portions of the Series 2020B Bonds to be redeemed at their addresses as they appear on the registration books to be maintained in accordance with the provisions of the Series 2020B Resolution. Failure to mail any such notice to a registered owner of a Series 2020B Bond, or any defect therein, shall not affect the validity of the proceedings for redemption of any Series 2020B Bond or portion thereof with respect to which no failure or defect occurred. Such notice shall set forth the date fixed for redemption, the rate of interest borne by each Series 2020B Bond being redeemed, the date of publication, if any, of a notice of redemption, the name and address of the Bond Registrar and the Paying Agent, the redemption price to be paid and, if less than all of the Series 2020B Bonds then outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers, of such Series 2020B Bonds to be redeemed and, in the case of Series 2020B Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

If any Series 2020B Bond is to be redeemed in part only, the notice of redemption which relates to such Series 2020B Bond shall also state that on or after the redemption date, upon surrender of such Series 2020B Bond, a new Series 2020B Bond or Series 2020B Bonds in a principal amount equal to the unredeemed portion of such Series 2020B Bond will be issued. If the optional redemption of any of the Series 2020B Bonds is conditioned upon the occurrence or non-occurrence of an event, including, without limitation, the receipt of sufficient moneys to effectuate the redemption, the notice of redemption which relates to such Series 2020B Bonds or portions thereof shall also state that the redemption is so conditioned and provide a brief description of the condition of such redemption.

Any notice of redemption that is mailed in accordance with the provisions of the Series 2020B Resolution shall be conclusively presumed to have been duly given, whether or not the owner of the Series 2020B Bond called for redemption receives such notice. The Bond Registrar shall not be required to transfer or exchange any Series 2020B Bond after the mailing of a notice of redemption nor during the period of fifteen (15) days next preceding the mailing of a notice of redemption.

Notwithstanding the foregoing, so long as the Series 2020B Bonds are held in a book-entry only system maintained by DTC, notices of redemption shall only be sent to DTC or its designee.

Effect of Redemption: Notice having been given in the manner and under the conditions described above, the Series 2020B Bonds or portions of Series 2020B Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Series 2020B Bonds or portions of Series 2020B Bonds on such date; provided, however, that Series 2020B Bonds or portions of Series 2020B Bonds called for optional redemption and which redemption is conditioned upon the receipt of sufficient moneys, shall not become due and payable on the redemption date if sufficient moneys to pay the redemption price of such Series 2020B Bonds or portions of such Series 2020B Bonds have not been received by the Paying Agent on or prior to the redemption date. On the date so designated for redemption, moneys for payment of the redemption price being held in separate accounts by the Paying Agent in trust for the registered owners of the Series 2020B Bonds or portions thereof to be redeemed, interest on the Series 2020B Bonds or portions of Series 2020B Bonds so called for redemption shall cease to accrue, such Series 2020B Bonds and portions of Series 2020B Bonds shall cease to be entitled to any lien, benefit or security under the Bond Resolution and shall be deemed paid thereunder, and the registered owners of such Series 2020B Bonds or portions of Series 2020B Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the Series 2020B Resolution, to receive Series 2020B Bonds for any unredeemed portions of the Series 2020B Bonds.

In case part, but not all, of an outstanding fully registered Series 2020B Bond shall be selected for redemption, the registered owners thereof shall present and surrender such Series 2020B Bond to the City or its designated Paying Agent for payment of the principal amount thereof so called for redemption, and the City shall execute and deliver to or upon the order of such registered owner, without charge therefor, for the unredeemed balance of the principal amount of the Series 2020B Bonds so surrendered, a new Series 2020B Bond or Series 2020B Bonds fully registered as to principal and interest.

Series 2020B Bonds or portions of Series 2020B Bonds that have been duly called for redemption under the provisions of the Series 2020B Resolution, and with respect to which amounts sufficient to pay the principal and interest to the date fixed for redemption shall be delivered to and held in separate trust accounts by an escrow agent, any Authorized Depository or any Paying Agent in trust for the registered owners thereof, as provided in the Series 2020B Resolution, shall not be deemed to be Outstanding under the provisions of the Series 2020B Resolution and shall cease to be entitled to any lien, benefit or security under the Series 2020B Resolution, except to receive the payment of the redemption price on or after the designated date of redemption from moneys deposited with or held by the escrow agent, Authorized Depository or Paying Agent as the case may be, for such redemption of the Series 2020B Bonds and, to the extent provided in the immediately preceding paragraph, to receive Series 2020B Bonds for any unredeemed portion of the Series 2020B Bonds.

Optional Redemption

The Series 2015 Bonds maturing on or prior to July 1, 2024 are not subject to redemption prior to maturity. The Series 2015 Bonds maturing on or after July 1, 2025 are subject to redemption at the option of the City prior to their respective dates of maturity on or after July 1, 2024, in whole or in part at any time, in any order of maturity selected by the City and by lot within a maturity, at a redemption price equal to one hundred percent (100%) of the principal amount of the Series 2015 Bonds to be redeemed, together with accrued interest from the most recent interest payment date to the date fixed for redemption.

Mandatory Sinking Fund Redemption

The Series 2015 Bonds maturing on July 1, 2035 are subject to mandatory sinking fund redemption in part prior to maturity by lot, through the application of amortization requirements, at a redemption price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest to the redemption date, on July 1 of each year in the following amounts and in the years specified:

<u>Due (July 1)</u>	<u>Amortization Requirement</u>
2034	\$ 995,000
2035 (Final Maturity)	1,025,000

The City may at any time use money held in the Principal and Interest Account for the payment of amortization requirements to purchase any Series 2015 Bonds that are Term Bonds, or portions thereof, whether or not such Term Bonds or portions thereof shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, which price shall not exceed the redemption price for such Term Bonds on the next redemption date if such Term Bonds or portions thereof should be called for redemption on such date. However, if by the application of moneys in the Principal and Interest Account the City shall purchase or call for redemption in any year Term Bonds in excess of the amortization installments due for such year, such excess Term Bonds so purchased or redeemed shall be credited in such manner and at such times as the Director of Finance for the City shall determine over the remaining payment dates.

Notice of Redemption

Mailing of Notice of Redemption: Notice of redemption shall be given by deposit in the U.S. Mail of a copy of a redemption notice, postage prepaid, at least thirty (30) days before the redemption date to all registered owners of the Series 2015 Bonds or portions of the Series 2015 Bonds to be redeemed at their addresses as they appear on the registration books to be maintained in accordance with the provisions of the Series 2015 Resolution. Failure to mail any such notice to a registered owner of a Series 2015 Bond, or any defect therein, shall not affect the validity of the proceedings for redemption of any Series 2015 Bond or portion thereof with respect to which no failure or defect occurred. Such notice shall set forth the date fixed for redemption, the rate of interest borne by each Series 2015 Bond being redeemed, the date of publication, if any, of a notice of redemption, the name and address of the Bond Registrar and the Paying Agent, the redemption price to be paid and, if less than all of the Series 2015 Bonds then Outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers, of such Series 2015 Bonds to be redeemed and, in the case of Series 2015 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Series 2015 Bond is to be redeemed in part only, the notice of redemption which relates to such Series 2015 Bond shall also state that on or after the redemption date, upon surrender of such Series 2015 Bond, a new Series 2015 Bond or Series 2015 Bonds in a principal amount equal to the unredeemed portion of such Series 2015 Bond will be issued. If the optional redemption of any of the Series 2015 Bonds is conditioned upon the receipt of sufficient moneys as described in the Series 2015 Resolution, the notice of redemption which relates to such Series 2015 Bonds shall also state that the redemption is so conditioned.

Any notice of redemption that is mailed in accordance with the provisions of the Series 2015 Resolution shall be conclusively presumed to have been duly given, whether or not the owner of the Series 2015 Bond called for redemption receives such notice. The Bond Registrar shall not be required to transfer or exchange any Series 2015 Bond after the mailing of a notice of redemption nor during the period of fifteen (15) days next preceding the mailing of a notice of redemption.

As long as a book-entry system maintained by DTC is used for determining beneficial ownership of Series 2015 Bonds, notice of redemption will be sent to DTC. DTC will be responsible for notifying the DTC Participants, which will in turn be responsible for notifying the Beneficial Owners. Any failure of DTC to notify any DTC Participant, or of any DTC Participant to notify the Beneficial Owner of any such notice, will not affect the validity of the redemption of the Series 2015 Bonds.

