*****Important message regarding conducting business with the City of Fort Lauderdale** * READ BELOW**

The Procurement Services Division has "GONE LIVE" with a new supplier registration and strategic sourcing system.

The Procurement Services Division has implemented an Enterprise Resource Planning (ERP) system. The ERP System is INFOR. As an enterprise system, one of the various modules is the Supplier Portal.

The Supplier Portal is the gateway that allows for the City and Suppliers to connect and conduct business. The Supplier Portal is a one-stop electronic commerce exchange enabling suppliers interested in conducting business with the City to register as a supplier, respond to sourcing events/solicitations, and update their supplier information at any time.

*****NOTE*****

The introduction of this new platform results in the City of Fort Lauderdale no longer using BidSync. All current and future suppliers must now register in INFOR to receive electronic notifications of sourcing events/solicitations, such as an informal quote, Invitation to Bid, Request for Proposals, or Request for Qualifications. All current and new suppliers must register in the Infor system immediately.

BIDDERS/PROPOSERS MUST Click ON the below link to start THE supplier registration process to avoid any delays in submitting your bid/proposal IN INFOR.
