

**CITY OF FORT LAUDERDALE
CENTRAL CITY REDEVELOPMENT ADISORY BOARD (CCRAB)**

RESCHEDULED REGULAR MEETING

MONDAY, October 9, 2023

3:30 P.M.

**LOCATION: CRA OFFICE - 2nd FLR CONFERENCE ROOM
914 SISTRUNK BOULEVARD, FORT LAUDERDALE, FL 33311**

I.	The Pledge of Allegiance	Ray Thrower Chair
II.	Call to Order & Determination of Quorum	Ray Thrower Chair
III.	Introduction of Board Members	Ray Thrower Chair
IV.	Motion to Approve Regular Meeting Minutes September 6, 2023	CCRAB Chair
V.	Informational Presentation	Troy Liggett President Middle River Terrace Neighborhood Association
VI.	Program and Project Status Updates 1) Commercial Incentives Program 2) Façade and Landscape Program 3) NE 4 th Avenue Streetscape Improvement Project 4) Road Closure Light Installation Project 5) Rezoning Project	Cija Omengebar CRA Planner
VII.	Communication to City Commission	Ray Thrower CCRAB Chair
VIII.	Motion to Nominate and Select Chair and Vice Chair Positions	Cija Omengebar CRA Planner
IX.	Old / New Business • Miscellaneous • November Agenda Recommended Items	Cija Omengebar CRA Planner
X.	Motion to Adjourn	CCRAB Members

THE NEXT CCRAB REGULAR MEETING WILL BE HELD ON WEDNESDAY – November 1, 2023

Purpose: To review the Plan for the Central City CRA and recommend changes; make recommendations regarding the exercise of the City Commission's powers as a community redevelopment agency in order to implement the Plan and carry out and effectuate the purposes and provisions of Community redevelopment Act in the Central City Redevelopment CRA; receive input from members of the public interested in redevelopment of the Central City Redevelopment CRA and to report such information to the City Commission sitting as the Community Redevelopment Agency.

Note: Two or more Fort Lauderdale City Commissioners or Members of the City of Fort Lauderdale Advisory Board may be in attendance at this meeting.

Note: If any person decides to appeal any decision made with respect to any matter considered at this public meeting or hearing, he/she will need a record of the proceedings and for such purpose he/she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. Anyone needing auxiliary services to assist in participation at the meeting should contact the City Clerk at (954) 828-5002, two days prior to the meeting.

Note: Advisory Board members are required to disclose any conflict of interest that may exist with any agenda item prior to the item being discussed.

Note: If you desire auxiliary services to assist in viewing or hearing the meeting or reading agendas or minutes for the meetings, please contact the City Clerk's Office at 954-828-5002 and arrangements will be made to provide these services.

I. The Pledge of Allegiance

**Ray Thrower
Chair**

THE PLEDGE OF ALLEGIANCE

"I pledge allegiance to the flag of the United States of America,
and to the republic for which it stands,
one nation under God,
indivisible,
with liberty and justice for all."

II. Call to Order & Determination of Quorum

III. Introduction of Board Members

**IV. Motion to Approve Regular Meeting Minutes
September 6, 2023**

CITY OF FORT LAUDERDALE

DRAFT
REGULAR MEETING MINUTES
CITY OF FORT LAUDERDALE
CENTRAL CITY REDEVELOPMENT ADVISORY BOARD
WEDNESDAY, SEPTEMBER 6, 2023 – 3:30 PM
ADMINISTRATIVE FIRE STATION #11,
528 NW 2nd STREET,
FORT LAUDERDALE, FL 33311

Board Members	Present/Absent	Cumulative Attendance	
		September 2023	August 2024
Ray Thrower, Chair	P	1	0
Edward Catalano	P	1	0
Linda Fleischman	P	1	0
Justin Greenbaum	P	1	0
Jason Hoffman	A	0	1
Christina Robinson	P	1	0
Nikola Stan	P	1	0

At this time, there are 7 appointed members to the Board; therefore, 4 constitute a quorum.

Staff:

- Clarence Woods, CRA Manager
- Cija Omengebar, CRA Planner/Liaison
- Anthony Fajardo, Assistant City Manager
- Alfred Battle, Deputy Director, Department of Sustainable Development
- Mark Alvarez, consultant, Corradino Group (via Zoom)
- Vanessa Martin, CRA Business Manager
- Laura Reece, Director, Office of Management and Budget
- Tania Bailey-Watson, CRA Senior Administrative Assistant
- Carla Blair, Recording Secretary, Prototype Inc.

Others:

- Troy Liggett, president, Middle River Terrace Neighborhood Association
- Lin Morgan, president, South Middle River Civic Association
- Jaime Sturgis
- Rey Vivas
- Javier Concha
- Frank Scott
- Moshe Y
- Carlton Smith

Communication to the City Commission:

None

I. Pledge of Allegiance

Board members recited the pledge of allegiance.

II. Call to Order & Determination of Quorum

Chair Thrower called the meeting to order at 3:35 p.m. Roll was called, and it was noted that a quorum was present.

III. Introduction of Board Members and Staff

Board members and staff introduced themselves.

IV. Approval of Meeting Minutes

- Regular Meeting: August 2, 2023

Motion by Mr. Catalano, seconded by Mr. Stan to approve the minutes of the August 2, 2023 meeting. In a voice vote, motion passed unanimously.

V. Rezoning Phase II Status Update

Mark Alvarez, consultant, Corradino Group, provided a Power Point presentation, a copy of which is attached to these minutes for the public record. Mr. Alvarez explained the Land Use Plan Amendment process. He said the Zoning Code must be consistent with the Comprehensive Plan. Where it was not possible to rezone because of the Comprehensive Plan, they could use Flex Units. Board members, Mr. Alvarez and Mr. Fajardo discussed utilizing Flex Units, Regional Activity Centers (RACs), and the affordable housing requirement. Mr. Fajardo said if they developed a mixed-use land use (which they did not currently have) and allocated Flex Units to that land use, they would only be available in that use area (the CRA).

Mr. Catalano said the proposal included NW 7th Avenue but he did not think that was a mixed-use street. Mr. Alvarez clarified that the mixed-use would only apply from Sunrise Boulevard up to NW 11 Street.

Ms. Fleishman asked how mixed-use would work and Mr. Alvarez stated often there would be vertical mixed use, where the ground floor would be commercial with residential and/or more commercial uses above. Mr. Fajardo said the scale would be similar to Flagler Village. Mr. Battle described how properties could be converted from residential to commercial, such as restaurants or art galleries. Chair Thrower thought the original vision was a “mini Flagler Village.”

Motion made by Mr. Catalano, seconded by Ms. Fleishman, to open discussion to the public. In a voice vote, motion passed unanimously.

Javier Concha said he lived on NE 3rd Avenue, between 13th and 11th Streets, and asked where the new boundary would be. He said the mixed-use would force him to move out. He wanted the City to build more single-family homes and parks. He suggested incentives

to owners to improve existing homes. Mr. Avarez stated both sides of NE 3rd Avenue would be mixed-use between Sunrise and 11th Street, and between 11th Street and 13th Street, only the east side of NE 3rd Avenue would be mixed-use.

Troy Liggett stated the Middle River Terrace Neighborhood Association supported the work of the CRA. He noted the neighborhood had changed in the 10 years since the CRA was set up to do the rezoning. He said 13th Street was 80% redeveloped already and they did not want it to be like Flagler Village. Mr. Liggett claimed Mr. Alvarez was creating a plan based on "somebody else's notes and no neighborhood input." He distributed a map he called "the consensus plan" that the neighborhoods agreed with and described their ideas for rezoning.

Lin Morgan stated the South Middle River Civic Association felt the rezoning between NE 4th Avenue and Powerline Road was needed to improve their blight and crime issues. She said they did not feel included in the conversations though. Development between Sunrise Boulevard and 11th Avenue was a must.

Rey Vivas said there were multiple issues in fostering development. He discussed development he was planning and said there was a shortage of Flex Units. He stated the required parking now did not make sense.

VI. Central City Budget Discussion - Vanessa Martin, CRA Business Manager
Ms. Martin had distributed a budget package to Board members. She stated the adopted fiscal year 2024 budget was a total of \$1,061,800, \$658,00 of which was for incentives.

Laura Reece, Office of Management and Budget Director, described how the CRA was funded and how it had changed over the years, as taxable values grew. She stated at the end of 2022, the CRA's estimated fund balance was approximately \$880,000. They estimated the amount left in the budget at the end of 2023 would be \$1.4 million, so the - estimated available balance would be approximately \$2.2 - \$2.3 million. Mr. Catalano asked if they could increase the size of the CRA and Mr. Fajardo said this was possible, but it was an extensive process and cost money. Mr. Woods said this would also take considerable time.

Ms. Martin stated in November, she would have more accurate numbers to provide the Board.

VII. Communication to City Commission
None

VIII. Motion to Reschedule Oct. 4th Meeting
Alternative Dates:
1) Monday, October 9th
2) Wednesday, October 11th

Motion made by Mr. Catalano, seconded by Mr. Stan, to schedule the Board's next meeting for Monday, October 9. In a voice vote, motion passed unanimously.

IX. Old/New Business

- Miscellaneous
 - Streetlight Installation Project

Ms. Omengebar stated they had \$12,000 in the budget for this but they needed \$28,000. She hoped they would have the additional funds after Ms. Martin cleaned up the budget in November.

- Façade And Landscape Update

Ms. Omengebar reported they still had \$150,000 in the budget for this. They had concentrated on residential properties on Northwest 5th Avenue between NW 11th Street and Sunrise Boulevard. They wanted to see how much interest there was before expanding the program to other streets.

- North 4th Ave. Project flyer

Ms. Omengebar said the project had started the previous day and would take approximately one year to complete. Since there was no road work taking place, she said only the bike lane would be blocked.

- November Special Meeting (contingent on budget clean up)

Ms. Omengebar would schedule a special meeting only if the budget cleanup was not completed in time for their regular meeting.

- Caution Sunshine Law Violation

Ms. Omengebar asked everyone to review the information provided in the backup. She cautioned Board members that they could only discuss items at their public meetings.

- October 9 Agenda Suggestions
 - Ms. Omengebar stated the October meeting would be at the CRA building.
 - Discuss and Prioritize November topics
 - Mr. Stan wished to discuss Mr. Liggett's "consensus plan" the neighborhoods had agreed to for rezoning.

IX. Adjournment

There being no further business, the meeting was adjourned at 5:31 p.m.

The next meeting will be held on October 9, 2023.