Effect of Redemption: Notice having been given in the manner and under the conditions described above, the Series 2015 Bonds or portions of Series 2015 Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Series 2015 Bonds or portions of Series 2015 Bonds on such date; provided, however, that Series 2015 Bonds or portions of Series 2015 Bonds called for optional redemption and which redemption is conditioned upon the receipt of sufficient moneys, shall not become due and payable on the redemption date if sufficient moneys to pay the redemption price of such Series 2015 Bonds or portions of such Series 2015 Bonds have not been received by the Paying Agent (other than the City) on or prior to the redemption date. On the date so designated for redemption, moneys for payment of the redemption price being held in separate accounts by the Paying Agent in trust for the registered owners of the Series 2015 Bonds or portions thereof to be redeemed, interest on the Series 2015 Bonds or portions of Series 2015 Bonds so called for redemption shall cease to accrue, such Series 2015 Bonds and portions of Series 2015 Bonds shall cease to be entitled to any lien, benefit or security under the Bond Resolution and shall be deemed paid thereunder, and the registered owners of such Series 2015 Bonds or portions of Series 2015 Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the Series 2015 Resolution, to receive Series 2015 Bonds for any unredeemed portions of the Series 2015 Bonds.

Mailing of Notice of Redemption: Notice of redemption shall be given by deposit in the U.S. Mail a copy of a redemption notice, postage prepaid, at least thirty (30) days before the redemption date to all registered owners of Series 2011A Bonds or portions of the Series 2011A Bonds to be redeemed at their addresses as they appear on the registration books to be maintained in accordance with the provisions of the Resolution. Failure to mail any such notice to a registered owner of a Series 2011A Bond, or any defect therein, shall not affect the validity of the proceedings for redemption of any Series 2011A Bond or portion thereof with respect to which no failure or defect occurred. Such notice shall set forth the date fixed for redemption, the rate of interest borne by each Series 2011A Bond being redeemed, the date of publication, if any, of a notice of redemption, the name and address of the Bond Registrar and the Paying Agent, the redemption price to be paid and, if less than all of the Series 2011A Bonds then outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers of such Series 2011A Bonds to be redeemed and, in the case of Series 2011A Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Series 2011A Bond is to be redeemed

in part only, the notice of redemption which relates to such Series 2011A Bond shall also state that on or after the redemption date, upon surrender of such Series 2011A Bond, a new Series 2011A Bond or Series 2011A Bonds in a principal amount equal to the unredeemed portion of such Series 2011A Bond will be issued. If the optional redemption of any of the Series 2011A Bonds is conditioned upon the receipt of sufficient moneys as described in the Series 2011A Resolution, the notice of redemption which relates to such Series 2011A Bonds shall also state that the redemption is so conditioned.

Any notice of redemption that is mailed in accordance with the provisions of the Resolution shall be conclusively presumed to have been duly given, whether or not the owner of the Series 2011A Bond called for redemption receives such notice. The Bond Registrar shall not be required to transfer or exchange any Series 2011A Bond after the mailing of a notice of redemption nor during the period of fifteen (15) days next preceding the mailing of a notice of redemption.

As long as a book-entry system maintained by the Depositor Trust Company (DTC) is used for determining beneficial ownership of Series 2011A Bonds, notice of redemption will be sent to DTC. DTC will be responsible for notifying the DTC Participants, which will in turn be responsible for notifying the Beneficial Owners. Any failure of DTC to notify any DTC Participant, or of any DTC Participant to notify the Beneficial Owner of any such notice, will not affect the validity of the redemption of the Series 2011A Bonds.

Effect of Redemption: Notice having been given in the manner and under the conditions described above, the Series 2011A Bonds or portions of Series 2011A Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Series 2011A Bonds or portions of Series 2011A Bonds on such date; provided, however, that Series 2011A Bonds or portions of Series 2011A Bonds called for optional redemption and which redemption is conditioned upon the receipt of sufficient moneys, shall not become due and payable on the redemption date if sufficient moneys to pay the redemption price of such Series 2011A Bonds or portions of such series 2011A Bonds have not been received by the Paying Agent (other than the City) on or prior to the redemption date. On the date so designated for redemption, moneys for payment of the redemption price being held in separate accounts by the Paying Agent in trust for the registered owners of the Series 2011A Bonds or portions thereof to be redeemed, interest on the Series 2011A Bonds or portions of Series 2011A Bonds so called for redemption shall cease to accrue, such Series 2011A Bonds and portions of Series 2011A Bonds shall cease to be entitled to any lien, benefit or security under the Bond Resolution and shall be deemed paid thereunder, and the registered owners of such Series 2011A Bonds or portions of Series 2011A Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the Bond Resolution, to receive Series 2011A Bonds for any unredeemed portions of the Series 2011A Bonds.

CITY OF FORT LAUDERDALE, FLORIDA
TAXABLE SPECIAL OBLIGATION REFUNDING BONDS
SERIES 2020

Dated: August 4, 2020

Purpose

The Series 2020 Bonds were issued for the purpose of providing funds to pay (i) advance refund and defease a portion of the City's outstanding Taxable Special Obligation Bonds, Series 2012 (Pension Funding Project) (the "Series 2012 Bonds"), originally issued in the aggregate principal amount of \$337,755,000 and, prior to issuance of the Series 2020 Bonds, outstanding in the aggregate principal amount of \$209,360,000; and (ii) pay certain costs of issuing the Series 2020 Bonds.

Security

The Series 2020 Bonds are payables from and secured by a lien in and pledge of (a) the Designated Revenues, (b) any Non-Ad Valorem Revenues actually deposited into the Principal and Interest Account of the Debt Service Fund to secure a Debt Service Funding Deficiency and (c) all investment income in the funds and accounts established under the Resolution, except amounts deposited into the Rebate Fund in connection with the potential future issuance of Tax-Exempt. Notwithsatnding the foregoing, amounts on deposit in or to the credit of a Reserve Account within the Reserve Fund established under the Bond Resolution shall constitute Pledged Funds for, and secure only, the particular Series of Bonds for which such Reserve Account is established.

Form

\$167,155,000 Taxable Special Obligation Refunding Bonds, Series 2020 due January 1, 2032. Bonds were issued only in fully registered form. Interest on the Series 2020 Bonds is payable semiannually on January 1 and July 1.

Optional Redemption

The Series 2020 Bonds maturing on or before January 1, 2030 are not subject to redemption prior to maturity. The Series 2020 Bonds maturing on or after January 1, 2031 are subject to redemption at the option of the City prior to their respective dates of maturity on or after January 1, 2030, in whole or in part at any time, and if in part, in accordance with the procedures described in this section below under "Partial Redemption," at a redemption price equal to one hundred percent (100%) of the principal amount of the Series 2020 Bonds or portion of the Series 2020 Bonds to be redeemed, together with accrued interest from the most recent interest payment date as of which interest has been paid to the date fixed for redemption.

Partial Redemption

If the Series 2020 Bonds are no longer held under a Book-Entry System and less than all of the Series 2020 Bonds are to be redeemed, the Holder of Series 2020 Bonds to be redeemed, or such Holder's attorney or legal representative, shall present and surrender such Series 2020 Bond to the Bond Registrar for payment of the principal amount thereof so called for redemption. Upon such presentation and surrender, the City shall execute and the Bond Registrar shall authenticate and deliver to or upon the order of such Holder or such Holder's legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Series 2020 Bond so surrendered, a new Series 2020 Bond of the same maturity and bearing interest at the same rate.

Notice of Redemption

Mailing of Notice of Redemption. At least thirty (30) days, but not more than sixty (60) days, before the redemption date of any Series 2020 Bonds, whether such redemption be in whole or in part, the City shall cause a notice of such redemption, signed by the Finance Director to be mailed, first class postage prepaid, to all Holders owning Series 2020 Bonds to be redeemed in whole or in part and to any Fiduciaries, at their addresses as they appear on the registration books maintained by the Bond Registrar but any defect in such notice or failure to mail such notice to any Holder of any Series 2020 Bonds shall not affect the validity of the proceedings for the redemption of any other Series 2020 Bonds. Each such notice shall set forth the name of the Series 2020 Bonds or portions thereof to be redeemed, the date fixed for redemption, the redemption price to be paid, the Series, and if less than all the Series 2020 Bonds shall be called for redemption, the maturities of the Series 2020 Bonds to be redeemed, the CUSIP numbers, the name and address (including contact person and phone number) of the Fiduciary to which Series 2020 Bonds called for redemption are to be delivered and, if less than all of the Series 2020 Bonds of any one maturity then outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such Series 2020 Bonds to be redeemed and, in the case of Series 2020 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Series 2020 Bond is to be redeemed in part only, the notice of redemption shall also state that on or after the redemption date, upon surrender of such Series 2020 Bond, a new Series 2020 Bond in principal amount equal to the unredeemed portion of such Series 2020 Bond, and of the same Series and maturity and bearing the same interest rate, will be issued. Any notice as provided herein shall be conclusively presumed to have been duly given, whether or not the owner of the Series 2020 Bond receives such notice.

