

## Memorandum

**Memorandum No: 24-052**

**Date:** June 7, 2024

**To:** Honorable Mayor and Commissioners

**From:** Susan Grant, Acting City Manager *Susan Grant*

**Re:** Fiscal Year 2025 Preliminary Budget Information

At the July 2, 2024 Regular Meeting, the City Commission will set the maximum millage rate and non-ad valorem assessment amounts for Fiscal Year (FY) 2025. This memo provides early information regarding the FY 2025 General Fund budget to allow adequate time to review staff's recommendations prior to setting these rates. The adoption of the budget will occur at public hearings scheduled for September 3, 2024 and September 12, 2024.

### **Property Values – Ad Valorem Revenue**

The Broward County Property Appraiser's June 1, 2024 estimate of the City's taxable property value indicated an increase of 7.81% from \$54.3 billion to \$58.6 billion. Of the \$4.2 billion increase, \$522 million is associated with new construction. While this year's taxable value and new construction increases are less than the prior two years, the resulting \$15.0 million of additional revenue above the FY 2024 budget will offset many of the City's increasing expenses. A history of the City of Fort Lauderdale's taxable values and net new construction is included in the chart to the right.

Five Year History of the City of Fort Lauderdale's Taxable Value			
Calendar Tax Year	Net New Construction (In Billions)	Final Gross Taxable Value (In Billions)	Increase from Prior Year
<b>2024 - June</b>	\$0.52	\$58.58	<b>7.81%</b>
2023 - Final	\$1.13	\$54.34	11.34%
2022 - Final	\$1.68	\$48.80	12.95%
2021 - Final	\$1.14	\$43.21	5.73%
2020 - Final	\$0.69	\$40.87	5.43%

***Because of the continued increase in taxable values, the City can maintain its current low millage rate of 4.1193 for the eighteenth (18<sup>th</sup>) consecutive year.***

### **Fire Assessment Fee**

The City's Fire Assessment Fee provides a valuable funding mechanism to fund personnel and equipment costs associated with the City's fire services. Within the Fire Rescue Department, there is currently an operational shift towards increasing the number of third-person rescue units to increase emergency management services (EMS) unit availability – a service not eligible for cost recovery through the fire assessment program. Because of this and some one-time costs included in the FY 2024 budget, the fire assessment fee per residential dwelling unit is recommended to decrease from \$338 to \$332 per year resulting in a reduction of \$750 thousand in revenue.

**Key Revenue and Expenditure Changes**

Highlights of revenue and expenditure changes from the FY 2024 Adopted Budget, including the recommended decision packages, are included in **Attachment 1** and are summarized below:

Revenue Changes - \$19.1 Million		Expenditure Changes - \$19.1 Million	
\$15.0M	Ad Valorem	\$14.3M	Public Safety
\$2.7M	Charges for Services	\$3.2M	Culture and Recreation
\$1.4M	Franchise and Utility Taxes	\$3.6M	Other General Government
\$1.9M	Other Revenues	\$(2.0M)	Transportation and Infrastructure
\$(1.9M)	American Rescue Plan Act		

State revenues such as the Communications Service Tax and Half Cent Sales Tax have not been updated for FY 2025 estimates. These revenue estimates will be updated in the budget once the State releases their estimates.

**Commission Priorities**

As part of the City’s commitment to openness and transparency, the Commission participated in a public goal setting workshop on January 19, 2024 to develop FY 2025 Commission Priorities to articulate the organization’s highest priorities for the upcoming year. As a part of the budget process, our management team closely reevaluated every program offered by the City to re-focus efforts and resources to strategically move the most pressing priorities of the City Commission forward.

