

WATERWAY INSPECTIONS FY24

Waterway inspections are conducted by certified inspectors who protect City of Fort Lauderdale's 165 miles of navigable waterways. Inspections are received from neighbor-based complaints or proactive searches.

Common waterway violations include, but are not limited to: Illegal dock rentals and liveabroads, docks in disrepair, obstructions of the waterway & setbacks, Illegal work on vessels and life safety hazards.

Property Address	Business Name	Date Visited	Case Number	Complaint	Violation Found	Current Status
2840 NE 55 ST	RESIDENTIAL	1/3/2023	CE23110594	SEAWALL BREACHING	RESEARCH NEEDED	REINSPECTION