In the case of an optional redemption, any notice of redemption may state that (i) it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Bond Registrar, Paying Agent or a Fiduciary acting as escrow agent no later than the redemption date or (ii) the City retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described herein. Any such notice of Conditional Redemption shall be captioned "Conditional Notice of Redemption." Any Conditional Redemption may be rescinded at any time prior to the redemption date if the Finance Director delivers a written direction to the Bond Registrar directing the Bond Registrar to rescind the redemption notice. The Bond Registrar shall give prompt notice of such rescission to the affected Bondholders. Any Series 2020 Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure by the City to make such funds available shall constitute an event of default under the Bond Resolution. The Bond Registrar shall give immediate notice to the securities information repositories and the affected Bondholders that the redemption did not occur and that the Series 2020 Bonds called for redemption and not so paid remain outstanding.

Effect of Redemption. On the date fixed for redemption, notice having been mailed in the manner and under the conditions described above, provided that such notice of redemption has not been rescinded as described above, the Series 2020 Bonds or portions thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such redemption date. If on the date fixed for redemption money or Defeasance Obligations, or a combination of both, sufficient to pay the redemption price of the Series 2020 Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by a Depositary in trust for the Holders of Series 2020 Bonds to be redeemed, interest on the Series 2020 Bonds called for redemption shall cease to accrue after the date fixed for redemption. Such Series 2020 Bonds shall cease to be entitled to any benefits or security under the Resolution or to be deemed outstanding and the Holders of such Series 2020 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest to the date of redemption, provided the notice of redemption for such Series 2020 Bonds has not been rescinded, as described above.

If a portion of an outstanding Series 2020 Bond shall be selected for redemption, the Holder thereof, or such Holder's attorney or legal representative, shall present and surrender such Series 2020 Bond to the Bond Registrar for payment of the principal amount thereof so called for redemption. The City shall execute and the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or such owner's legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Series 2020 Bond so surrendered, a Series 2020 Bond of the same maturity and bearing interest at the same rate.

\$337,755,000
CITY OF FORT LAUDERDALE, FLORIDA
TAXABLE SPECIAL OBLIGATION BONDS, SERIES 2012
(PENSION FUNDING PROJECT)

Dated: October 3, 2012

Purpose

The Series 2012 Bonds were issued for the purpose of providing funds to pay (i) the cost of funding a portion of the unfunded actuarial accrued liability of the Pension Plans (determined as of the Fiscal Year 2011 valuation date for each of the Pension Plans) (the "UAAL"), including, without limitation, a partial repayment to the City of its contribution to the PFRS to prefund the City's UAAL portion of its Annual Required Contribution to the PFRS for Fiscal Year 2013 (collectively, the "Project"); and (ii) certain costs of issuance of the Series 2012 Bonds.

Partial Refunding

\$148,950,000 of the Series 2012 Bonds were refunded in advance by the Series 2020 Bonds.

Security

Payment of the principal of and interest on the Series 2012 Bonds is secured equally and ratably by a lien on and pledge of the Pledged Funds. Pledged Funds consist of (i) the Designated Revenues, (ii) any Non-Ad Valorem Revenues actually deposited into the Principal and Interest Account of the Debt Service Fund to cure a Debt Service Funding Deficiency, and (iii) all investment income in the funds and accounts established under the Resolution, except for the Rebate Fund; provided, however, that amounts on deposit in or to the credit of a Reserve Account within the Reserve Fund shall constitute Pledged Funds for, and secure, only the particular Series of Bonds for which such Reserve Account is established. Notwithstanding anything in the documents authorizing issuance of the Series 2012 Bonds to the contrary, Non-Ad Valorem Revenues shall only become Pledged Funds if (i) Designated Revenues are determined to be insufficient to meet the Principal and Interest Requirements coming due and payable during any Fiscal Year; (ii) the City's covenant to budget and appropriate Non-Ad Valorem Revenues to pay principal of and interest on Bonds has not been released pursuant to the terms of the Resolution; and (iii) the City actually budgets, appropriates and deposits Non-Ad Valorem Revenues into the Principal and Interest Account of the Debt Service Fund to cure a Debt Service Funding Deficiency.

Form

\$337,755,000 Taxable Special Obligation Bonds, Series 2012 (Pension Funding Project) due January 1, 2032. The Series 2012 Bonds were issued only in fully registered form. Interest on the Series 2012 Bonds is payable semi-annually on each January 1 and July 1.

Par Amount Outstanding as of September 30, 2022: \$20,840,000

Bondholder: Public Offering

Credit Enhancement: None

Bond Registrar: Regions Bank, Jacksonville, Florida

Paying Agent: Regions Bank, Jacksonville, Florida

Ratings: as of September 30, 2022

Make-Whole Optional Redemption

The Series 2012 Bonds are subject to redemption prior to their maturity dates at the option of the City, in whole or in part, on any date prior to January 1, 2023, and if in part, in accordance with the procedures described in this section below under "Partial Redemption," at a redemption price equal to the greater of:

(1) 100% of the principal amount of the Series 2012 Bonds to be redeemed: or

(2) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of the Series 2012 Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the Series 2012 Bonds are to be redeemed, discounted to the date on which the Series 2012 Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate, plus thirty-five (35) basis points,

plus, in each case, accrued and unpaid interest on the Series 2012 Bonds to be redeemed to the redemption date.

"Treasury Rate" shall mean, as of any redemption date for a particular Series 2012 Bond, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two (2) Business Days, but not more than forty-five (45) calendar days, prior to the redemption date (excluding inflation indexed securities) or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the Series 2012 Bond to be redeemed; provided, however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

Notwithstanding the foregoing, prior to the optional redemption of the Series 2012 Bonds at par on or after January 1, 2023, pursuant to the provisions of the Resolution, the City may elect to legally defease all or a portion of the Series 2012 Bonds until their optional redemption on January 1, 2023. Such legal defeasance of all or a portion of the Series 2012 Bonds shall not constitute a "make-whole optional redemption." The provisions set forth above relating to a make-whole optional redemption shall apply only in the event the City elects to redeem the Series 2012 Bonds on any date prior to January 1, 2023, but not if the City elects only to legally defease all or any portion of the Series 2012 Bonds prior to January 1, 2023.

Partial Redemption

If less than all of the Series 2012 Bonds are to be redeemed, the Bond Registrar, upon written instructions from the City, shall select the Series 2012 Bonds for redemption from such maturity dates and in such amounts as are selected by the City, and, so long as the Series 2012 Bonds constitute Book-Entry Bonds held by DTC, shall select such Series 2012 Bonds within such selected maturities on a "Pro Rata Pass- Through Distribution of Principal" basis in accordance with DTC procedures; provided that so long as such Series 2012 Bonds are held under the Book-Entry System, the selection for redemption of such Series 2012 Bonds shall be made in accordance with the operational arrangements of DTC then in effect and, if the DTC operational arrangements do not allow for redemption on a "Pro Rata Pass-Through Distribution of Principal" basis, such Series 2012 Bonds shall be selected for redemption within each such maturity in such manner as the Bond Registrar shall determine and in accordance with DTC procedures. In any event, the portion of the Series 2012 Bond to be redeemed in part shall be in the principal amount of \$5,000 or any integral multiple in excess thereof.

With regard to the foregoing, it is the City's intent that redemption allocations made by DTC, its Participants or such other intermediaries that may exist between the City and the Beneficial Owners be made pro rata. However, the City can provide no assurance that DTC, its Participants or any other intermediaries will allocate redemptions of Series 2012 Bonds on a pro rata basis. If the Series 2012 Bonds are no longer held under a Book-Entry System and less than all of the Series 2012 Bonds are to be redeemed, the Holder of Series 2012 Bonds to be redeemed, or such Holder's attorney or legal representative, shall present and surrender such Series 2012 Bond to the Bond Registrar for payment of the principal amount thereof so called for redemption and the redemption premium, if any, on such principal amount. Upon such presentation and surrender, the City shall execute and the Bond Registrar shall authenticate and deliver to or upon the order of such Holder or such Holder's legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Series 2012 Bond so surrendered, a new Series 2012 Bond of the same maturity and bearing interest at the same rate.

Notice of Redemption

Mailing of Notice of Redemption. At least thirty (30) days, but not more than sixty (60) days, before the redemption date of any Series 2012 Bonds, whether such redemption be in whole or in part, the City shall cause a notice of such redemption, signed by the Finance Director to be mailed, first class postage prepaid, to all Holders owning Series 2012 Bonds to be redeemed in whole or in part and to any Fiduciaries, at their addresses as they appear on the registration books maintained by the Bond Registrar but any defect in such notice or failure to mail such notice to any Holder of any Series 2012 Bonds shall not affect the validity of the proceedings for the redemption of any other Series 2012 Bonds. Each such notice shall set forth the name of the Series 2012 Bonds or portions thereof to be redeemed, the date fixed for redemption, the redemption price to be paid, the Series, and if less than all the Series 2012 Bonds shall be called for redemption, the maturities of the Series 2012 Bonds to be redeemed, the CUSIP numbers, the name and address (including contact person and phone number) of the Fiduciary to which Series 2012 Bonds called for redemption are to be delivered and, if less than all of the Series 2012 Bonds of any one maturity then Outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such Series 2012 Bonds to be redeemed and, in the case of Series 2012 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Series 2012 Bond is to be redeemed in part only, the notice of redemption shall also state that on or after the redemption date, upon surrender of such Series 2012 Bond, a new Series 2012 Bond in principal amount equal to the unredeemed portion of such Series 2012 Bond, and of the same Series and maturity and bearing the same interest rate, will be issued. Any notice as provided herein shall be conclusively presumed to have been duly given, whether or not the owner of the Series 2012 Bond receives such notice.