To ensure the City’s long-term financial sustainability, I am recommending a budget that strategically prioritizes the initiatives that are aligned with the City Commission’s key objectives. The full listing of recommended service level enhancements are outlined in **Attachment 2**. **Attachment 3** provides highlights of how specific funding allocations in the FY 2025 Preliminary Budget and Community Investment Plan align with the Commission’s FY 2025 priorities. This budget continues the City’s commitment to supporting public safety through staffing enhancements, competitive compensation packages, and investments in technology and facilities. Details on these initiatives can be found in the Public Safety Investment Overview in **Attachment 4**. Details on how this budget reflects the City’s commitment to addressing homelessness can be found in **Attachment 5**.

Key enhancements include:

- Addition of a Chief Waterways Officer
- Fire Rescue Staffing Increases
- Police Department - School Zone Speed Enforcement Camera Program and Administrative Detail Office
- Improvements to meet the maintenance needs of City Parks
- A Shelter Bed Access Program to support those experiencing homelessness.

This budget also includes \$2.5 million in funding for nonprofit organizations to support key community services that align with the City’s Strategic Plan, annual Commission Priorities, and operational needs (**Attachment 6**). The Special Events funded in the preliminary budget are included as **Attachment 7**. Overall, the preliminary budget makes foundational

investments that will improve the quality of life for our neighbors today and will prepare the City for tomorrow's challenges. These enhancements respond to the needs of a growing community as the City of Fort Lauderdale progresses into the future.

### ***Infrastructure and Community Investment Plan***

The City's infrastructure assets need to be carefully managed and maintained to ensure that Fort Lauderdale remains the City you never want to leave. In the FY 2025 – 2029 Preliminary Community Investment Plan, staff has strategically outlined a roadmap that includes all the critical initiatives the City needs to undertake over the next five years. This is done in a strategic, careful, and impactful way to maximize economic development and to maintain and improve quality of life.

The Preliminary FY 2025 – 2029 Community Investment Plan (**Attachment 8**) includes \$21.3 million in General Funds and \$500,000 in Community Block Grant Funds to address the most pressing general infrastructure needs of our community. Key highlights from the Community Investment Plan are listed below:

- \$8.4 million for bridge repairs and replacements
- \$4.4 million for the repair and replacement of roadways and sidewalks
- \$600,000 for Traffic Flow Improvements
- \$500,000 for the Restoration and Replacement of Seawalls
- \$500,000 for Streetlight Improvements

### ***Government Employees' Retirement System (GERS) Cost of Living Adjustment***

During the June 4, 2024 City Commission Meeting, the Commission directed staff to evaluate the impact of providing the General Employee Retirement plan a 2.75% cost of living adjustment (COLA) to all retirees, beneficiaries, and DROP members who retired before October 1, 2022. If affirmed unanimously by the City Commission, the impact would be \$2.2 million annually over seven years. If approved by the City Commission by a 4-1 vote, there would be a one-time \$12.5 million impact to the General Fund. **Attachment 9** details the proposal for maintaining a structurally balanced budget by either reducing proposed programmatic enhancements or by delaying certain identified CIP projects.

### ***Replacement Plans***

The City has committed to systematically developing new, and updating existing, replacements plans as a part of the annual budget development process. This approach strengthens the City's long-term financial planning and minimizes fluctuations in annual expenditures. Furthermore, replacement schedules ensure that City staff are properly equipped to serve the community and maintain accountability for assets during the annual budgeting process. The preliminary FY 2025 City investment in replacing key equipment and assets, as a part of these plans, is recommended at \$13.7 million. These replacement plans have been provided as part of the preliminary budget information (**Attachments 10 – 16**).

The FY 2025 Preliminary Budget, including detailed department request packages, has been posted on the City's website at the following link: [www.fortlauderdale.gov/preliminarybudget](http://www.fortlauderdale.gov/preliminarybudget).

We are proud of the inclusive and comprehensive budget process. I have personally met with each department over the past few months to discuss their challenges and budget requests for the upcoming year. It is important to carefully review each department's funding requests and weigh them against the City's other competing priorities. In addition, departments have presented their budget requests to the Budget Advisory Board for additional guidance and input. The Budget Advisory Board will share their initial thoughts regarding the FY 2025 Preliminary Budget with you at a Joint Workshop scheduled for June 18, 2024. I would like to thank the Budget Advisory Board for their assistance in reviewing departmental needs and providing the taxpayer's perspective throughout the budget development process.