V. Informational Presentation

**Troy Liggett

Neighborhood Association**

Central City Redevelopment
Advisory Board Meeting
Oct. 9, 2023

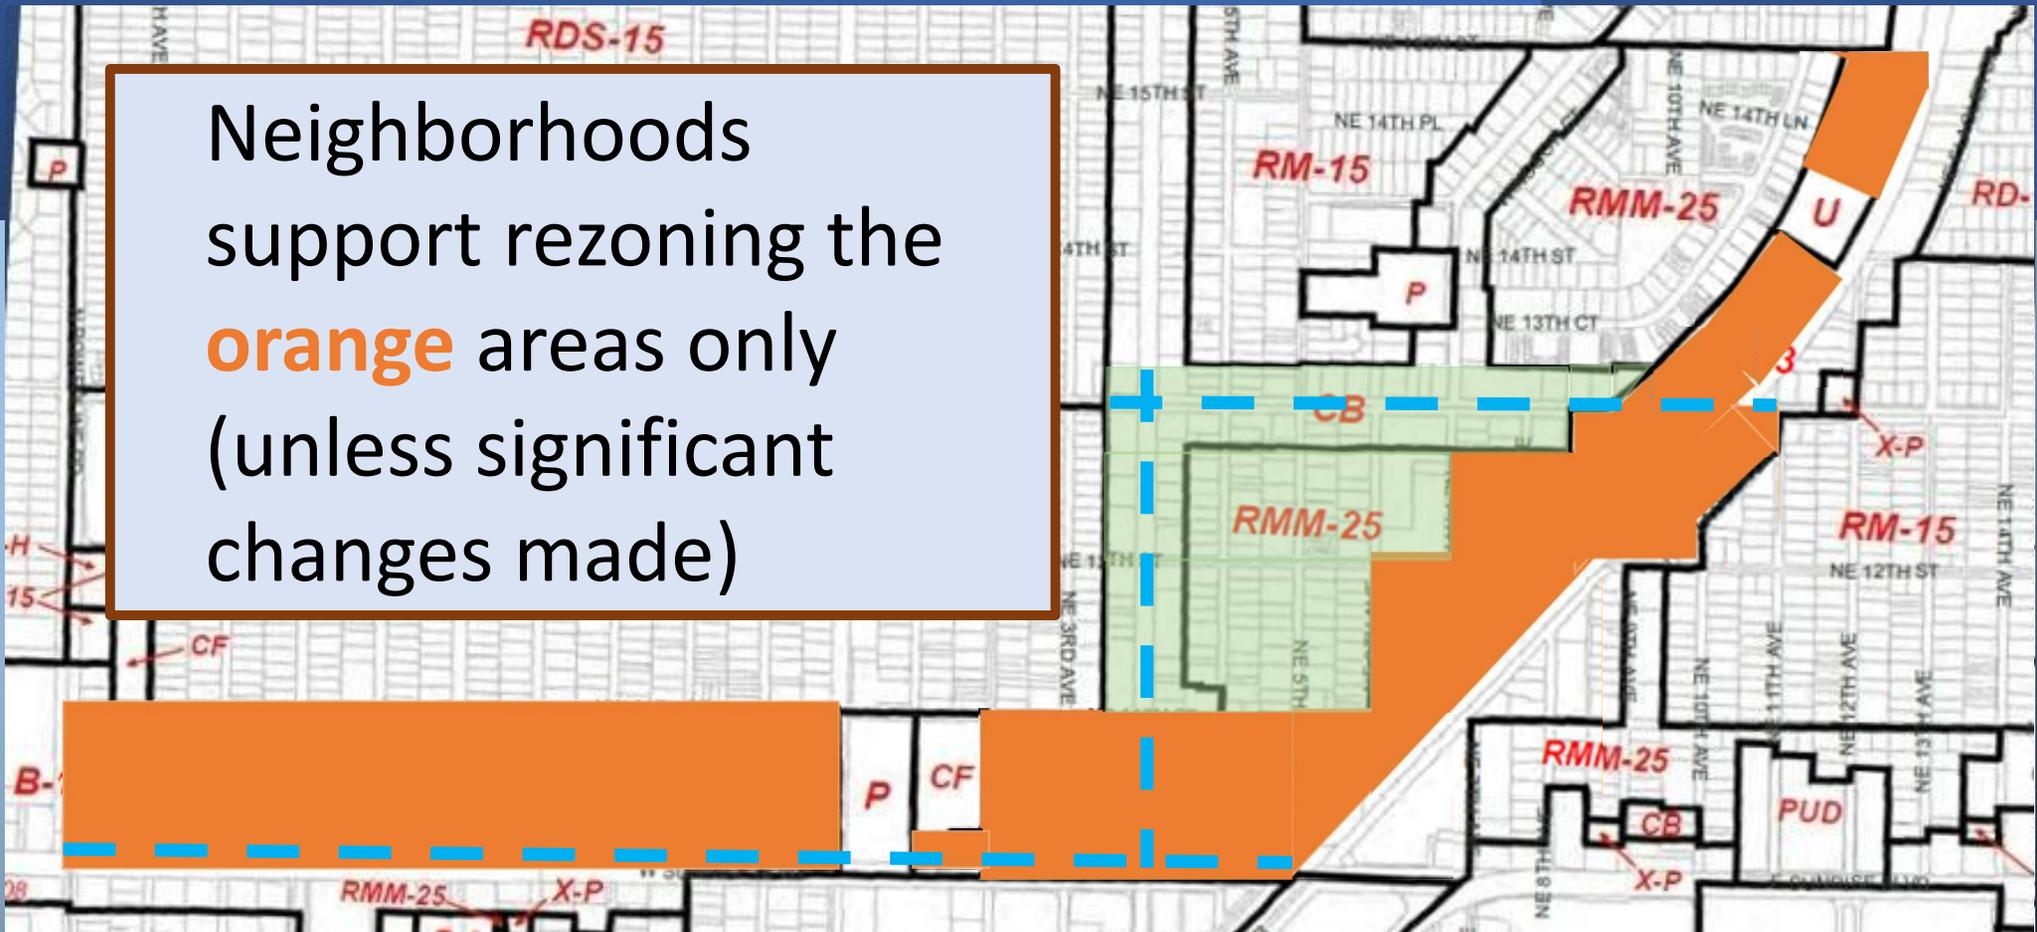

Neighborhood Consensus Rezoning Plan

Troy Liggett
President
Middle River Terrace
Neighborhood Association

Neighborhoods support rezoning the **orange** areas only (unless significant changes made)

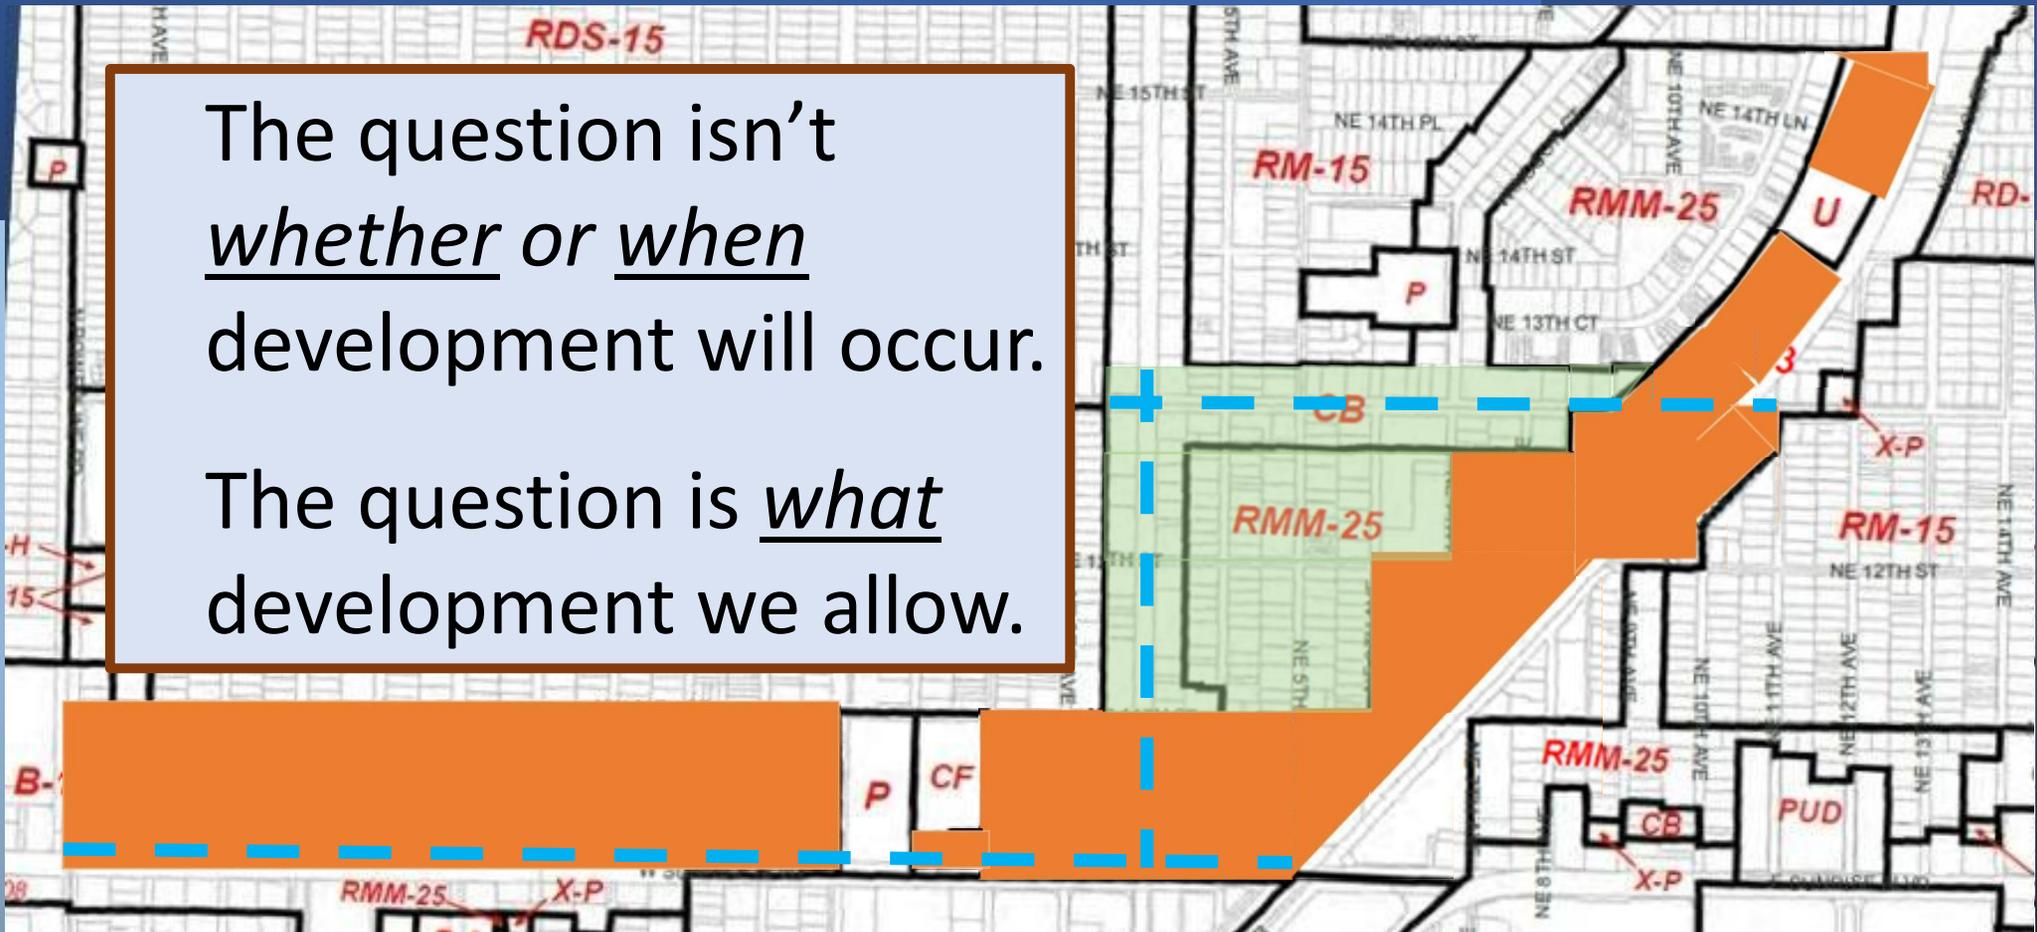

GOAL

Vibrant business corridors that compliment and support our neighborhoods

The question isn't whether or when development will occur. The question is what development we allow.