In the case of an optional redemption, any notice of redemption may state that (i) it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Bond Registrar, Paying Agent or a Fiduciary acting as escrow agent no later than the redemption date or (ii) the City retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described herein. Any such notice of Conditional Redemption shall be captioned "Conditional Notice of Redemption." Any Conditional Redemption may be rescinded at any time prior to the redemption date if the Finance Director delivers a written direction to the Bond Registrar directing the Bond Registrar to rescind the redemption notice. The Bond Registrar shall give prompt notice of such rescission to the affected Bondholders. Any Series 2012 Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure by the City to make such funds available shall constitute an event of default under the Resolution. The Bond Registrar shall give immediate notice to the securities information repositories and the affected Bondholders that the redemption did not occur and that the Series 2012 Bonds called for redemption and not so paid remain outstanding.

Effect of Redemption. On the date fixed for redemption, notice having been mailed in the manner and under the conditions described above, provided that such notice of redemption has not been rescinded as described above, the Series 2012 Bonds or portions thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such redemption date. If on the date fixed for redemption money or Defeasance Obligations, or a combination of both, sufficient to pay the redemption price of the Series 2012 Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by a Depositary in trust for the Holders of Series 2012 Bonds to be redeemed, interest on the Series 2012 Bonds called for redemption shall cease to accrue after the date fixed for redemption. Such Series 2012 Bonds shall cease to be entitled to any benefits or security under the Resolution or to be deemed Outstanding and the Holders of such Series 2012 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof plus accrued interest to the date of redemption, provided the notice of redemption for such Series 2012 Bonds has not been rescinded, as described above.

If a portion of an Outstanding Series 2012 Bond shall be selected for redemption, the Holder thereof or such Holder's attorney or legal representative, shall present and surrender such Series 2012 Bond to the Bond Registrar for payment of the principal amount thereof so called for redemption. The City shall execute and the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or such owner's legal representative, without charge thereof, for the unredeemed portion of the principal amount of the Series 2012 Bond so surrendered, a Series 2012 Bond of the same maturity and bearing interest at the same rate. As long as a book-entry system is used for determining beneficial ownership of Series 2012 Bonds, notice of redemption will be sent to DTC. DTC will be responsible for notifying the DTC Participants, which will in turn be responsible for notifying the Beneficial Owners. Any failure of DTC to notify any DTC Participant, or of any DTC Participant to notify the Beneficial Owner of any such notice, will not affect the validity of the redemption of the Series 2012 Bonds.

Optional Redemption

The Series 2022 Bonds are not subject to redemption prior to maturity at the option of the City, in whole or in part at any time, and if in part in maturities or Amortization Requirements selected by the City, at such times, and at the redemption prices, as approved and determined by the City Manager, as set forth in a Details Certificate of the City Manager and in the Bond Purchase Agreement; provided, however, the redemption premium on the Series 2022 Bonds shall not exceed one hundred percent (100%). The execution, attestation, and delivery of the Bond Purchase Agreement by the Mayor or City Manager and the City Clerk shall be conclusive evidence of the City's Approval of the optional redemption provisions contained therein relating to the Series 2022 Bonds.

Mandatory Sinking Fund Redemption

The Series 2022 Bonds consisting of Term Bonds, if any, shall be subject to mandatory redemption prior to maturity to the extent of the Amortization Requirements therefor at the principal amount of

such Series 2022 Bonds to be redeemed, plus accrued interest to the date fixed for redemption, but without premium, for which there is an Amortization Requirement due on such Series 2022 Bonds. The Amortization Requirements and redemption date or dates for the Series 2022 Bonds consisting of Term Bonds shall be approved and determined by the City Manager, all as set forth in a Details Certificate of the City Manager and in the Bond Purchase Agreement. The execution, attestation and delivery of the Bond Purchase Agreement by the Mayor or City Manager and the City Clerk shall be conclusive evidence of the City Commission's approval of the mandatory sinking fund redemption provisions contained therein relating to the Series 2022 Bonds.

Extraordinary Optional Redemption

The Series 2022 Bonds are subject to redemption prior to maturity at the option of the City, in part, at a redemption price equal to one hundred percent (100%) of the principal amount of the Series 2022 Bonds to be redeemed, without premium, plus accrued interest to the date fixed for redemption, to the extent of moneys remaining in the Construction Fund on September, 1, 2024 (or such date specified in the Bond Purchase Agreement and in the Details Certificate of the City Manager) (the "Determination Date") as a result of the City's inability to obtain the necessary easements required to undertake and complete the improvements on or for the benefit of properties abutting Mola Avenue in the Las Olas Isles Neighborhood (the "Extraordinary Optional Redemption Event"). Upon the City's election to exercise the extraordinary optional redemption described), it shall provide the Bond Registrar and the Paying Agent notice of such election not later than fifteen (15) days after the Determination Date and the Bond Registrar shall provide notice of redemption as required, so that the Series 2022 Bonds to be redeemed shall be redeemed not later than sixty (60) days following the Determination Date. If Series 2022 Bonds are to be redeemed, the Bond Registrar shall select the Series 2022 Bonds to be redeemed by lot, in such manner so as to exhaust as nearly as possible the moneys in the Construction Fund that gave rise to the Extraordinary Optional Redemption Event, while adhering to the Authorize Denominations applicable to the Series 2022 Bonds. The execution, attestation, and delivery of the Bond Purchase Agreement by the Mayor or City Manager and the City Clerk shall be conclusive evidence of the City's approval of the extraordinary optional redemption provisions contained therein relating to the Series 2022 Bonds.

Notice of Redemption

Mailing of Notice of Redemption. Except as otherwise provided in a Series Resolution, at least thirty (30) days before the redemption date of any Bonds, whether such redemption be in whole or in part, the City shall cause a notice of any such redemption signed by the Finance Director to be mailed, first class postage prepaid, to all Holders owning Bonds to be redeemed in whole or in part and to any Fiduciaries, at their addresses as they appear on the Registrar maintained by the Bond Registrar, but any defect in such notice or failure to mail any such notice to any Holder owning any Bonds shall not affect the validity of the proceedings for the redemption of any other Bonds. Each such notice shall set forth the name of the Bonds or portions thereof to be redeemed, the date fixed for redemption, the redemption price to be paid, the Series, and if less than all the Bonds to be redeemed, the CUSIP numbers, the name and address (including contact person and phone number) of the Fiduciary to which Bonds called for redemption are to be delivered and, if less than all of the Bonds of any one maturity then Outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Bonds is to be redeemed in part only, the notice of redemption shall also state that on or after the redemption date, upon surrender of such Bond, a new Bond in principal amount equal to the unredeemed portion of such Bond and of the same Series and maturity and bearing the same interest rate will be issued. Any notice provided herein shall be conclusively presumed to have been duly given, whether or not the owner of the Bond receives such notice.

In the case of any type of optional redemption, said redemption may be conditioned upon the occurrence or non-occurrence of a particular event, including, without limitation, the deposit with a Fiduciary of moneys sufficient to redeem all the Bonds called for redemption. In the case of any such conditional optional redemption (a "Conditional Redemption"), the corresponding notice of redemption shall state

that (1) it is conditioned upon the occurrence or non-occurrence of a particular event, briefly describing such event, or, if applicable, that it is conditioned on the deposit of moneys with a Fiduciary in an amount equal to the amount necessary to effect the redemption no later than the redemption date, and (2) the City retains the right to rescind such notice on or prior to the scheduled redemption date, and such notice and Conditional Redemption shall be of no effect if the event described in clause (1) does not occur/occurs, as the case may be, or such moneys are not so deposited, as applicable, and the notice is rescinded as described in this subsection, Any such notice of Conditional Redemption shall be captioned "Conditional Notice of Redemption." Any Conditional Redemption may be rescinded at any time prior to the redemption date if the Finance Director delivers a written direction to the Bond Registrar directing the Bond Registrar to rescind the redemption notice. The Bond Registrar shall give prompt notice of such rescission to the affected Bondholders. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure by the City to make such funds available shall constitute an event of default under this Resolution. The Bond Registrar shall give immediate notice to the securities information repositories and the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain Outstanding.