While the budgetary information is still preliminary, it conveys the Commission's priorities and provides detailed departmental budget requests and strategies recommended for achieving a structurally balanced budget for FY 2025. The budget invests in the City's highest priorities and charts our course towards a financially sustainable future.

The FY 2025 Proposed Budget and FY 2025 - FY 2029 Community Investment Plan are scheduled to be presented at the City Commission Regular Meeting on July 2, 2024. I encourage you to review the full scope of comprehensive departmental budget requests, and contact me directly with any questions, comments, or concerns.

## FY 2025 City Commission Priorities

PRIORITY	FUNDED ITEMS (★ Newly funded initiatives)
<b>PUBLIC SAFETY</b>	★ The Fire Rescue Department budget includes approximately \$565,000 for the addition of five (5) positions which will add a third firefighter/paramedic to one Medical Rescue Unit beginning in April 2025.
	★ The Police Department budget includes \$100,000 to create a Recruitment and Retention Incentive Program which will provide financial incentives to employees and homeowner associations as well as a hiring bonus for new police officers who complete their probation period.
	★ The Police Department budget includes approximately \$175,000 to establish a School Zone Speed Enforcement Camera Program which will install automated speed detection systems in school zones for four schools.
	★ A police focused public safety survey is funded in the amount of approximately \$48,300 to better understand the perception and satisfaction with the City's police and public safety efforts.
	The CIP includes \$81.9 million of unspent project balance for the Police Headquarters Replacement Project.
	The Police Department budget includes approximately \$714,000 for the replacement of police equipment such as ballistic vests and license plate readers.
	The Police Department budget continues to fund the staffing of the Real Time Crime Center in the amount of approximately \$407,000.
	The Police Department budget includes \$344,000 for the continuation of the ShotSpotter Program.
	The Fleet Services budget includes \$9.0 million for the replacement of 86 Public Safety vehicles, per the vehicle replacement schedule, including six Fire Rescue apparatuses.
	The Fire Rescue Department budget includes approximately \$4.3 million for the replacement of equipment such as extrication equipment and bunker gear.
	The CIP includes \$250,000 of unspent project balance for a temporary trailer to serve as the Ocean Rescue Headquarters.
The CIP includes approximately \$196,000 for the replacement of lifeguard towers as well as approximately \$222,000 of unspent project balance.	
<b>HOMELESSNESS INITIATIVES</b>	★ The City Manager's Office budget includes \$330,000 for Shelter Bed Access Program which would provide temporary shelter for neighbors experiencing homelessness for a period of up to 60 days.
	The Neighbor Support Division budget includes approximately \$315,260 to continue the Housing Navigation Program in partnership with the Taskforce Fore Ending Homelessness.
	The Neighbor Support Division budget includes approximately \$204,384 for the continuation of the Community Court Program which includes one (1) position and helps individuals receive services tailored to their needs, and link participants to restitution projects and onsite social services and treatment providers.
	The Police Department continues its efforts toward homeless support in the amount of approximately \$1.1 million through the General Fund for the Homeless Outreach Unit and Reunification Travel Voucher Program.
	The Homeless Intervention Administrator position continues to be funded by the City Manager's Office in the amount of approximately \$133,022.