Necessary Changes for NE 13TH Street Corridor

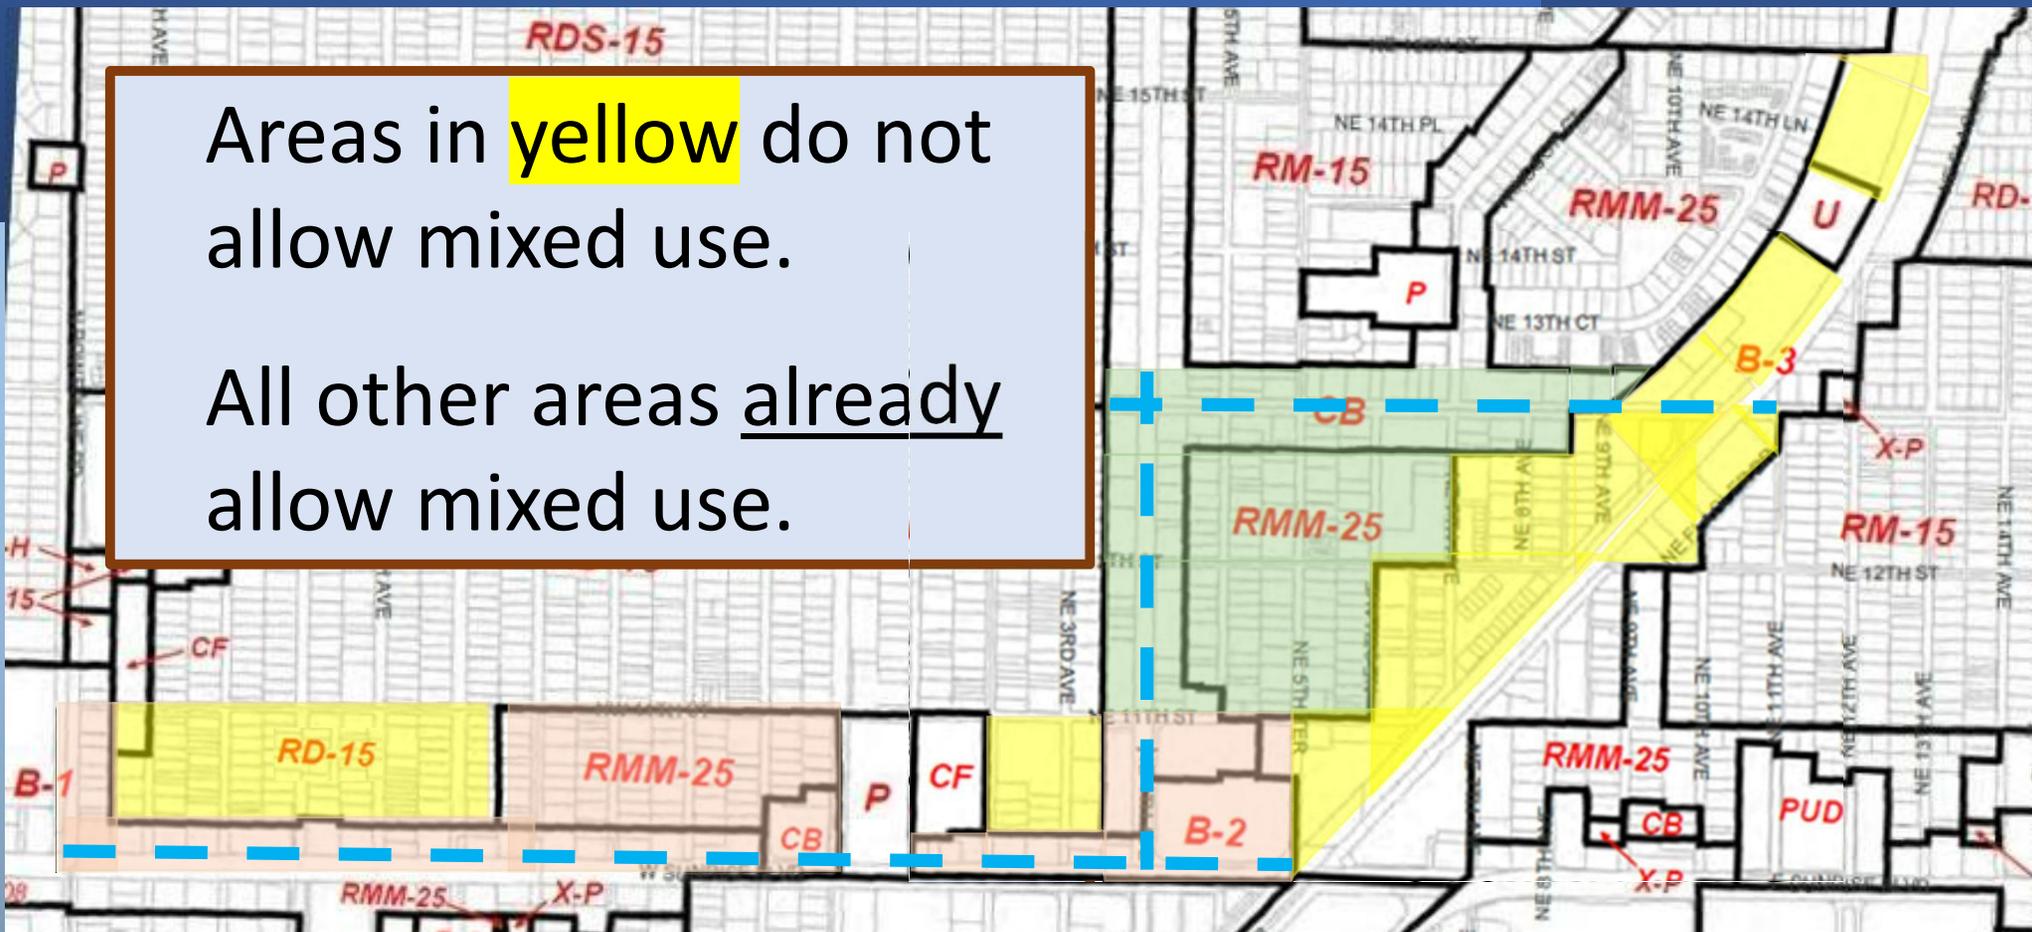

- ✓ *Significantly limit assemblage*
- ✓ *Height – 55' MAX*
- ✓ *Require setback/stepbacks around existing single-family and low-density multi-family homes*
- ✓ *NO automobile sales or service, warehousing, storage, or artisanal industry allowed*
- ✓ *Allow stand-alone uses on thoroughfares*
- ✓ *No stand-alone business uses on side streets*
- ✓ *Require ample parking*

7

Mixed Use is
Already Allowed
in Most Areas

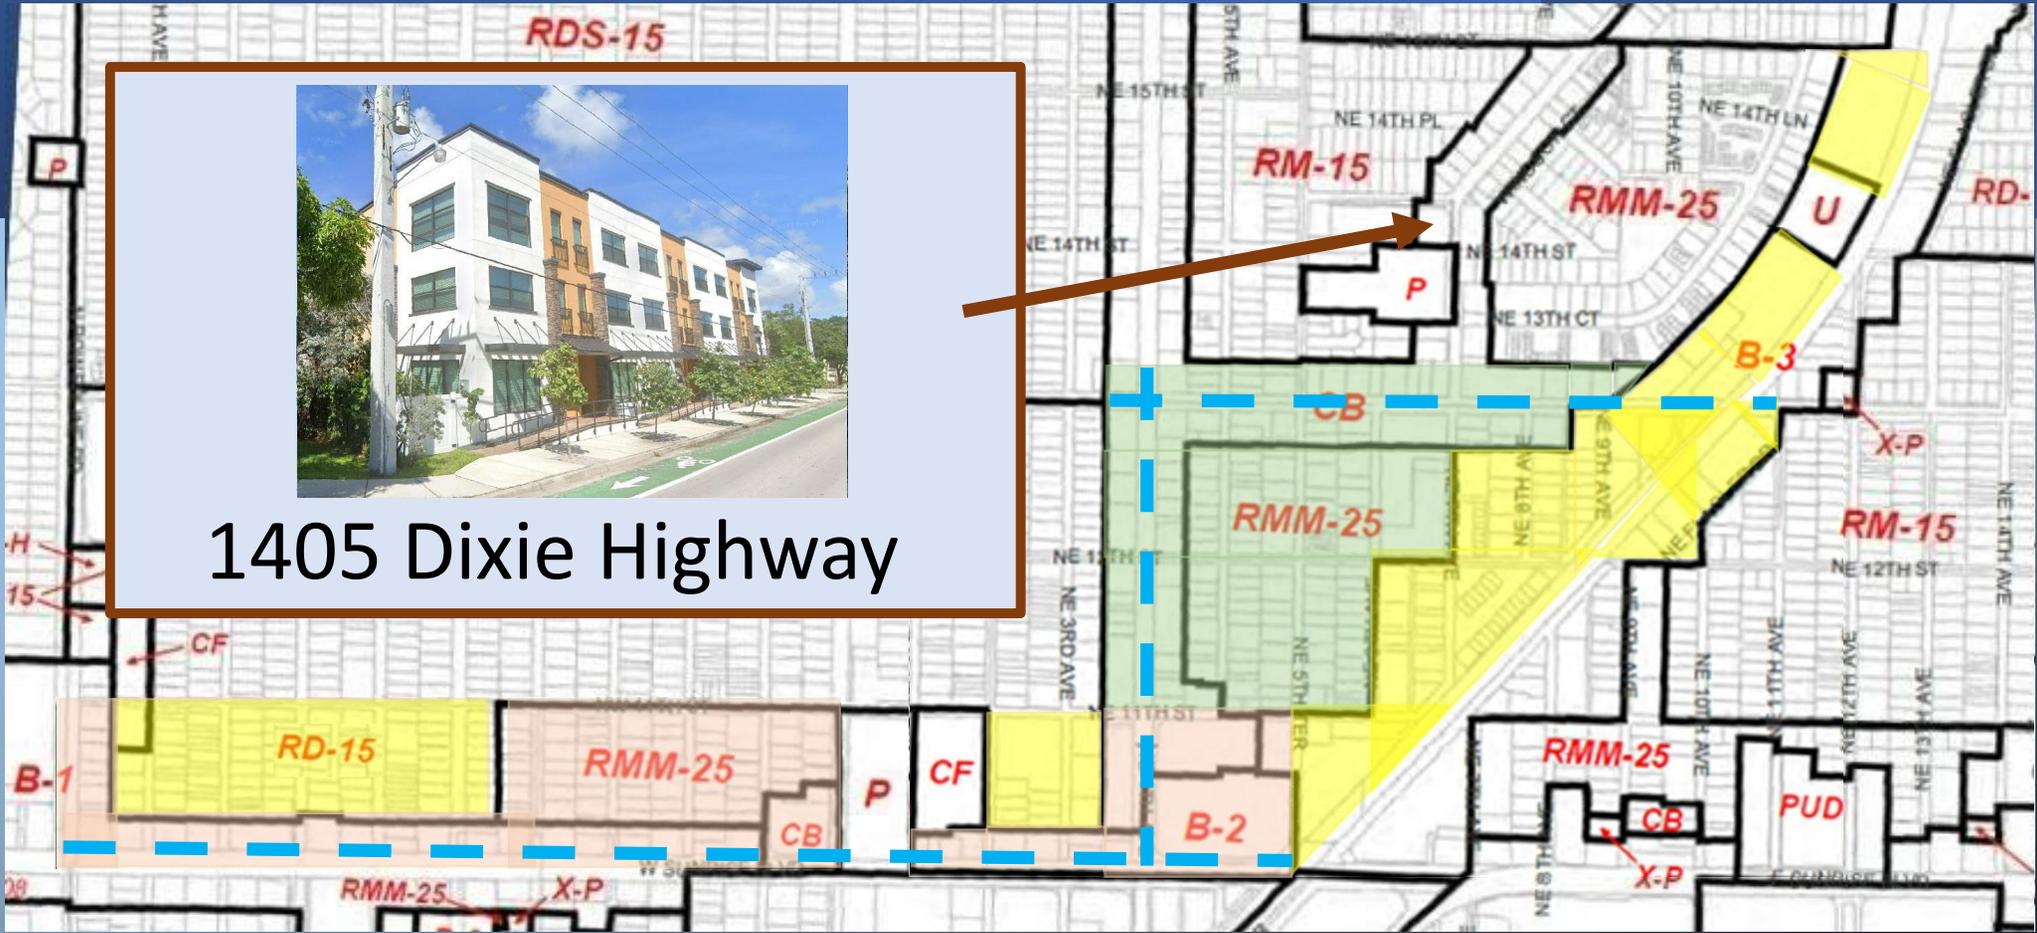

Areas in yellow do not allow mixed use.
All other areas already allow mixed use.