Effect of Redemption. On the date fixed for redemption, notice having been mailed in the manner and under the conditions hereinabove stated, provided that such notice of redemption has not been rescinded as permitted above, the Bonds or portions thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date. If on the date fixed for redemption money or Defeasance Obligations, or a combination of both, sufficient to pay the redemption price of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by a Depository in trust for the Holders of Bonds to be redeemed, interest on the Bonds called for redemption shall cease to accrue after the date fixed for redemption; such Bonds shall cease to be entitled to any benefits or security under this Resolution or to be deemed Outstanding; and the Holders of such Bonds shall have no rights in respect thereof except to receive (i) payment of the redemption price thereof, plus accrued interest to the date of redemption and (ii) a new Bond for any unredeemed portion thereof; provided, that such notice of redemption has not been rescinded, as permitted above. Bonds and portions of Bonds for which irrevocable instructions to pay or to call the redemption on one or more specified dates have been given to the Depository and the bond Registrar in form satisfactory to them shall not thereafter be deemed to be Outstanding under this Resolution and shall cease to be entitled to the security of or any rights under this Resolution, other than rights to receive payment of the redemption price thereof and accrued interest thereon, to be given notice of redemption in the manner provided, and to the extent hereinafter provided, to receive Bonds for any unredeemed portion of Bonds, if money or Defeasance Obligations, or a combination of both, sufficient to pay the redemption price of such Bonds or portions thereof, together with accrued interest thereon to the date upon which such Bonds are to be paid or redeemed, are held in separate accounts by the Depository in trust for the holders of such Bonds.

If a portion of an Outstanding Bond shall be selected for redemption, the Holder thereof or such Holder's attorney or legal representative shall present and surrender such Bond to the Bond Registrar for Payment of the principal amount thereof so called for redemption and the redemption premium, if any, on such principal amount, and the City shall execute and the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or such owner's legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a new Bond of the same Series and maturity and bearing interest at the same rate.

WATER AND SEWER SYSTEM

History

The Water System. Approximately one year after the City's incorporation in 1911, the City's water system (the "Water System") began operations, serving less than 100 people. The original Water System was replaced with a larger well, pumping station and treatment plant in 1919. In 1926 construction of the Dixie Water Treatment Plant (now known as the Walter E. Peele-Dixie Water Treatment Plant) (the "Peele-Dixie WTP") began and such facility was enlarged in 1939 to a capacity of 14 million gallons per day ("mgd"). The number of customer accounts served by the Water System nearly doubled between 1935 and 1945 and again by 1950, growing from 2,365 in 1935 to 5,721 in 1945, and to 11,577 by 1950. In 1950 the City purchased the Fiveash Water Treatment Plant (the "Fiveash WTP") and increased its capacity from 8 mgd to 16 mgd in 1958. By the early 1970s, the capacity of the Peele-Dixie WTP was increased to 20 mgd, and the Fiveash WTP to 40 mgd. Together these water treatment plants provided service to approximately 35,700 customers. The Fiveash WTP was expanded to 64 mgd in the early 1980s and subsequently to its current design of 70 mgd of design capacity as the Water System neared capacity.

In 1953 the City began providing water service to other nearby communities when the City entered into a contract with the Town of Lauderdale-by-the-Sea. Prior to 2008, Lauderdale-by-the-Sea owned the water lines within its boundaries and the City of Fort Lauderdale maintained those lines and otherwise provided retail water service to the residents of that community. In 2008, the City purchased the water lines it previously leased from Lauderdale-by-the-Sea. The City continues to provide retail water service to the residents of the Town of Lauderdale-by-the-Sea.

Other entities also purchase water from the City under similar arrangements, including the Village of Sea Ranch Lakes and parts of unincorporated Broward County. Together, the Town of Lauderdale-by-the-Sea and the Village of Sea Ranch Lakes comprise less than four percent (4%) of the total population served by the Water System. The number of retail customers that the City serves in unincorporated Broward County also comprises a small percentage of the total population served by the Water System.

Several other entities purchase water from the City on a wholesale or bulk user basis through a master meter or have emergency interconnects. These entities include the cities of Oakland Park and Wilton Manors and portions of the City of Tamarac, the Town of Davie, unincorporated Broward County and Broward County's Port Everglades. The agreements for water supply between these entities and the City all have 30-year terms, except for the agreement with the City of Wilton Manors, which has a 25-year term. Such contracts collectively represent approximately 26.1% of the City's total water production. Set forth below is a listing of such contracts, their current expiration dates and the percentage of total consumption of the Water System represented by each contract. The City expects to enter into a new long-term arrangement with each of the entities set forth below when the current wholesale or bulk user contracts expire.

Water User Contracts

<u>Large User</u>	<u>Effective Dates of Agreement</u>	<u>% of Total Water System Consumption⁽¹⁾</u>

TOTAL		<u>18.20</u>

Source: City of Fort Lauderdale, 2022 Biennial Engineer's Report.

(1) Total metered consumption in Fiscal Year 2022 amounted to approximately 8.298 billion gallons.

(2) Since 2004, the City has provided retail water service to some tenants at Broward County's Port Everglades but also continues to provide wholesale water service at Port Everglades.

The Sewer System. Prior to construction of the G. T. Lohmeyer Wastewater Treatment Plant (the "Lohmeyer WWTP") in the 1970s, the Sewer System of the City (the "Sewer System") was comprised of numerous small sewer treatment facilities housed at various locations around the City. The construction of the Sewer System began in 1927 but, due to the impacts of a hurricane and local economic downturn, was not completed until 1937. In the 1940s and 1950s, the population of the City grew more rapidly than the Sewer System. As a result, new developments were often served by septic systems. By the late 1950s, the City began to expand the Sewer System to serve all areas of the City. Most new developments subsequent to 1950 were required to install sanitary sewers.

Expansion of the wastewater collection system was limited until 1957, when the City began expanding the Sewer System into unserved areas, beginning from the beach area and extending west. However, expansion of the gravity wastewater system slowed considerably in the late 1970s and 1980s, as available capital funds were used to consolidate and upgrade the wastewater treatment plants of the Sewer System. Currently, almost all of the City's neighbors are connected, or have access, to the Sewer System.

Construction of the Lohmeyer WWTP began in the mid-1970s. The Lohmeyer WWTP was designed to serve the entire City, as well as the City of Oakland Park, the City of Wilton Manors, Broward County's Port Everglades, portions of the Town of Davie and portions of the City of Tamarac. The City has negotiated contractual agreements with each of these large regional Sewer System users. In March 2022, the City entered into new agreements with each of the large regional Sewer System users. These new contracts are now scheduled to expire on March 31, 2042. To date, none of the large regional users of the Sewer System have indicated any intentions to seek alternative sources of wastewater treatment. After constructing the Lohmeyer WWTP, the City closed all of the smaller wastewater treatment facilities that had previously been used to operate the Sewer System. The Lohmeyer WWTP has a permitted three-month average daily flow (TMADF) capacity of 56.6.

Organizational Structure

Organization and Management. Operation of the Water System and the Sewer System is the responsibility of the City's Public Works Department. In addition, the Public Works Department manages operation of the City's stormwater drainage system and solid waste collection system. The Public Works Department currently employs approximately 485 full-time equivalent staff and is composed of four (4) Divisions: Strategic Support, Utilities, Sustainability and Engineering.

The Utilities Division is responsible for operation of the Water System and Sewer System. The two subdivisions within the Utilities Division are: (i) Distribution and Collection (which operates and maintains the potable water distribution facilities and sewer collection and pumping facilities); (ii) Treatment (which operates the Peele-Dixie WTP, the Fiveash WTP, the Lohmeyer WWTP, the associated wellfields, and the environmental lab) and the process control engineers.

The Sustainability Division operates the solid waste and recycling activities, fleet services, stormwater, environmental and regulatory affairs and sustainability and climate resilience, including implementation of the City's Sustainability Action Plan (which articulates the City specific "green" goals, strategies and performance indicators, reflects how sustainability will be integrated into all levels of City decision-making and establishes a system of accountability). The division serves as an internal business consultant to other City departments to integrate sustainable practices and climate resiliency in their daily operations.

The Engineering Division provides for engineering design, construction and project management of capital community investment and public right-of-way projects. The division ensures that projects are in compliance with approved plans, specifications and applicable building codes and meet high standards of quality, delivery time and cost. The division provides engineering and project management services for water, sewer, and stormwater capital improvement projects and includes the design management and construction management subdivisions. The Director's office, constituting the Strategic Support Division, is responsible for financial services and utilities support activities, including budget, utilities finance, human resources and payroll, meter reading, and operation and management of the City's 24-hour customer service center.

COL (R) Alan Dodd currently serves as the Director of Public Works Department for the City of Fort Lauderdale. He has held that position since September 2021. In his previous position he served as the Deputy Public Works Director. Before serving the City of Fort Lauderdale, Mr. Dodd served as Chief Resilience Officer and Director, Department of Resilience and Public Works for the City of Miami. COL Dodd retired after 28 years of service in the United States Army, culminating with his final assignment as District Engineer for the Jacksonville District, United States Army Corps of Engineers. He has over 30 years of experience with a proven record of engineering, administrative and management skills at both the federal and municipal level. Mr. Dodd has a Bachelor of Science degree in Civil Engineering from The United States Military Academy at West Point, NY, a Master of Science degree in Civil Engineering and Construction Management from Pennsylvania State University, and a Master of Strategic Studies in National Policy from the United States Army War College in Carlisle, PA. He is a registered professional engineer in the State of Florida. He is also a member of the American Society of Civil Engineers and the American Public Works Association.