## FY 2025 City Commission Priorities, continued

PRIORITY	FUNDED ITEMS (★ Newly funded initiatives)
<b>HOMELESSNESS INITIATIVES</b>	The Fire Rescue Department Budget includes \$310,281 to continue the Mobile Integrated Health Program – Homeless Action Team which connects high utilizers (911 callers with three or more logged calls annually) to public and private resources.
	Entitlement grant funding will continue to support homelessness initiatives and is managed by the Housing and Community Development Division: <ul style="list-style-type: none"> <li>o Community Development Block Grant (CDBG) funding will provide approximately \$226,000 to support local organizations' homelessness assistance and prevention programs.</li> <li>o HOME Investment Partnerships - American Rescue Plan funding will provide \$2.1 million to be used in part to assist those experiencing homelessness and to prevent homelessness.</li> <li>o State Housing Initiative Partnership funding will provide \$1.4 million to be used in part to assist to those experiencing homelessness and to prevent homelessness.</li> </ul>
<b>AFFORDABLE HOUSING AND ECONOMIC DEVELOPMENT</b>	Entitlement grant funding will continue to support housing opportunity initiatives and is managed by the Housing and Community Development Division: <ul style="list-style-type: none"> <li>o HOME Investment Partnerships funding will provide approximately \$202,000 to be used in part to support affordable housing initiatives.</li> <li>o Housing Opportunities for Persons with AIDS (HOPWA) funding will provide \$7.6 million to assist with facility-based housing, various rent programs, mortgage assistance, and utilities.</li> </ul>
	The Community Redevelopment Agency budgets includes approximately \$18.9 million to fund incentive programs to attract new businesses and encourage economic development. Another \$70,000 is included to advertise and promote the incentive programs.
	The Public Affairs Division of the City Manager's Office is funded in the amount of approximately \$1.4 million, which includes funding to attract new and support existing businesses including Qualified Target Industry (QTI) Tax Refunds and Economic Development Incentives.
	The Development Services Department budget includes \$48,000 for 3D development mapping.
	The CIP includes \$4.0 million in unspent balances for the replacement of City Hall.
	The CIP includes \$3.5 million for the repair and maintenance of asphalt, roadways, and sidewalks, in addition to \$870 thousand to expand sidewalk access within the City.
<b>TRANSPORTATION AND TRAFFIC</b>	★ The Transportation and Mobility Department budget includes \$45,000 to improve the safety at the intersection of Las Olas and SE 2nd Avenue with the implementation of signs and markings.
	★ The Transportation and Mobility Department budget includes approximately \$376,000 to provide for a security presence at the Performing Arts Center Parking Garage as well as to complete a structural assessment.
	The CIP includes \$3.5 million for the repair and maintenance of asphalt, roadways, and sidewalks, in addition to \$870 thousand to expand sidewalk access within the City.
	The CIP includes \$6.0 million in unspent project balances to continue the implementation of the Las Olas Mobility Plan.
	The Transportation and Mobility Department budget includes \$1.7 million in ongoing funding to enhance the City's Microtransit Program.
	The CIP includes approximately \$92,828 of unspent project balance for traffic flow improvements as well as \$80,000 for the Riverside Park Traffic Calming Project.
	Transportation and Mobility Department General Fund budget includes approximately \$61,000 for Bluetooth sensors that collect traffic data for analysis.