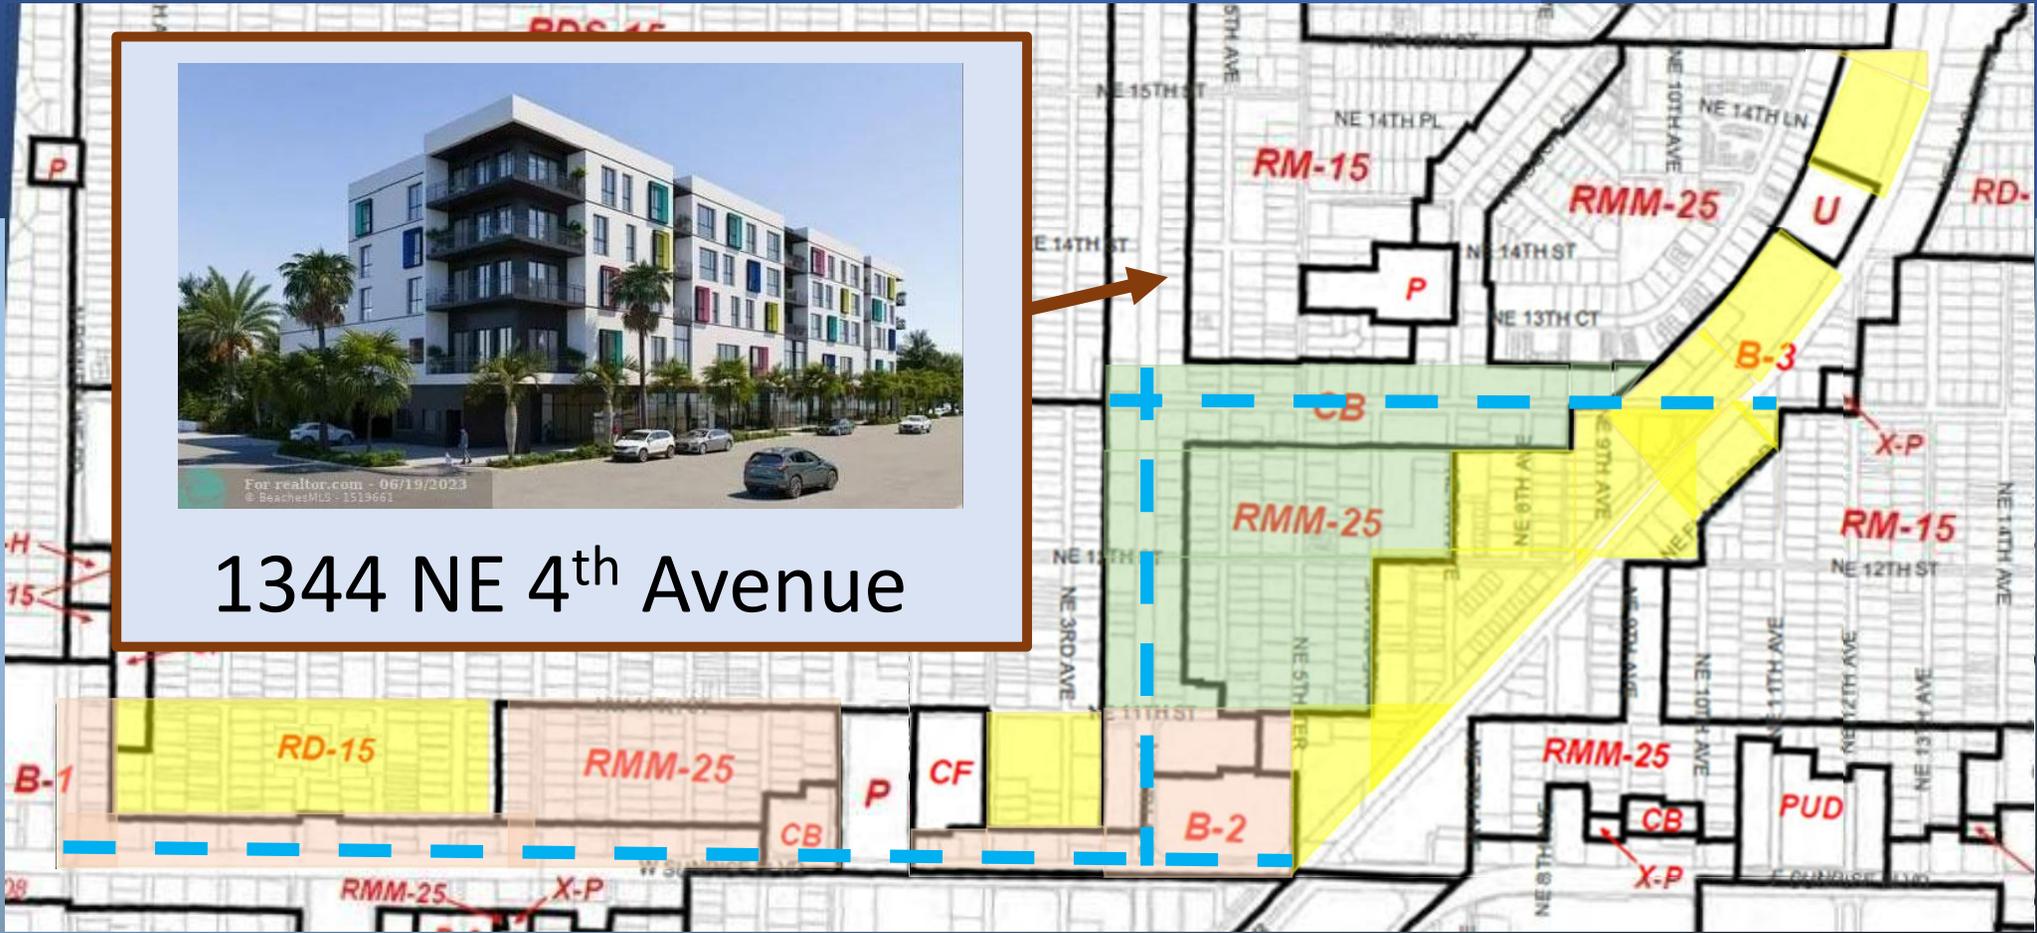

1405 Dixie Highway

1344 NE 4th Avenue

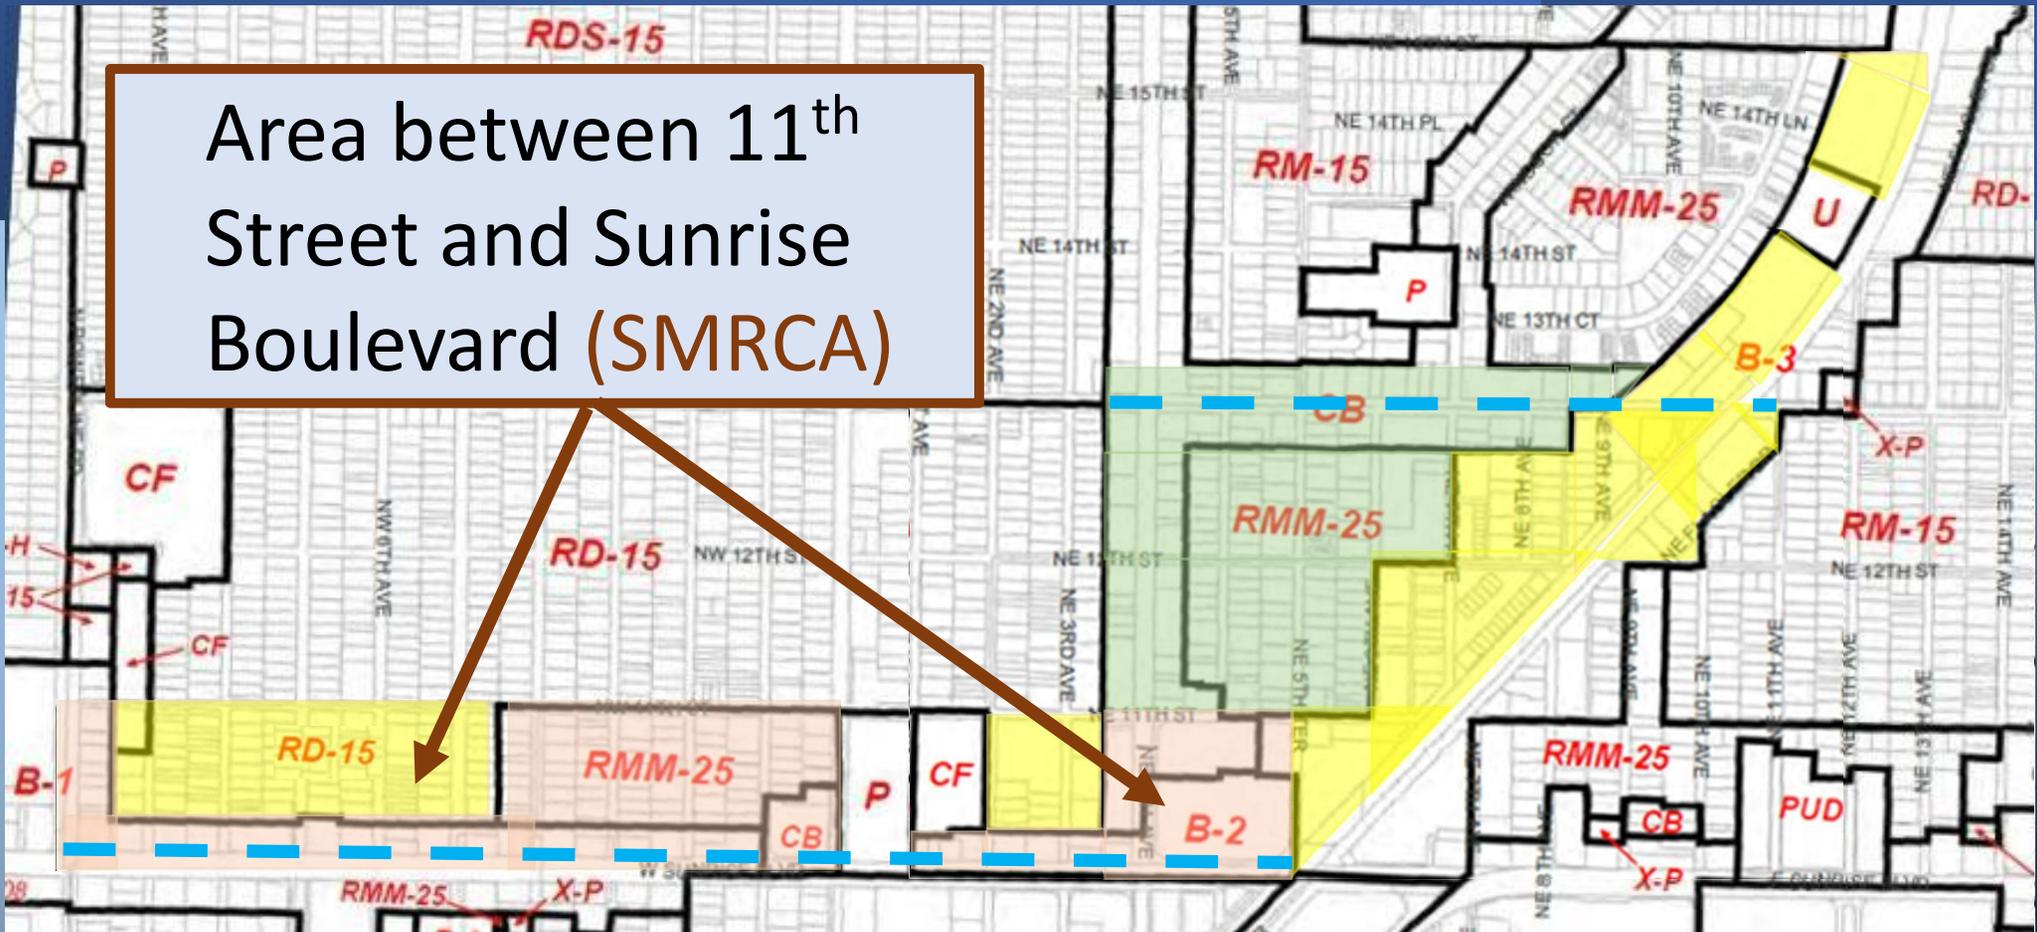

Neighborhoods' Plan Allows Mixed Use Everywhere

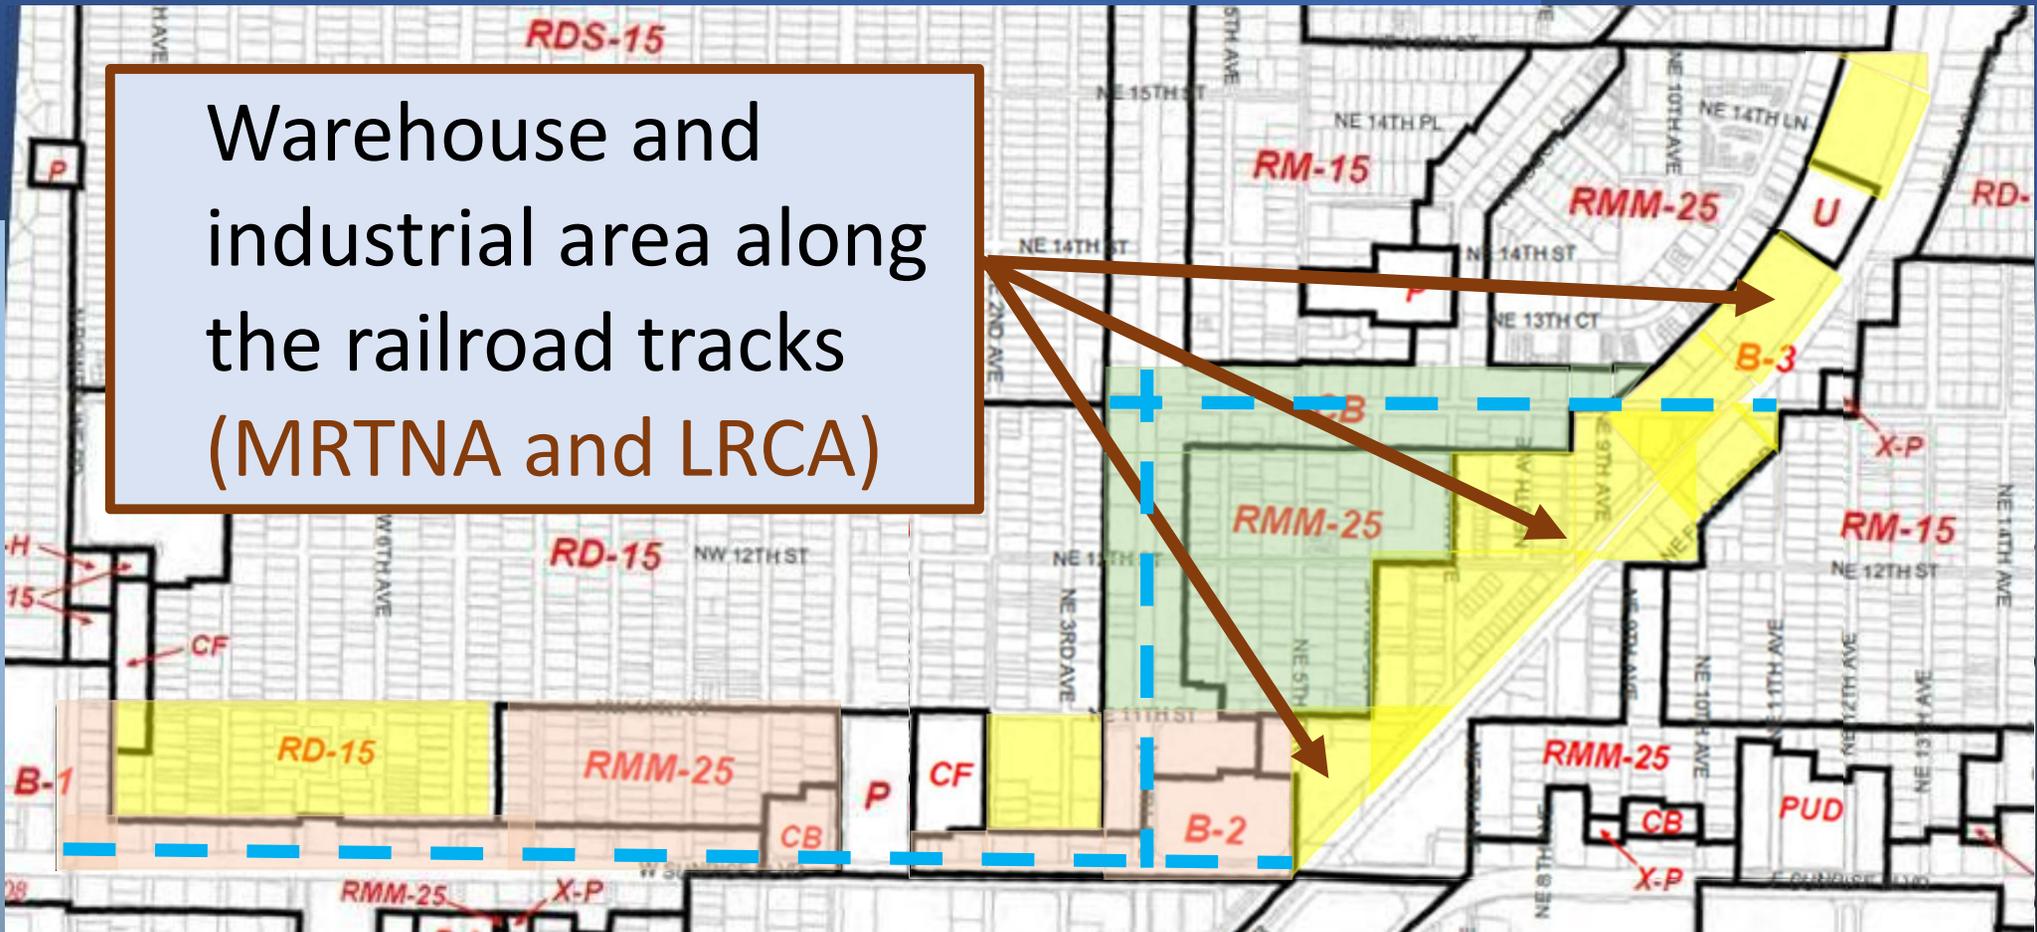

One-Size-Fits-All
Doesn't
Make Sense

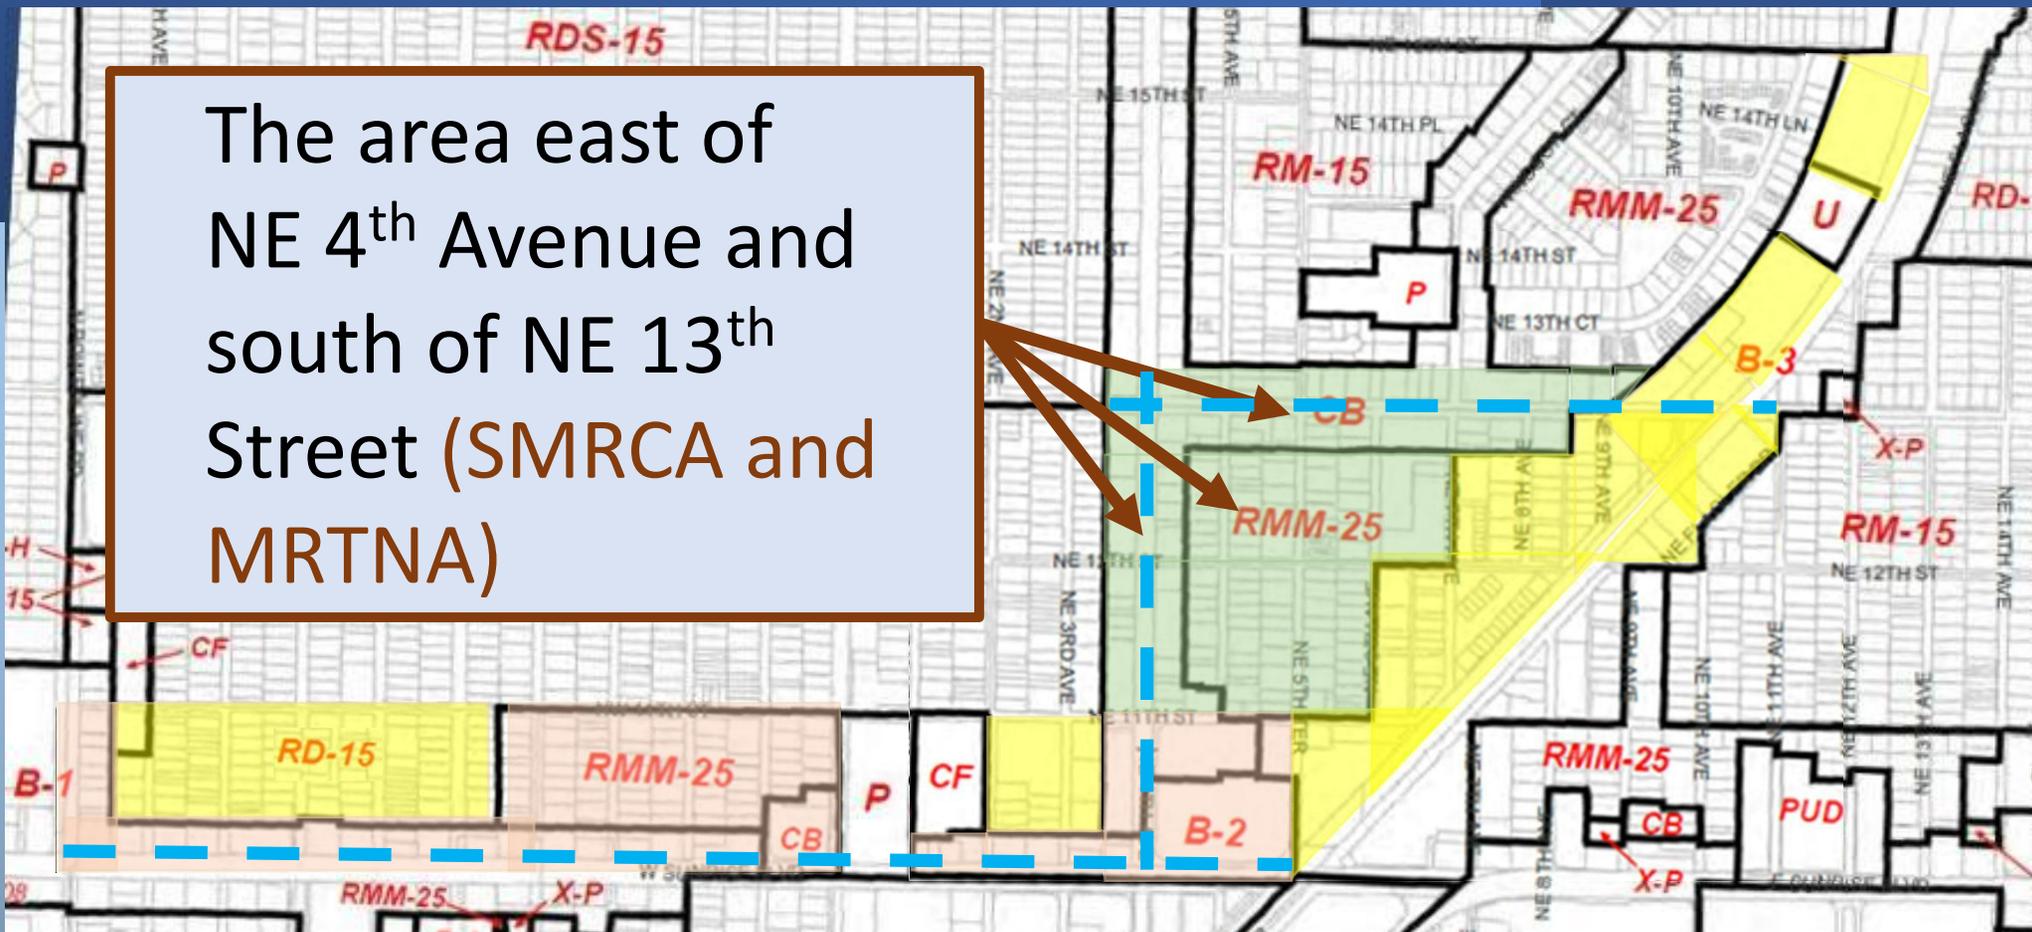

Area between 11th Street and Sunrise Boulevard (SMRCA)

Warehouse and industrial area along the railroad tracks (MRTNA and LRCA)

The area east of NE 4th Avenue and south of NE 13th Street (SMRCA and MRTNA)

Preserve
character of
NE 13th Street
“Main Street”