Each of the Department's four divisions is headed by a Deputy or Assistant Public Works Director.

Training Programs and Certifications. The City has an active training program for its field crews and operation and maintenance staff, including monthly safety meetings and quarterly courses on various safety-related subjects. The Florida Administrative Code requires all Distribution and Collection field crew leaders that work in water distribution and perform duties that could affect water quantity or quality be licensed by the State of Florida as a condition of their employment. All such employees, as well as all the operators of the Water and Wastewater Treatment facilities are licensed and certified by the State of Florida. The City also requires that treatment operator vacancies be filled by licensed operators or by individuals who agree to train to be licensed operators. The George T. Lohmeyer WWTP is ISO 14001 and ISO 9001 compliant.

The Utilities Division's Environmental Laboratory provides daily sampling and testing services for the Water and Sewer System. The Environmental Laboratory is certified by the Florida Department of Health, Bureau of Public Health Laboratory and by the Florida Department of Environmental Protection ("FDEP") for collecting environmental water samples and conducting water quality analyses. Additionally, the Utilities Division's Environmental Laboratory is accredited through the National Environmental Laboratory Accreditation Program (NELAP) and the International Organization for Standardization (ISO 17025).

Government Regulations

The Water System and the Sewer System are subject to federal, state, regional and local regulation. Federal regulatory jurisdiction is vested in the United States Environmental Protection Agency (the "EPA"). The Water System must comply with the Federal Safe Drinking Water Act. However, the EPA has delegated the primary responsibility for enforcement of drinking water standards to the Florida Department of Environmental Protection. The Sewer System must comply with the Federal Water Pollution Control Act and the 1977 Clean Water Act Amendments. The EPA has retained jurisdiction over the enforcement of the federal laws and delegated the enforcement to FDEP.

Locally, the Broward County Department of Environmental Protection and Growth Management (DEPMG) has its own licensing system for wastewater plants and monitoring enforcement processes. The county works in coordination with the Florida Department of Environmental Protection (FDEP) that also maintains permitting and monitoring enforcement. In addition, the FDEP now has jurisdiction over the treatment of potable water.

Water and Sewer Rates

The City has historically had an increase of 5% for services of the Water and Sewer System that became effective on each of October 1 for Fiscal Years 2016, 2017, 2018 and 2019, respectively.

In Fiscal Year 2018 a comprehensive rate study was conducted by Stantec Consulting Services, Inc. ("Stantec") to evaluate the water and sewer systems long term financial sustainability and recommend rate structures modernization. The financial sustainability analysis ensured that the system could meet all ongoing obligations such as budgeted operating expenses, budgeted capital improvements, existing debt service and minimum reserve targets with its current income level; or if necessary, identifies required additional revenue to allow for the system to be sustainable. Stantec also performed a water and wastewater residential bill survey of comparable communities within the City's surrounding geographic area. The survey results indicated that the City's current and projected typical single-family utility bill at average usage levels, falls in the middle of the market range.

As a result of the analysis and recommendations developed in the 2018 Rate Study, the City Commission adopted an annual rate adjustment indexing policy for services of the Water and Sewer System. The annual rate adjustments include a 3.6% increase in water rates and a 7.0% increase in sewer rates per annum beginning on 10/1/2020. The rate increases will generate approximately 5.0% more revenue per annum for the utility system in total, consistent with the level of increases in the recent past. For Fiscal Year 2020 (beginning 10/1/2019), the City adopted several rate structure modifications that were recommended in the 2018 Rate Study which ensures the City's conformance with industry best practices, underlying customer characteristics and long-term sustainability objectives. The modified rates were designed to be revenue neutral, providing no incremental increase in revenues for the utility in Fiscal Year 2020 while the rate structure changes were implemented.

Stantec recommended that the City adopt the annual rate revenue indexing adjustments each year beginning in Fiscal Year 2021 to cover all operating and capital expenses, provide sufficient debt coverage and maintain an operating reserve equal to three (3) months of operations and maintenance expenses such that the long-term sustainability of the water and sewer system is preserved. As part of the City's Fiscal Year 2021 financial planning activities in support of its Fiscal Year 2022 operating and capital budgeting process, Stantec recommended that the City adopt an additional 5% increase to its annual water rate indexing adjustment beginning in Fiscal Year 2022 in anticipation of a new water treatment facility. This additional increase was approved by the City Commission and the new water rate indexing adjustment of 8.6% per year has been implemented as recommended.

The City's contracts with the large users of the Sewer System specify the basis to be used for the annual calculation of regional wastewater treatment rates. These contracts specify that the rates will be based on the regional system's budgeted costs. Budgeted costs include a component for the CIP, based on a renewal and replacement analysis of the wastewater treatment facilities, which is updated annually. At the end of each Fiscal Year, the rates are recalculated and each user is provided either a credit or an additional charge to equate their total bill to their proportionate share of the regional system's total costs for that year. The contracts for bulk water service do not specify the basis for their rate calculations. As such, in between periodic cost of service or rate studies, the City adjusts the rates for bulk users of the Water System by the same annual rate increases applied to the Water System's retail customers.

March 1, 2048	10,370,000
September 1, 2048 (Final Maturity)	10,555,000

Mailing of Notice of Redemption: At least thirty (30), but not more than sixty (60), days before the date set for redemption of any Series 2018 Bonds, either in whole or in part, a notice of such redemption, signed by the Finance Director, shall be (a) filed with the Bond Registrar and (b) mailed, first class mail, postage prepaid, to all registered owners of Series 2018 Bonds to be redeemed at their addresses as they appear on the registration books maintained by the Bond Registrar, but failure to mail any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall specify the redemption date, the redemption price and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2018 Bonds are to be redeemed, the numbers or other distinguishing marks of such Series 2018 Bonds to be redeemed in part only, and the respective portions thereof to be redeemed. Such notice shall further state that on the redemption date there shall become due and payable upon each of the Series 2018 Bonds to be redeemed the redemption price or the specified portions thereof, in the case of Series 2018 Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest shall cease to accrue and be payable on such Series 2018 Bonds or portions thereof so redeemed.

In the case of an optional redemption of the Series 2018 Bonds, any notice of redemption may state that (i) it is conditioned upon the deposit of moneys with the Paying Agent or an escrow agent, no later than the redemption date, in an amount equal to the amount necessary to effect the redemption; or (ii) the City retains the right to rescind such notice of redemption on or prior to the scheduled redemption date (in either case, a “Conditional Redemption”), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described herein. Any notice of Conditional Redemption shall be captioned “Conditional Notice of Redemption.” Any Conditional Redemption may be rescinded at any time prior to the redemption date if the Finance Director delivers a written direction to the Paying Agent directing the Paying Agent to rescind the redemption notice. The Paying Agent shall give prompt notice of such rescission to the affected Bondholders. Any Series 2018 Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure by the City to make such funds available shall constitute an Event of Default. The Paying Agent shall give immediate notice to the securities information repositories and the affected Bondholders that the redemption did not occur and that the Series 2018 Bonds called for redemption and not so paid remain outstanding.

In the event that only part of the principal sum of any Series 2018 Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of such Series 2018 Bond to the Bond Registrar. Upon surrender of such Series 2018 Bond, the Bond Registrar shall execute and deliver to the registered owner thereof, at the designated office of the Bond Registrar, new duly executed Series 2018 Bonds, of authorized principal sums equal in aggregate principal amount to, and of the same maturity and interest rate as, the unredeemed portion of the Series 2018 Bond surrendered.

Effect of Redemption. On the date so designated for redemption, notice having been mailed and filed in the manner and under the conditions described in the Resolution, the Series 2018 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2018 Bonds on such redemption date and, moneys for payment of the redemption price being held in separate accounts by the Bond Registrar or by a separate financial institution designated as escrow agent in trust for the Holders of the Series 2018 Bonds to be redeemed, interest on the Series 2018 Bonds so called for redemption shall cease to accrue, such Series 2018 Bonds shall cease to be entitled to any lien, benefit or security under the Resolution and the Holders or registered owners of the Series 2018 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and accrued interest thereon.

As long as a book-entry system is used for determining beneficial ownership of Series 2018 Bonds, notice of redemption will be sent to DTC. DTC will be responsible for notifying the DTC Participants, which will in turn be responsible for notifying the Beneficial Owners. Any failure of DTC to notify any DTC Participant, or of any DTC Participant to notify the Beneficial Owner of any such notice, will not affect the validity of the redemption of the Series 2018 Bonds.