## FY 2025 City Commission Priorities, continued

PRIORITY	FUNDED ITEMS (★ Newly funded initiatives)
<b>TRANSPORTATION AND TRAFFIC</b>	The Transportation and Mobility Department General Fund budget includes \$50,000 to continue the Speed Radar Program to collect traffic data for potential synchronization improvements.
	★ The Transportation and Mobility Department budget includes funding to enhance parking enforcement, specifically in the Flagler Village area; this enhancement is expected to be cost neutral due to additional parking revenues.
<b>INFRASTRUCTURE AND RESILIENCE</b>	The CIP includes \$41.2 million in cash funded Stormwater Fund capital projects.
	Approximately \$158,000 is included in the Public Works Department budget for a senior project manager to manage the construction of the new Prospect Lake Water Treatment Plant.
	The CIP includes \$51.1 million in unspent project balances for advanced metering infrastructure which will improve water billing accuracy, provide advanced tools for monitoring, and remotely turn off and on services. The Public Works Department budget includes approximately \$1.0 million for the operation and maintenance of the new advanced water meter infrastructure.
	The CIP includes \$484,100 in funding for the restoration and replacement of seawalls as well as \$2.0 million of unspent project balance.
	The Public Works Department will address water quality through the following initiatives: <ul style="list-style-type: none"> <li>o The Public Works Department Water &amp; Sewer Fund budget includes \$136,458 in funding for the Waterway Quality Monitoring Program.</li> <li>o The Public Works Department budget includes \$398,000 for the Canal Cleaning Program.</li> </ul>
	The Water/Sewer Revenue Bond was issued in FY 2018 in the amount of \$200 million to fund priority projects; another \$200.0 million was issued in FY 2024 for consent order and other priority water and sewer infrastructure projects. Many of these projects have a multi-year implementation cycle and are ongoing. The Community Investment Plan (CIP) includes over \$36.9 million remaining to be appropriated from the bond funding.
	The CIP Water/Sewer Master Plan includes \$30.0 million in new cash funded capital projects in addition to over \$83.2 million in unspent project balances. The Central Region Wastewater budget includes \$19.8 million in new cash funded capital projects prioritized based upon a renewal and replacement study in addition to over \$65.0 million in unspent project balances.
	The CIP includes \$157.3 million in unspent project balances for the enabling works needed to connect the City's existing water system to the new Prospect Lake Clean Water Center.
	Design work is underway to support the first tranche of Stormwater improvements in eight (8) neighborhoods, as part of the Fortify Lauderdale program, with the issuance of a Stormwater Bond to support construction planned for FY 2026.
	The CIP includes \$3.8 million for a condition assessment of the City's Watershed Asset Management Plan (WAMP) as well as \$3.8 million of unspent project balance. Additionally, the Public Works Department Stormwater Operations budget includes \$1.3 million to support asset inventory improvements and implementation of the WAMP.
	★ The Public Works Department budget includes approximately \$168,000 for a Resilience Outreach Coordinator.
	★ The Public Works Department budget includes approximately \$678,000 for an additional six (6) positions who will manage the construction of new stormwater infrastructure.

## FY 2025 City Commission Priorities, continued

PRIORITY	FUNDED ITEMS (★ Newly funded initiatives)
<b>INFRASTRUCTURE AND RESILIENCE</b>	★ The Public Works Department budget includes \$2.8 million to enhance maintenance of stormwater infrastructure following the addition of new stormwater assets.
	★ The Public Works Department budget includes \$3.0 million to develop an updated Comprehensive Water and Sewer Masterplan.
	★ The City Manager's Office budget includes approximately \$161,000 for the addition of a Chief Waterways Officer.
	The CIP includes \$8.4 million for the repair and replacement of bridges as well as \$2.8 million of unspent project balances.
<b>PUBLIC SPACES AND COMMUNITY INITIATIVES</b>	The Development Services Department budget includes approximately \$267,000 for planning and administration of the Historic Preservation Program funded by the General Fund.
	★ Nonprofit organization funding will continue to support the Fort Lauderdale Historic Society, Inc. in the amount of \$85,000 which contributes to the City's historical life and serves as a resource within the Riverwalk Arts and Entertainment District. Additionally, \$100,000 has been included for improvements to the building being used by the Fort Lauderdale Historic Society, Inc.
	The Development Services Department budget includes approximately \$5.4 million for the enforcement of code concerns, including vacation rental regulations.
	Entitlement grant funding, in the amount of approximately \$907,000, will be used in part to proliferate access to internet in low-income neighborhoods.
	★ The City continues to fund a Chief Education Officer to improve education within the City in the amount of approximately \$139,000. Additionally, \$15,000 is being included for a Teachers of the Year commemoration.
	The CIP includes approximately \$2.8 million in unspent project balances for the Galt Ocean Mile beautification project.
	The CIP includes \$1.9 million for the repair and maintenance of City-owned facilities as well as \$3.5 million of unspent project balances.
	The Parks and Recreation Department budget includes \$23.5 million for the maintenance of parks and medians and Citywide tree services.