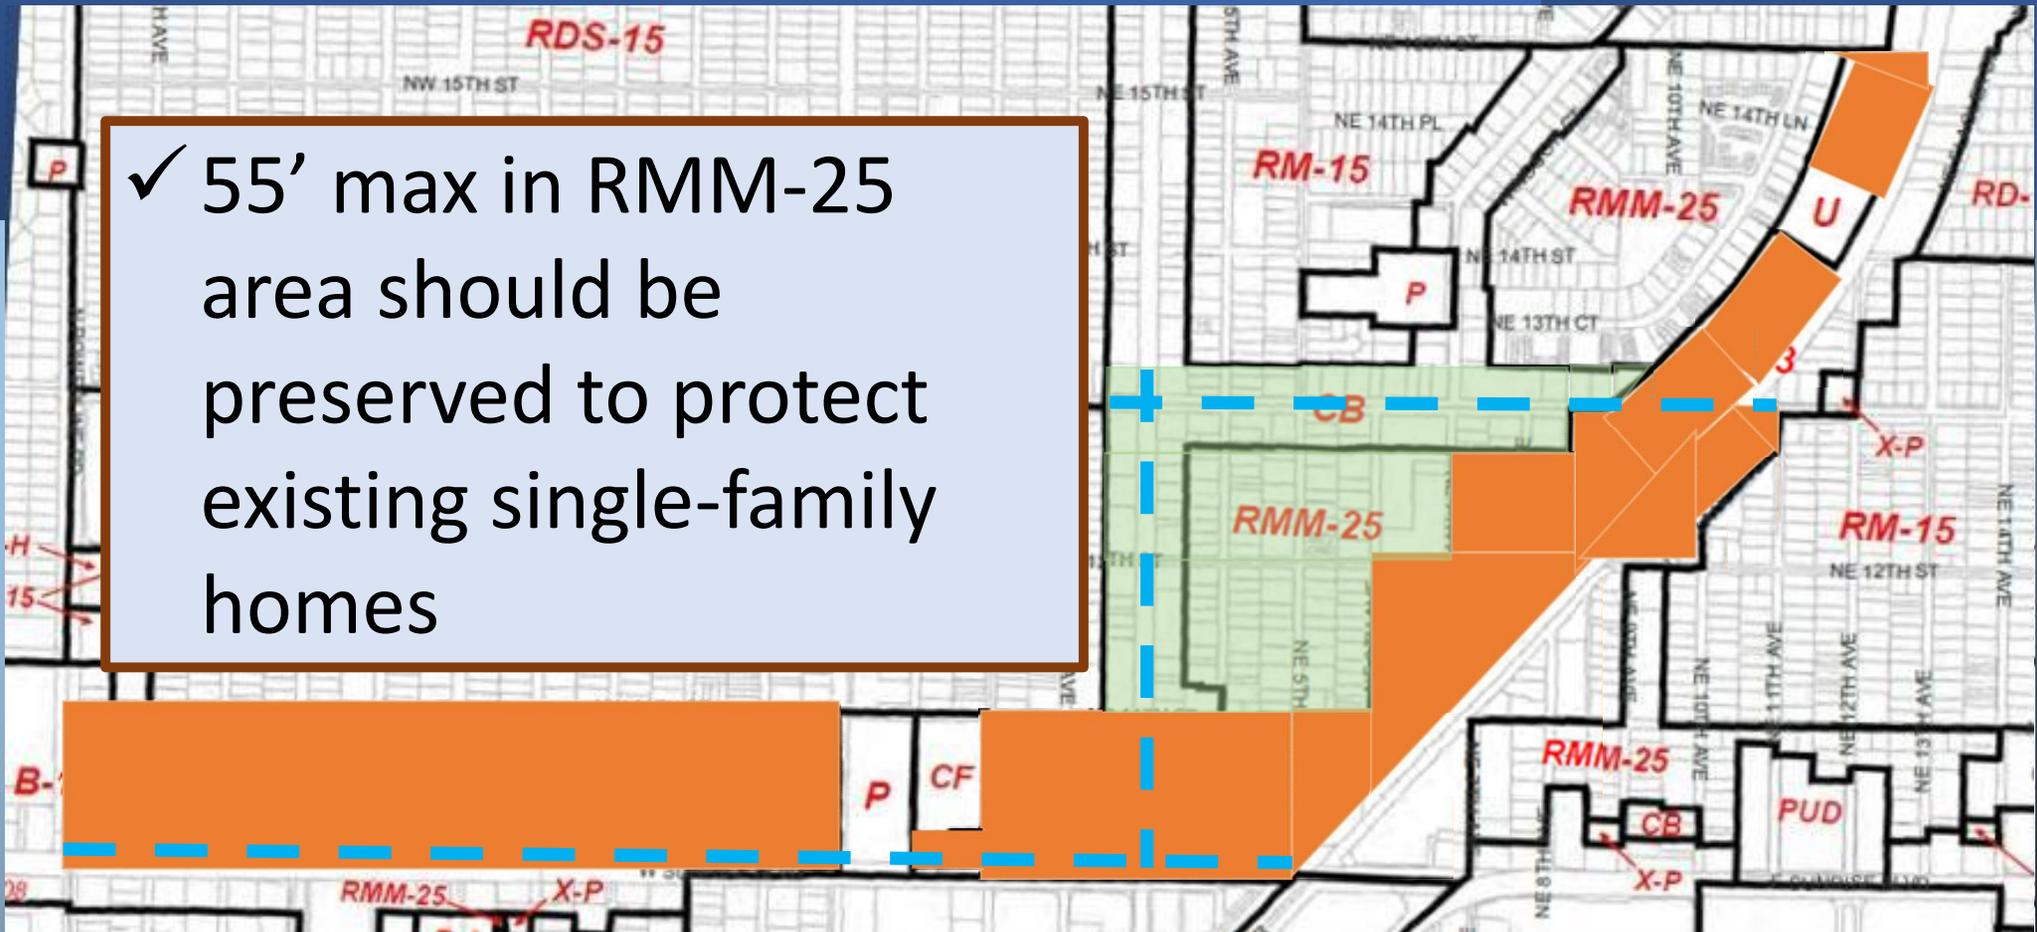

NO to
assemblage
on 13th Street

What about heights?

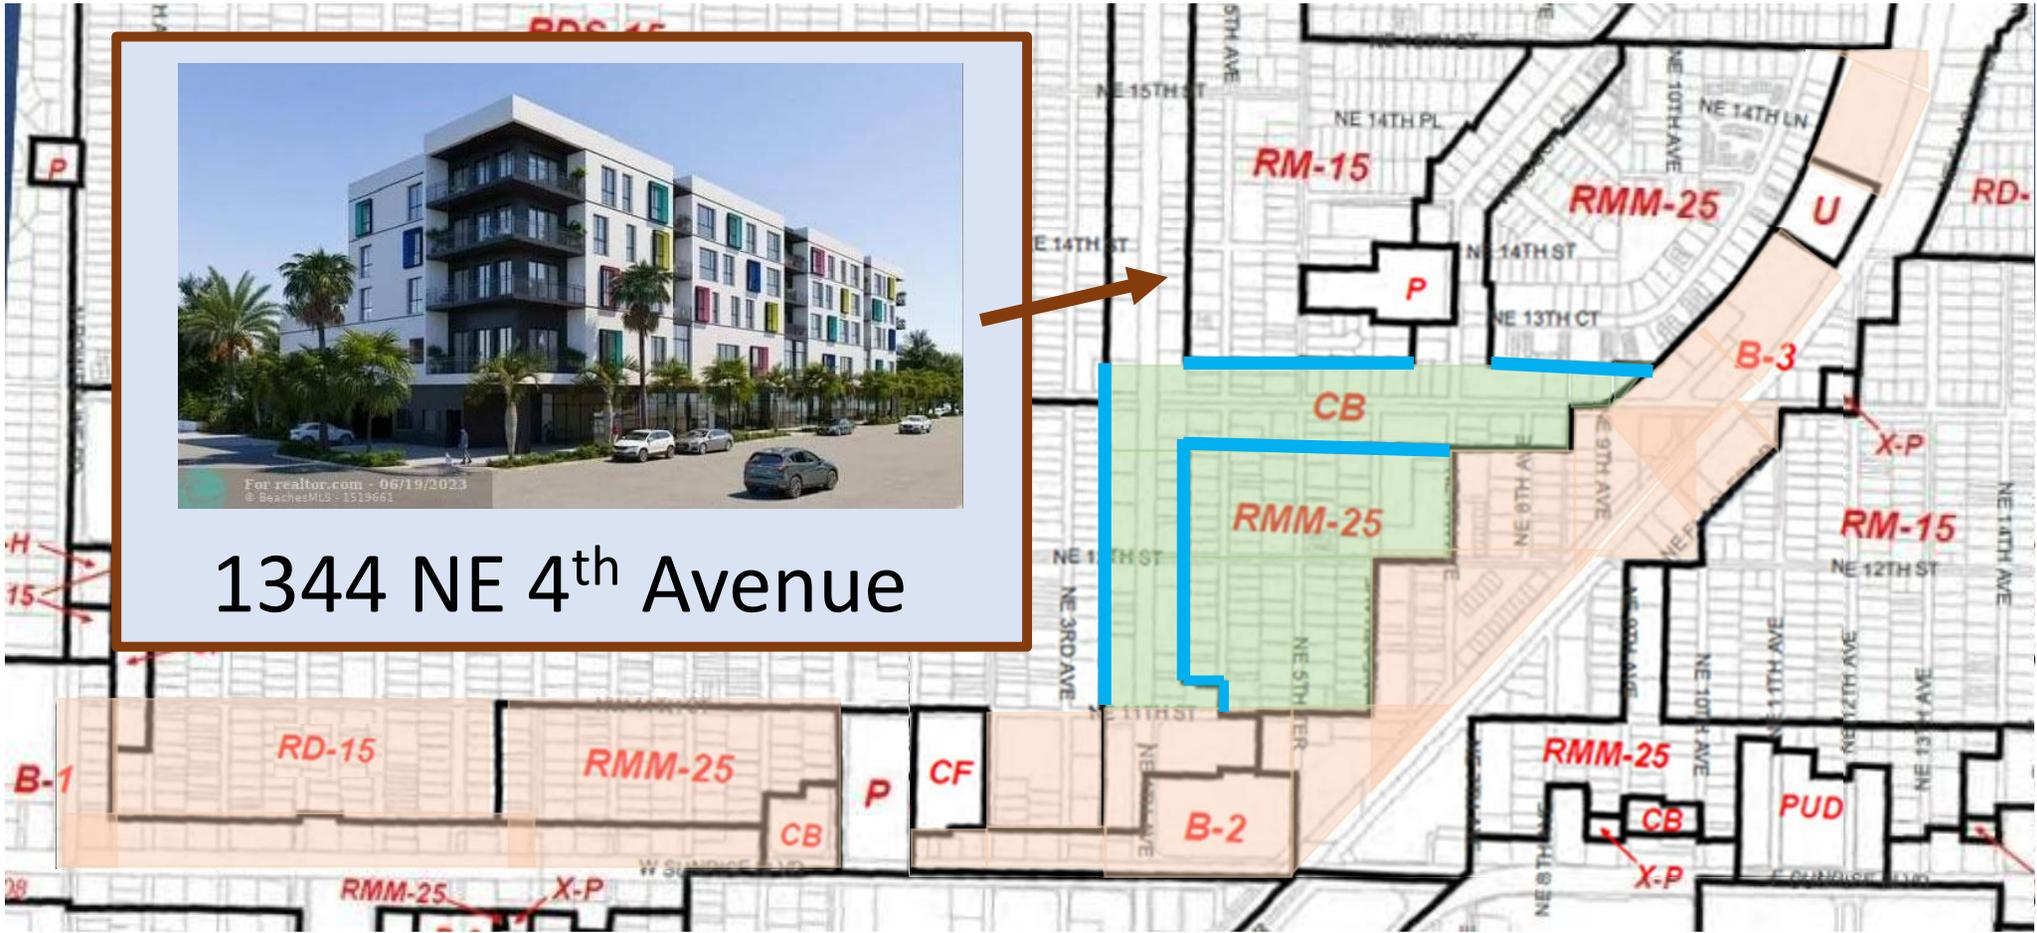

✓ 55' max in RMM-25 area should be preserved to protect existing single-family homes