Mailing of Notice of Redemption: At least thirty (30), but not more than sixty (60), days before the date set for redemption of any Series 2016 Bonds, either in whole or in part, a notice of such redemption, signed by the Finance Director, shall be (a) filed with the Bond Registrar and (b) mailed, first class mail, postage prepaid, to all registered owners of Series 2016 Bonds to be redeemed at their addresses as they appear on the registration books maintained by the Bond Registrar, but failure to mail any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall specify the redemption date, the redemption price and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2016 Bonds are to be redeemed, the numbers or other distinguishing marks of such Series 2016 Bonds to be redeemed in part only, and the respective portions thereof to be redeemed. Such notice shall further state that on the redemption date there shall become due and payable upon each of the Series 2016 Bonds to be redeemed the redemption price or the specified portions thereof, in the case of Series 2016 Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest shall cease to accrue and be payable on such Series 2016 Bonds or portions thereof so redeemed.

In the case of an optional redemption of the Series 2016 Bonds, any notice of redemption may state that (i) it is conditioned upon the deposit of moneys with the Paying Agent or an escrow agent, no later than the redemption date, in an amount equal to the amount necessary to effect the redemption; or (ii) the City retains the right to rescind such notice of redemption on or prior to the scheduled redemption date (in either case, a “Conditional Redemption”), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described herein. Any notice of Conditional Redemption shall be captioned “Conditional Notice of Redemption.” Any Conditional Redemption may be rescinded at any time prior to the redemption date if the Finance Director delivers a written direction to the Paying Agent directing the Paying Agent to rescind the redemption notice. The Paying Agent shall give prompt notice of such rescission to the affected Bondholders. Any Series 2016 Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure by the City to make such funds available shall constitute an Event of Default. The Paying Agent shall give immediate notice to the securities information repositories and the affected Bondholders that the redemption did not occur and that the Series 2016 Bonds called for redemption and not so paid remain Outstanding.

In the event that only part of the principal sum of any Series 2016 Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of such Series 2016 Bond to the Bond Registrar. Upon surrender of such Series 2016 Bond, the Bond Registrar shall execute and deliver to the registered owner thereof, at the designated office of the Bond Registrar, new duly executed Series 2016 Bonds, of authorized principal sums equal in aggregate principal amount to, and of the same maturity and interest rate as, the unredeemed portion of the Series 2016 Bond surrendered.

Effect of Redemption. On the date so designated for redemption, notice having been mailed and filed in the manner and under the conditions described in the Resolution, the Series 2016 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2016

Bonds on such redemption date and, moneys for payment of the redemption price being held in separate accounts by the Bond Registrar or by a separate financial institution designated as escrow agent in trust for the Holders of the Series 2016 Bonds to be redeemed, interest on the Series 2016 Bonds so called for redemption shall cease to accrue, such Series 2016 Bonds shall cease to be entitled to any lien, benefit or

security under the Resolution and the Holders or registered owners of the Series 2016 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and accrued interest thereon.

As long as a book-entry system is used for determining beneficial ownership of Series 2016 Bonds, notice of redemption will be sent to DTC. DTC will be responsible for notifying the DTC Participants, which will in turn be responsible for notifying the Beneficial Owners. Any failure of DTC to notify any DTC Participant, or of any DTC Participant to notify the Beneficial Owner of any such notice, will not affect the validity of the redemption of the Series 2016 Bonds.

Notice of Redemption

Mailing of Notice of Redemption: At least thirty (30), but not more than sixty (60), days before the date set for redemption of any Series 2014 Bonds, either in whole or in part, a notice of such redemption, signed by the Finance Director, shall be (a) filed with the Bond Registrar and (b) mailed, first class mail, postage prepaid, to all registered owners of Series 2014 Bonds to be redeemed at their addresses as they appear on the registration books maintained by the Bond Registrar, but failure to mail any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall specify the redemption date, the redemption price and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2014 Bonds are to be redeemed, the numbers or other distinguishing marks of such Series 2014 Bonds to be redeemed in part only, and the respective portions thereof to be redeemed. Such notice shall further state that on the redemption date there shall become due and payable upon each of the Series 2014 Bonds to be redeemed the redemption price or the specified portions thereof, in the case of Series 2014 Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest shall cease to accrue and be payable on such Series 2014 Bonds or portions thereof so redeemed.

In the case of an optional redemption of the Series 2014 Bonds, any notice of redemption may state that (i) it is conditioned upon the deposit of moneys with the Paying Agent or an escrow agent, no later than the redemption date, in an amount equal to the amount necessary to effect the redemption; or (ii) the City retains the right to rescind such notice of redemption on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described herein. Any notice of Conditional Redemption shall be captioned "Conditional Notice of Redemption." Any Conditional Redemption may be rescinded at any time prior to the redemption date if the Finance Director delivers a written direction to the Paying Agent directing the Paying Agent to rescind the redemption notice. The Paying Agent shall give prompt notice of such rescission to the affected Bondholders. Any Series 2014 Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure by the City to make such funds available shall constitute an Event of Default. The Paying Agent shall give immediate notice to the securities information repositories and the affected Bondholders that the redemption did not occur and that the Series 2014 Bonds called for redemption and not so paid remain Outstanding.

In the event that only part of the principal sum of any Series 2014 Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of such Series 2014 Bond to the Bond Registrar. Upon surrender of such Series 2014 Bond, the Bond Registrar shall execute and deliver to the registered owner thereof, at the designated office of the Bond Registrar, new duly executed Series 2014 Bonds, of authorized principal sums equal in aggregate principal amount to, and of the same maturity and interest rate as, the unredeemed portion of the Series 2014 Bond surrendered.

Effect of Redemption. On the date so designated for redemption, notice having been mailed and filed in the manner and under the conditions described in the Resolution pursuant to which the Series 2014 Bonds were issued, the Series 2014 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2014 Bonds on such redemption date and, moneys for payment of the redemption price being held in separate accounts by the Bond Registrar or by a separate financial institution designated as escrow agent in trust for the Holders of the Series 2014 Bonds to be redeemed, interest on the Series 2014 Bonds so called for redemption shall cease to accrue, such Series 2014 Bonds shall cease to be entitled to any lien, benefit or security under the Resolution pursuant to which the Series 2014 Bonds were issued, and the Holders or registered owners of the Series 2014 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and accrued interest thereon.

As long as a book-entry system is used for determining beneficial ownership of Series 2014 Bonds, notice of redemption will be sent to DTC. DTC will be responsible for notifying the DTC Participants, which will in turn be responsible for notifying the Beneficial Owners. Any failure of DTC to notify any DTC Participant, or of any DTC Participant to notify the Beneficial Owner of any such notice, will not affect the validity of the redemption of the Series 2014 Bonds.

CITY OF FORT LAUDERDALE, FLORIDA
2017 WATER & ENERGY CONSERVATION
EQUIPMENT LEASE PURCHASE AGREEMENT

Dated: January 5, 2017

Purpose

The purpose of this transaction is to provide financing to the Lessee for the acquisition, construction, and installation of water and energy conservation measures (collectively, the “Equipment”) under a guaranteed savings energy performance contract (the “EPC”) with Honeywell Building Solutions (“Honeywell”).

Security

This transaction will be structured as a tax-exempt equipment lease purchase agreement (“Lease/Purchase”) between the Lessee and Lessor. Repayments under the Lease/Purchase shall be absolute and unconditional, subject only to annual appropriation of funds by the Lessee’s governing body and in accordance with the laws of the State of Florida. Subject to annual appropriation, repayment of the Lease/Purchase will be made from the Lessee’s General Fund plus any legally available funds of the Lessee.

Per Florida Statutes, the Lessor will not retain a first priority security interest in the Equipment. In the event of default, the Lessee will be required to return the Equipment to the Lessor. Lessee shall be required to maintain the Equipment free and clear of other liens, to insure the Equipment, to promptly repair or replace any damaged or destroyed Equipment and to pay applicable taxes.

Prepayment Option

With 30 days advance notice, Lessee has the option to prepay the transaction in whole, but not part, by paying the applicable Termination Value which shall be calculated as starting at 102% of the outstanding principal balance of the Lease/Purchase and will step down to 101% in 2025 and to 100.5% in 2027.

Lessor: Banc of America Public Capital Group

2017 RADIO COMMUNICATIONS EQUIPMENT
LEASE PURCHASE AGREEMENT**

Dated: August 22, 2017

Purpose

The Equipment Lease Purchase Agreement (Lease) was utilized to fund the acquisition of upgraded radio equipment for the City. This equipment is essential to provide mission-critical two-way voice communication for the City's Public Safety entities. The equipment is replacing existing equipment in order to maintain interoperability on the City's radio system and Broward County's current system.

Security

Lessee's staff will request funding each year as a part of Lessee's budget process. It is Lessee's intent to make Lease Payments for the full Lease Term if funds are legally available therefor and in that regard Lessee represents that the Equipment will be used for one or more authorized governmental or proprietary functions essential to its proper, efficient and economic operation.

