Hi Morgan,

I spoke with Frank Milan of Coastal Construction. He is overseeing The Dunes project at 5th and Seabreeze for Coastal. Frank has no expectation that The Dunes project will encroach on 5th Street or the metered spots on the north side 5th between now and the conclusion of Tortuga.

Morgan, as we have done several times now, we at Tortuga would love to buy up those metered spots and close 5th Street to public traffic during Tortuga and a few days leading up to the show. We would make sure that our plan would in no way limit The City's DC Alexander project.

Any objection to reengaging 5th into our traffic plan and adding those metered spots to our parking plan?

Thanks Morgan,

Jim