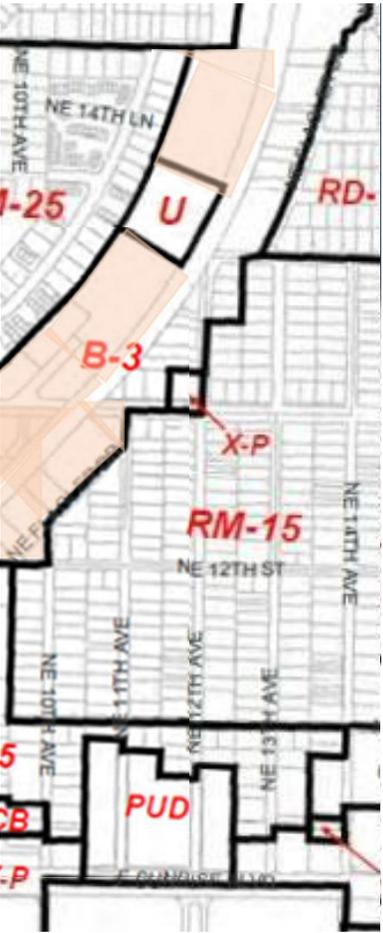

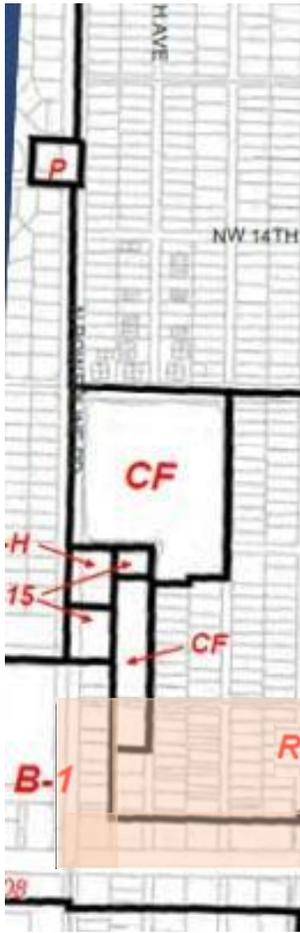

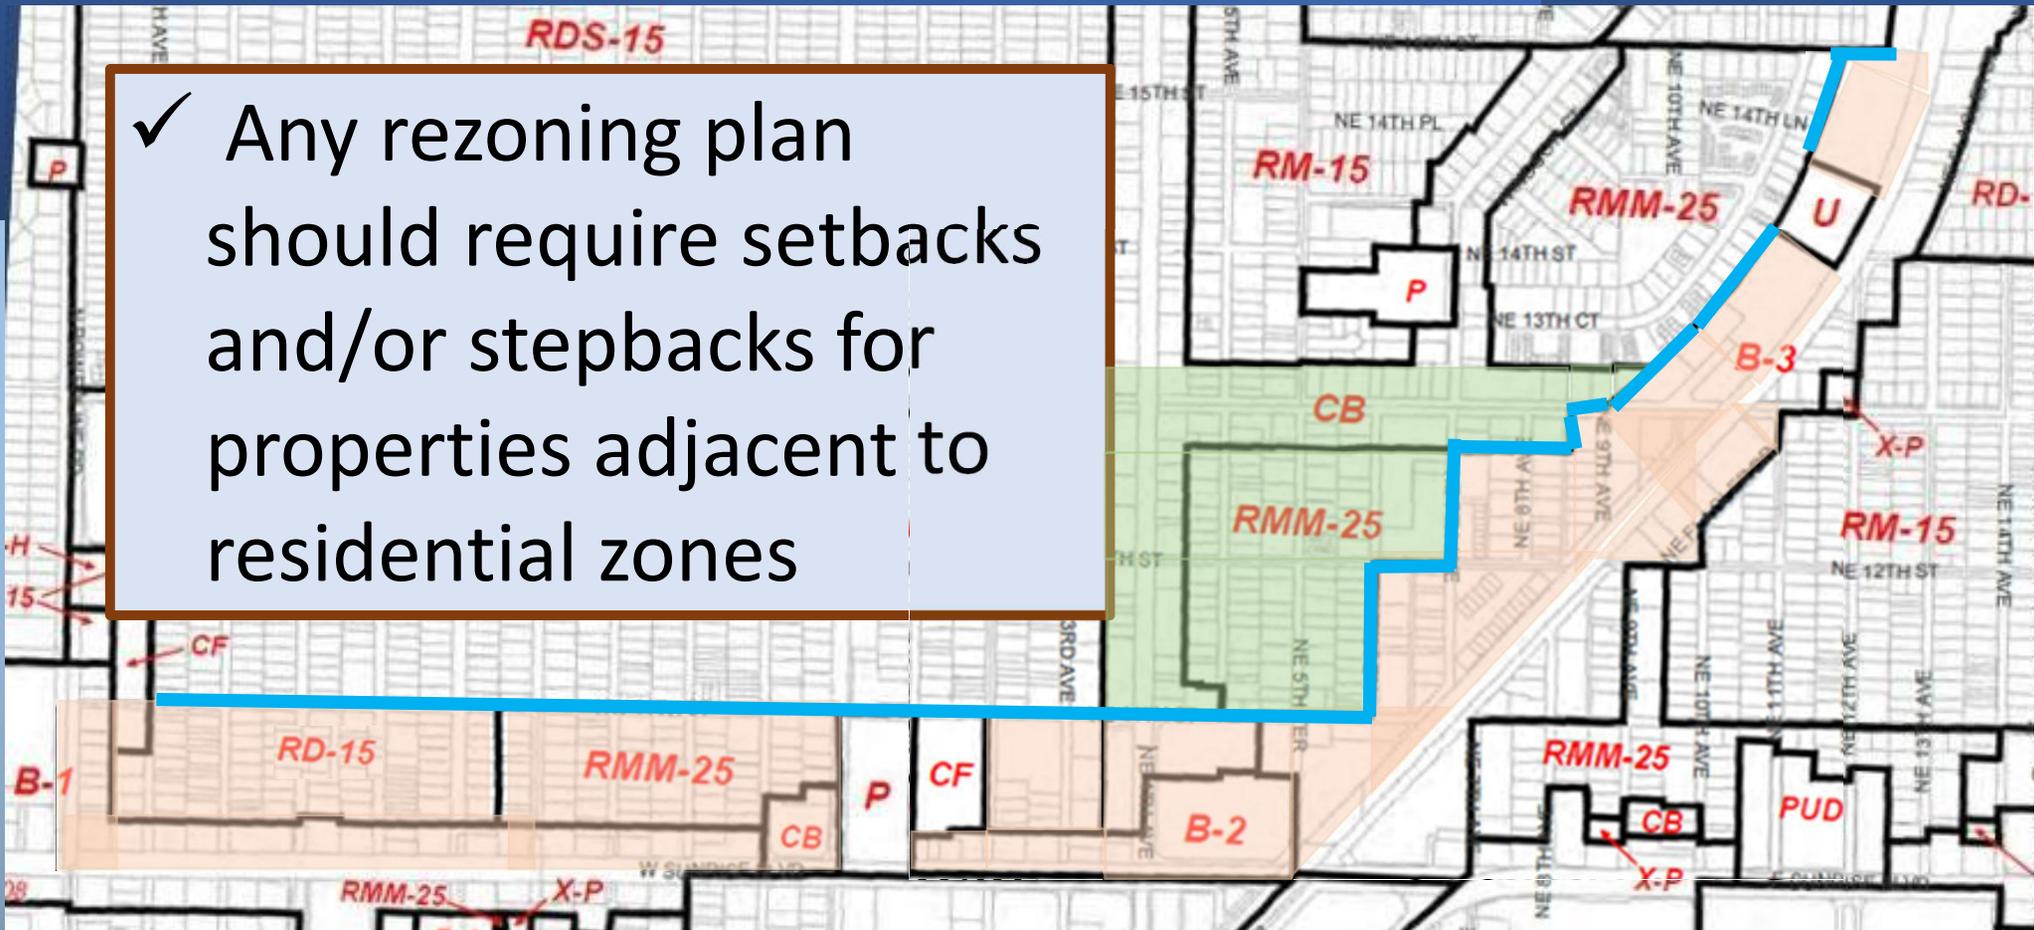

For realtor.com - 06/19/2023
© BeachesMLS - 1519662

1344 NE 4th Avenue

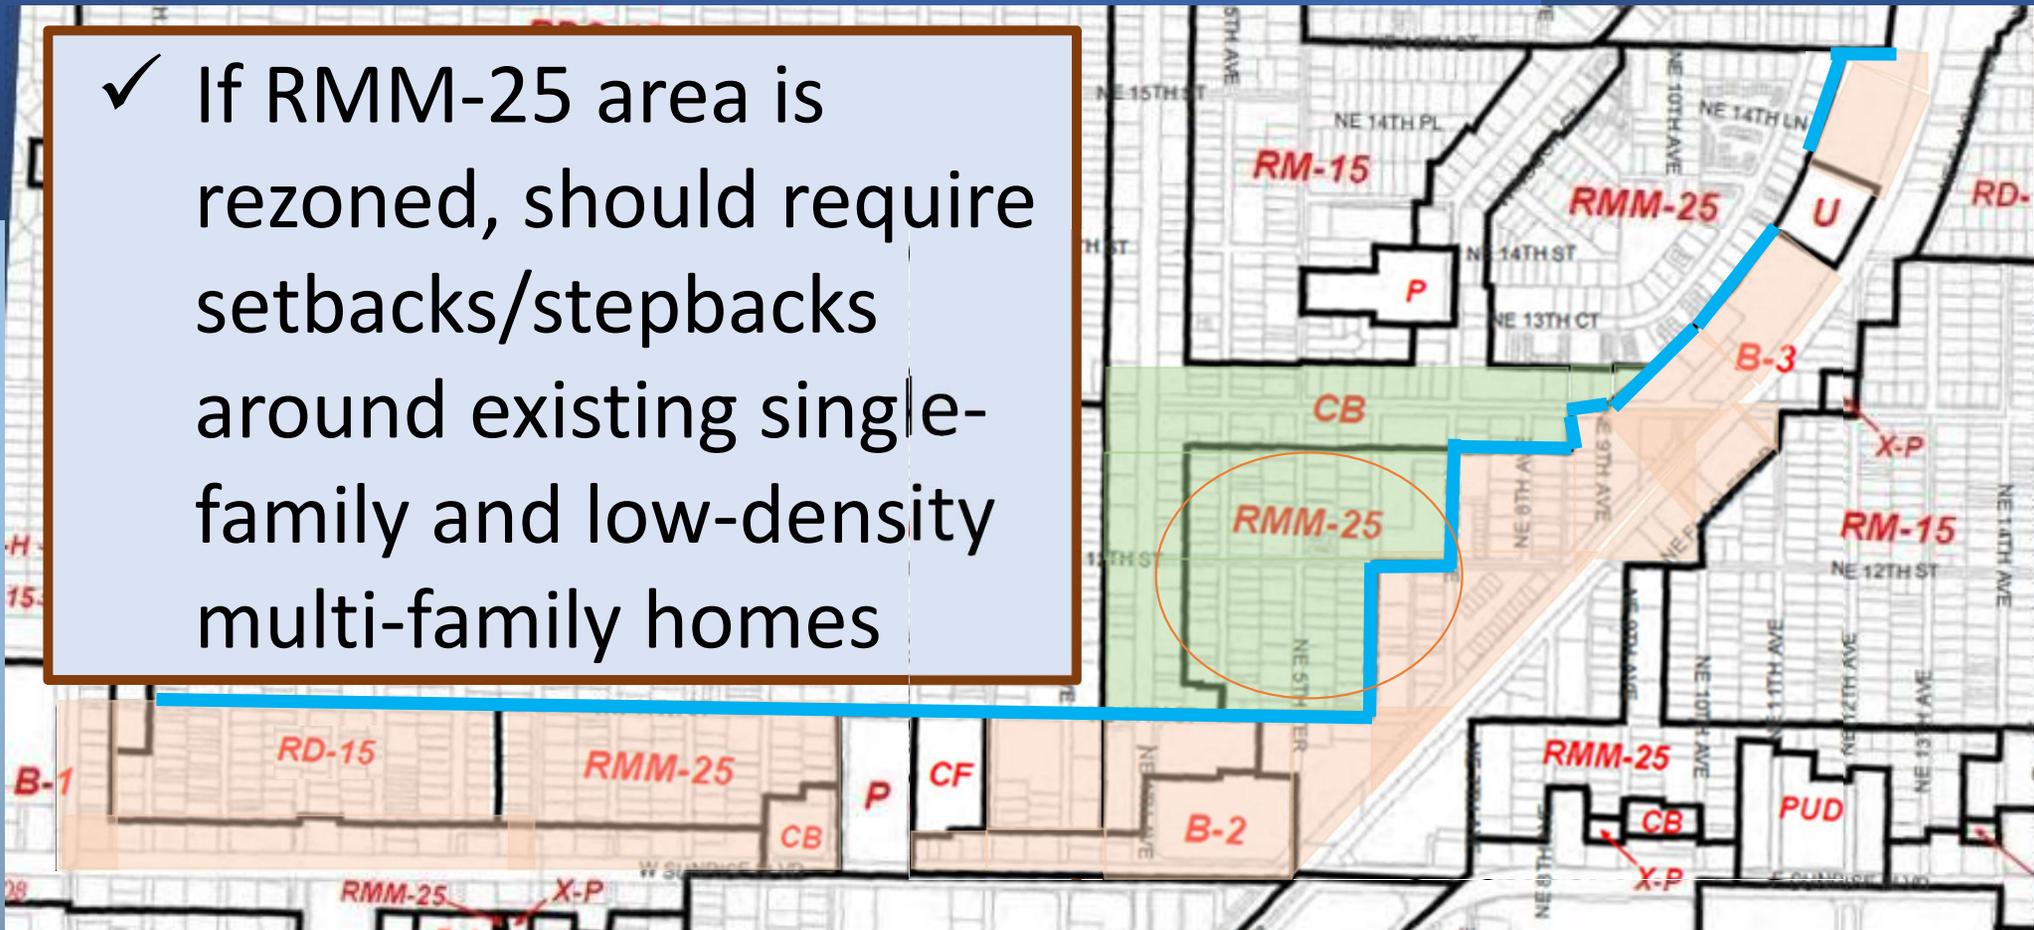

✓ Any rezoning plan should require setbacks and/or stepbacks for properties adjacent to residential zones

✓ If RMM-25 area is rezoned, should require setbacks/stepbacks around existing single-family and low-density multi-family homes

