Construction will begin on Monday, April 22, 2024, and is expected to be completed in spring 2025. Work will generally take place Monday through Friday between 7 a.m. and 7 p.m. Some overnight work may be required.

Crews will install the new sewer force mains utilizing a combination of open-cut and trenchless technology to expedite completion and minimize impacts to the community. Crews will then continue Phase 3 along NE 25th Avenue from NE 48th Lane to the Coral Ridge Country Club. This schedule is subject to change based on inclement weather or other unforeseen circumstances.