*\*Some of these projects have elements that are components of other programs and initiatives; as such, the funding identified above may extend to multiple Commission Priorities.*

# Overview of Public Safety Initiatives

## Police Department

Over the past few years, the City Commission has been steadfast in prioritizing patrol service enhancements and in making significant investments in the Police Department. Full details on the upcoming FY 2025 commitments are available in the City Commission Priority Matrix (**Attachment 3**).

To help ensure the City is set up for long-term success while meeting the growing needs of the community, the following strategies have been implemented to bolster police services:

- **Staffing Enhancements:** Over the last three years, the City has increased its personnel complement by forty (40) additional sworn officer positions. In FY 2025, the City plans to fund one (1) additional Police Sergeant position and reassign one (1) Police Officer position that was servicing the Building Fund back to patrol services. In addition, the preliminary budget includes funding for an innovative recruitment program to assist with filling vacancies within the department.
- **Compensation and Benefits:** Last year, the City ratified one of the strongest compensation packages for sworn police officers in Broward County. This landmark agreement included significant pension benefits and additional wages for officers in specialized units estimated at \$2.0 million annually. Such provisions are a testament to the City's unwavering commitment to recruiting and retaining qualified, high performing law enforcement officers.
- **Enhanced Community Presence Initiatives:** The FY 2025 Preliminary Budget allocates \$500,443 in new enhanced funding to launch a school zone speed enforcement program at four (4) elementary and middle schools across the City. This initiative will assist in reducing the speeds of vehicles within school zones during school activation hours. In addition, it will free up sworn personnel, including the City's motor unit, for other critical public safety needs.
- **Technology Improvements:** The FY 2025 budget includes \$233,100 in funding for an additional year of the License Plate Reader (LPR) Expansion Plan, which will add six (6) LPR systems. This strategic investment, coupled with funding to maintain the ShotSpotter service and the City's real-time crime center (RTCC), enables sworn personnel to dedicate more time to proactive policing efforts and to strengthen community relationships with residents.
- **New Police Headquarters:** This \$145 million state-of-the art facility is designed to meet the needs of 21<sup>st</sup> century policing, which is expected to open in Fall 2025.
- **Grant Initiatives:** In FY 2024, the Fort Lauderdale Police Department received approximately \$1.0 million in Federal grants to hire additional public safety personnel. This includes \$750 thousand in Community Oriented Policing (COPS) funding to hire six (6) new full-time police officers and \$257 thousand for one (1) civilian clinician to start a Co-Responder Pilot program for crisis response involving mental health or substance abuse.

POLICE DEPARTMENT PERSONNEL ENHANCEMENTS
41 SINCE 2022

## Fire Rescue Department

The City Commission has been committed to prioritizing the construction of, and staffing for, the new Fire Rescue substations, along with increasing the number of third-person rescue units. These initiatives aim to decrease service response times and increase unit availability throughout the City. Full details on the upcoming FY 2025 commitments are available in the City Commission Priority Matrix (**Attachment 3**).

To proactively position the City for long-term success and growth, the following strategies have been implemented to strengthen fire rescue services:

- **Staffing Enhancements:** Over the last three years, the City has increased its Fire Rescue General Fund personnel complement by forty-one (41) firefighter positions. In FY 2025, the City plans to appropriate approximately \$565 thousand in enhanced funding to support another five (5) additional Fire Lieutenant positions. This will allow for the April 2025 deployment of an additional third-person rescue unit, which will increase the availability of emergency management services (EMS) units throughout the City.