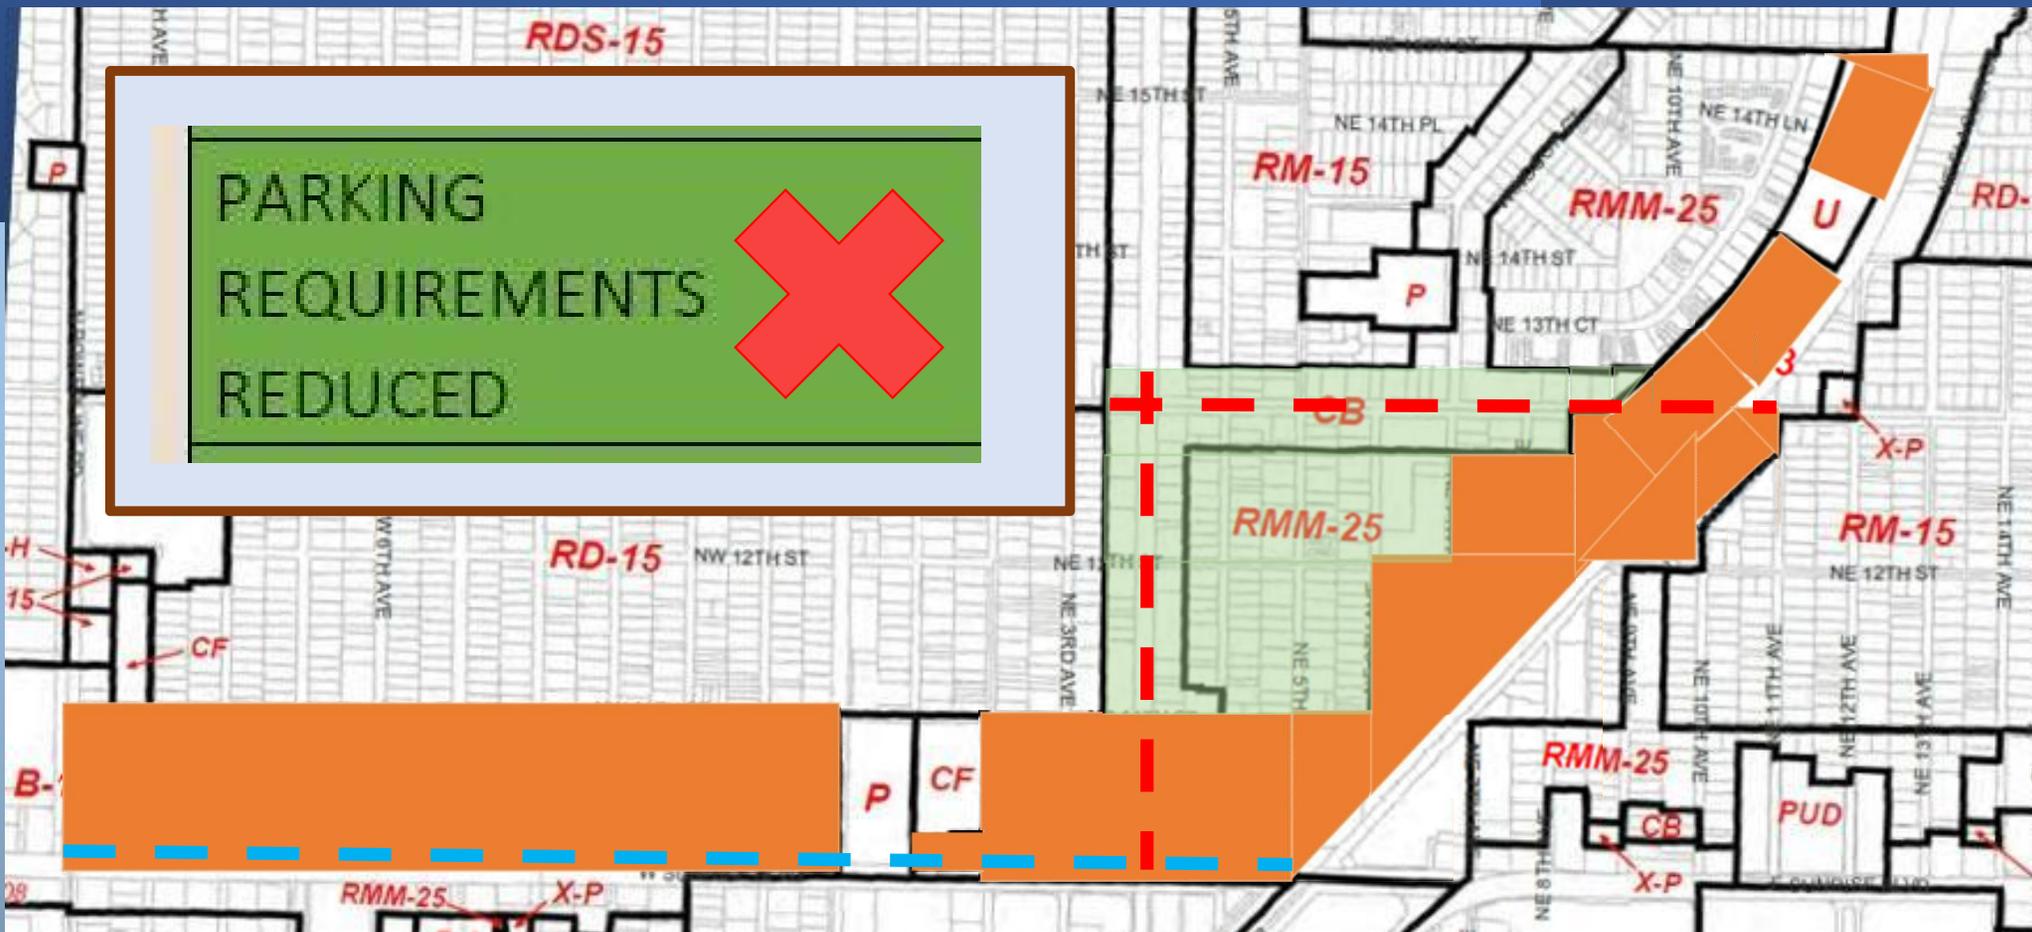

Traffic and Parking Issues

NE 13th Street and NE 4th Avenue are now only two lanes and can't support significantly increased density

New
“Mixed Use”
Types Not
Compatible to
13th Street

Hi Cija,

I am writing this email in strong support of the rezoning along NE 13th St and NE 4th Ave to a create-mixed use zone. I am writing this email on behalf of myself, my sister and my mother. My sister and I own a business and a building on NE 13th street. My mom is a resident in lake ridge off 13th st and 12th avenue. We all strongly support the rezoning. We believe there is an absolute shortage of available housing and we believe that adding density to 13th st will only benefit the businesses, employees of those businesses, residents and future residents of the studio city area. We know our business would benefit from eased parking restrictions and increased foot/vehicular traffic that rezoning would bring. Especially as we look for ways to activate a large amount of land located behind our store front. Our goal is to eventually create a really nice space for local events that will benefit the community. Unfortunately, i won't be able to attend the meeting as I will be traveling for work on that date but wanted to express our opinion.

thank you!

Cija,

I am a property owner and resident of Middle River Terrace in the area south of 13th street in the new proposed Central City Mixed Use District. I am also a property and business owner in the portion of South Middle River included in the proposed Mixed Use District of South Middle River. I strongly support the Mixed Use District pretty much as proposed. The Middle River Terrace Neighborhood Association Board of Directors does not speak for me.

The MRTNA board is composed almost exclusively of residents in the northern section of the Neighborhood. To think of Middle River Terrace with the current boundaries as one neighborhood is inappropriate. The housing stock in the area south of 13th Street is primarily substandard small multiunit apartment buildings owned by absentee landlords whose primary interest is not maintaining or improving their properties or the neighborhood. There is inadequate parking for the twenty first century. The streets are subject to flooding because so many of the swales have been paved for parking.

Most of the MRT board members live in a part of the neighborhood that is almost exclusively single-family owner-occupied homes. As such they do not live with nor understand the problems in an area of small apartments with inadequate parking. The Central City CRA was created in part to deal with the slum and blight of the southern portion of Middle River Terrace. The only really viable solution to the problem of substandard housing, built for the previous century, with inadequate parking for the modern era is redevelopment. This area will not be redeveloped in the absence of zoning that provides the increased density needed to make redevelopment economically viable. The zoning, as it now stands, provides no incentive to replace the current housing stock with housing and adequate parking that appeals to today's consumer.

Again, I strongly support the Central City Mixed Use District as proposed by the CRA Advisory Board and the consultants they have engaged to produce this plan. The Zoning Proposed addresses and fulfills the original findings that lead to the creation of the Central City CRA. Please pass my thoughts on to the CRA Advisory Board and the Consultants developing the CRA Mixed Use District.

Sincerely,

Re: Support for Neighborhood Mixed Use Zoning

Dear Cija Omengebar,

I am writing as a property owner in the Studio City neighborhood to express my strong support for the proposed zoning change to Neighborhood Mixed Use for our community. I firmly believe that such a change will benefit our neighborhood and the broader city, making our community more vibrant, economically robust, and sustainable.

Here are several reasons why I believe a Neighborhood Mixed Use zoning would be advantageous:

Economic Development: Mixed-use zoning has the potential to attract diverse businesses, leading to job creation and a boost in the local economy. Our community will benefit from increased commerce and opportunities for local entrepreneurs.

Reduced Traffic: With residential and commercial properties in close proximity, residents might opt for walking or cycling to local businesses, thus reducing car dependency and associated traffic congestion.

Enhanced Liveability: A mixed-use neighborhood can be a hub of activity, offering convenient access to amenities such as shops, restaurants, and entertainment venues. This contributes to a higher quality of life and can make our community a more attractive place to live and work.

Diverse Housing Options: Introducing mixed-use zoning can pave the way for a variety of housing types, accommodating different family sizes and income levels. This can make our neighborhood more inclusive and cater to a broader demographic.

Environmental Benefits: A reduction in the need for long commutes, combined with potential for more green building designs, can lead to decreased carbon footprints and more sustainable living.

Community Building: Mixed-use neighborhoods often foster greater interaction amongst residents, promoting a sense of community and encouraging shared spaces and experiences.

I understand that changes in zoning can bring about concerns and questions. However, I firmly believe that, with careful planning and community engagement, transitioning to mixed-use can be a pivotal step forward for our neighborhood.

I urge the Central City CRA to consider the numerous benefits of mixed-use development and approve the proposed zoning change. By doing so, we can set the stage for a thriving, dynamic, and sustainable community.

Thank you for your time and consideration.

Warm regards,

Frank Luccisano
Director
Queen Progress Investments Inc.

Good day to you all,

I am writing as a property owner and resident of Middle River Terrace at 13th Street and 4th Avenue within the newly proposed Central City Mixed Use District. I am in full support for the Mixed Use District and largely in alignment with its proposed framework. As a resident of Middle River Terrace, I am troubled by the direction that the Neighborhood Association Board of Directors has chosen to move and would like to make it clear that they do NOT speak for me.

The MRTNA board is predominantly comprised of residents from the northern sector of our neighborhood. The current classification of Middle River Terrace as a unified neighborhood, given its existing boundaries, appears to be inappropriate. The housing inventory in the area south of 13th Street predominantly consists of substandard, small, multiunit apartment buildings owned largely by absentee landlords whose principal interests do not lie in the maintenance or enhancement of their properties. I constantly see crime and illegal activities occurring in this area, an area that the MRTNA board does not see or experience on a regular basis because unlike me, they do not live directly in this area.

The creation of the Central City Community Redevelopment Agency (CRA) was partly intended to address the issues of slums and blight in the area in which I live, southern Middle River Terrace. The best course of action that can be taken to correct these issues is comprehensive redevelopment. However, without zoning modifications that permit increased density, redevelopment efforts will severely impacted, and the blight and crime in the area will continue.

The proposal presented by the MRTNA board is not appropriate, does not have the time and history to back it, and does it address the concerns of residents who live in the area. I support the Central City Mixed Use District in accordance with the proposal set forth by the CRA Advisory Board and the dedicated consultants that were engaged to craft this plan, because this has been the plan for years, and they understand the needs of the area far better than the MRTNA Board who does not even live in this part of the neighborhood.

I hope you all will support it too.

Christian Marcello

Dear Cija Omengebar,

I live in the area of Middle River Terrace that is up for rezoning. I work for a business in South Middle River that is also included in the area to be rezoned to Mixed Use District. I am tired of the constant problems with trash in swales, and swales paved for parking that cause the streets to flood with any heavy rain. The only cure for these problems is redevelopment. I am a former Real Estate agent and I know that redevelopment will only happen if the zoning is updated to make it easy to redevelop and density and building heights are increased so developers can make a profit by redeveloping the area.

Sincerely,
Ken Eunice

Hi Cija,

I hope you are well. I wanted to send this note to you to let you know that the Proposal that Troy Liggett is making at the CCRAB meeting on Monday, does not represent the position of the Central City Alliance. The CCA has always supported the rezoning of NE 13th St with increased density and no votes have occurred to change that position. My personal position also remains the same.

When do you think the Consultants will make their presentation? I am still in Europe and will be home in early November. If there is anything I can do to help move the rezoning process along, please let me know.

All the best,
Marie McGinley

To: Whom it may concern

I have been a home owner in this neighbor since 2011 which i enjoyed living here but i am now concern with some of the proposals by the City of Fort Lauderdale. I strongly object to the rezoning that allows high rise and mixed use buildings that would increase density and the extra traffic that comes with this type of zoning. I do enjoy nature but i would loose that ability to do so due to the construction of high rise buildings.

As for the proposal to extend 12th street is a well needed project. I would also like to see the resurfacing of NE 5th Terrace between NE 11 street and NE 13 street.

Having a park in the neighbor is well overdue along with the the new street lights.

Lastly, i would be more than happy to participate in the \$5,000 grant to home owners Wilbert Small

To whom:

My name is exalene stlouis and love living in my neighborhood and do not want high rise buildings in my area. I have been a homeowner in this neighborhood since 2018 which I enjoy living here but I am now concerned with some of the proposals by the city of Fort lauderdale. I strongly object to the rezoning that allows high rise and mixed use buildings that would increase density and the extra traffic that comes with this type of zoning. I do enjoy nature but I would lose that ability to do so due to the construction of high rise buildings.