Lessee's obligation to make Lease Payments and to pay any other amounts payable under this Lease constitutes a current obligation payable only to the extent permitted by law and exclusively from legally available funds and shall not be construed to be an indebtedness within the meaning of any applicable constitutional or statutory limitation or requirement. Lessee has not pledged and will not pledge its full faith and credit or its taxing power to pay any Lease Payments or any other amounts under this Lease. Neither Lessor nor any Assignee (described below) may compel the levy of any ad valorem taxes by Lessee to pay Lease Payments or any other amounts under this Lease.

Purchase Option

Provided that no Event of Default has occurred and is continuing, or no event, which with notice or lapse of time, or both could become an Event of Default, then exists, Lessee will be released from all of Lessee's obligations under this Lease upon the payment to Lessor, on such date, of the Lease Payment then due together with the Balance Payment amount set forth opposite such date, whereupon this Lease shall terminate. Lessor shall relinquish all of Lessor's rights and remedies under this Lease, and all right, title, and interest in the Equipment will continue to be vested in Lessee.

OTHER DEBT FINANCING

\$70,500,000

**CITY OF FORT LAUDERDALE, FLORIDA
LINE OF CREDIT
(STORMWATER SYSTEM IMPROVEMENTS)**

Dated: February 12, 2020

Purpose

The Non-Revolving Credit Note was issued for the purpose of (i) financing on an interim basis a portion of the cost of the design, development, acquisition, construction, extension, enlargement, improvement, renovation, equipping and furnishing of Improvements for the Stormwater System and (ii) paying the costs of issuance of the Non-Revolving Credit Note.

Security

The source of repayment or security for the Non-Revolving Credit Note is a pledge of Net Revenues of the Stormwater System and all amounts in the Sinking Fund, and any investment earnings on amounts in the Revenue Fund and in the Sinking Fund.

Form

On February 12, 2020, the City entered into a non-revolving line of credit agreement in the amount of \$70,500,000 with PNC Bank, National Association. The interest rate on the non-revolving line of credit is subject to change based on a variable rate per annum equal to seventy-nine percent (79%) of the Federal Funds Effective Rate, plus seventy-six basis points (0.0076). The variable rate will adjust daily according to changes in the Federal Funds Effective Rate and shall not exceed the maximum interest rate permitted by the laws of the State of Florida. The non-revolving line of credit provides a full ten-year term-out at the conclusion of the draw period. The term-out would be priced at the Prime Rate plus 1% and can be paid off at any point without penalty. Final maturity date on the non-revolving line of credit is February 12, 2035.

Par Amount Outstanding as of September 30, 2022: \$6,448,315

Lender/Bondholder: PNC Bank, National Association

Prepayment Options

No principal shall be due and payable on any Loan during the Draw Period. The Draw Period means the period of time during which a Draw may be made under this Agreement, which shall commence on the Closing Date and continue until (and including) the Draw Period Termination Date. During the Term Period, principal shall be due and payable on each Loan on each Principal Payment Date in accordance with the Principal Amortization Schedule. The Term Period means the period commencing on the day immediately after the Draw Period Termination Date and ending on the Maturity Date. The City may prepay the Loans during the Draw Period or the Term Period without penalty or premium, in whole or in part at any time, or from time to time, by giving notice to the Lender by 11:00 a.m. on the fifth (5th) Business Day before such prepayment is to be made and by paying to the Lender the principal amount thereof to be prepaid together with accrued interest to the date of prepayment.

State Revolving Fund Loans

In addition to the issuance of Bonds, in connection with improvements to the Water and Sewer System, the City has borrowed funds from the State of Florida revolving loan program (the "SRF"). Although not currently contemplated, the City may obtain additional SRF loans for capital needs in the future. Such SRF loans have not been incurred by the City; and are not expected to be incurred by the City in the future, as Additional Bonds or Alternative Parity Debt under the Resolution authorizing the issuance of Bonds for the Water and Sewer System. As a result, such SRF loans are currently, and if obtained in the future are expected to be, payable from and secured by Net Revenues on a basis that is junior and subordinate to the pledge of and lien on Net Revenues in favor of the Bonds or Alternative Parity Debt issued, or to be issued, under the Resolution authorizing the issuance of Bonds for the Water and Sewer System.

The City began borrowing funds through the SRF loan program in 2003. The SRF program has lending rates that are approximately fifty-five percent (55%) of the average for the municipal bond cost index. The low market rate makes this financing source attractive though there are additional administrative costs associated with the SRF loan program. The SRF source of funding has been limited because of demand and other circumstances beyond the City's control. The City maximized its use of this funding source, which is projected to result in reduced costs of approximately \$30 million over the life of the loans when compared to revenue bonds. The City has executed SRF loan agreements totaling almost \$104 million, with approximately \$102 million available for capital improvement funding, of which nearly all available funds have been expended.

In 2016, all amounts outstanding for two of the City's five SRF loans, were prepaid by part of the proceeds from the Water and Sewer Revenue and Revenue Refunding Bonds, Series 2016. The prepaid loans were the City's first two SRF loans: the 2003 SRF loan, and the 2004 SRF loan. An annual debt service of approximately \$3.9 million for the total remaining outstanding SRF loans is payable by the City through FY 2028.

SUBSEQUENT EVENTS

General Obligation Bonds, Series 2022A

On December 21, 2022, the General Obligation Bonds, Series 2022A, were issued in the amount of \$53,895,000 to (i) finance a portion of the costs of the development, design, acquisition, construction, enlargement, renovation, equipping, installation, improvement and furnishing of parks and recreation projects within the City, and (ii) pay the costs of issuance related to the Series 2022A Bonds. The issue provides for semi-annual principal and interest payments with an interest rate of 5.0% and a final maturity date on July 1, 2052.

General Obligation Bonds, Series 2022B

On December 21, 2022, the General Obligation Bonds, Series 2022A, were issued in the amount of \$7,950,000 to (i) provide for a current refunding of a portion of the City's outstanding General Obligation Bonds, Series 2011A, and (ii) pay the costs of issuance related to the Series 2022B Bonds. The issue provides for semi-annual principal and interest payments with an interest rate of 5.0% and a final maturity date on July 1, 2035.

Natural Tropical Event

On April 12, 2023, the City of Fort Lauderdale experienced a natural tropical event with no advance notice, that resulted in flash flooding in multiple areas of the City. The severe flooding caused approximately 26 inches of rain across the Fort Lauderdale Metropolitan Area in a short period of time. The City's drainage system is designed to handle 3" of rain within a 24-hour period; however, several neighborhoods in the City experienced rainfall levels at or above 11".

It became apparent throughout the day this would not be a routine or uneventful rainstorm. In response to the event, City leaders immediately took proactive steps to mitigate the damage. By day's end, the City activated its Emergency Operations Center (EOC) and emergency management staff began executing emergency operation plans to ensure the safety of lives and property. Additionally, the City issued a Proclamation of a "Local State of Emergency".

As a result of the excessive rainfall, several areas of the Fort Lauderdale community experienced significant wind and flood related damages. In addition to the community damage, the City experienced significant to catastrophic damage to the City Hall building, located at 100 N. Andrews Ave., which caused the displacement of three hundred City staff members.

On April 27, 2023, President Biden approved the request to declare a major disaster in Florida. As a result, federal aid will be made available to residents and city governments affected by the flood in Broward County.

Although the full financial impact of the storm on the City is not fully known currently, it is substantially mitigated by the various required and supplemental flood and property insurance policies (\$25M) that the City carries on its assets. This is also augmented by the President's Declaration of Emergency authorizing FEMA reimbursement for expenses not covered by insurance.

In the short to mid-term timeframe, the City Government took lessons learned during the COVID 19 Pandemic and creatively reallocated floor space it currently owns and or leases, while simultaneously instituting a work from home/hybrid program to provide temporary workspace for the approximate three hundred staff members displaced from City Hall.

Currently, City leadership is assessing the long-term options for permanent office spaces and a new City Hall facility, as well as placing new emphasis on accelerating the City's Stormwater Master Plan initiatives.

Police Line of Credit

On May 23, 2023, the City entered into a Non-Revolving Line of Credit in the amount of \$45,500,000 with Regions Capital Advantage, Inc. The City will use the line of credit to provide interim financing for the construction of a new Police and Public Safety headquarters building and parking garage. There is no principal due and payable on the loan during the draw period, which is the two-year period terminating on May 23, 2025. The draw interest rate is a variable rate per annum equal to seventy nine percent (79%) of One-Month Term SOFR, plus thirty four basis points (.0034) and is due and payable semi-annually commencing on July 1, 2023. The term period commences on May 24, 2025. The term period interest rate is fixed per annum equal to 79% of the prevailing Term Period Rate Index, plus sixty basis points (.0060). The issue provides for semi-annual principal and interest payments with interest ranging from 4.0% to 5.0% and final maturity on July 1, 2048.