- **New EMS Substations:** The City is in the process of expanding its public safety infrastructure with the establishment of additional substations, which include: the Downtown EMS Substation and the Heron Garage Substation. The Downtown EMS Substation is anticipated to open in FY 2026, followed by the Heron Garage Substation in FY 2027. Until the Downtown EMS substation officially opens, the new staffing positions are operating out of Fire Station #2, providing enhanced EMS services to the downtown district and surrounding neighborhoods.
- **Compensation and Benefits:** Last year, the City ratified a three-year agreement with the International Association of Firefighters (IAFF) which included considerable wage and pension benefits compared to other municipalities in South Florida. Such provisions ensure that the City can competitively recruit and retain highly qualified firefighter paramedics.
- **Critical Equipment:** The preliminary budget allocates \$803,205 for the replacement of critical equipment such as extrication gear, bunker gear, and trailers. In addition, \$5.3 million in funding is included for the replacement of 19 vehicles, among them a critical fire rescue engine for the department.
- **Fire Station Development:** Nearly \$55 million in funding has been appropriated to support Fire Rescue Bond Projects. Among these projects, Fire Station 13 represents the final project, with \$12.8 million in funding appropriations to date. A significant portion, approximately \$8.1 million, is sourced from the General Fund.
- **Grant Initiatives:** The City has applied for a Staffing for Adequate Fire and Emergency Response (SAFER) grant from the Department of Homeland Security in the amount of \$11.8 million to fund 28 additional firefighter positions. If awarded, the City is committed to providing \$3.5 million in financial support over the three-year grant period.

## City of Fort Lauderdale Overview of Funding to Address Homelessness

<b>General Fund Supported</b>	
<b>Neighbor Support Division</b>	
Homeless Intervention Administrator	\$ 133,022
Housing Navigation Program in partnership with the Taskforce Fore Ending Homelessness which provides outreach, education, advocacy, and housing navigation. The Housing Navigation Team offers placement services such as shelter, treatment, and/or housing referrals.	\$ 315,260
Community Court Program which, which includes one (1) position, helps individuals receive services tailored to their needs, and link participants to restitution projects and onsite social services and treatment providers.	\$ 204,384
The City Manager's Office budget includes enhanced funding for the Shelter Bed Access Program which would provide temporary shelter for neighbors experiencing homelessness for a period of up to 60 days.	\$ 330,000
<b>Fire Rescue Department</b>	
The Mobile Integrated Health Program – Homeless Action Team connects high utilizers (911 callers with three or more logged calls annually) to public and private resources. The two-person team currently have over 60 active cases which generated more than 410 calls in the last four years.	\$ 310,281
<b>Police Department</b>	
Through partnerships with homelessness advocates, the Homeless Outreach Unit makes contact with over 25,000 individuals. They also manage the reunification funds used to buy bus tickets, airfare, and food vouchers to allow individuals experiencing homelessness to return to their families, friends, or jobs outside of Fort Lauderdale.	\$ 1,134,364

<b>Total Grant Funded Support</b>	<b>\$ 11,528,000</b>
<b>FY 2025 City of Fort Lauderdale Funding to Address Homelessness</b>	<b>\$ 13,955,311</b>

## Funding to Support External Organizations

As a part of the annual budget process, the City provides external organizations with funding to support key community services that align with the City’s Strategic Plan, annual Commission Priorities, and operational needs. This funding allows the Commission to allocate resources to key initiatives without the lead time that would be required if the City were to provide the services internally and provides flexibility to address different priorities each year without a long-term financial commitment. Nonprofit organizations that receive grant funding are required to execute a Participation Agreement which stipulates the funding amount, public purpose, scope of service, financial reporting, term length, and time of performance.

The various tables below articulate the organizations recommended for funding in the FY 2025 Budget, the recommended funding amount, and the purpose of the City’s contribution.

<b>City of Fort Lauderdale FY 2025 Nonprofit Grant Participation Agreement Funding</b>		
<b>Organization</b>	<b>Recommended Funding</b>	<b>Purpose of City’s Contribution</b>
Areawide Council on Aging of Broward County, Inc.	\$127,842	Support meal and transportation services and resources to City of Fort Lauderdale seniors and adults with disabilities.
Early Learning Coalition of Broward County, Inc.	\$75,000	Provide subsidized childcare for approximately 2,500 Fort Lauderdale children of eligible low-income families.
First Call for Help of Broward, Inc. dba 211-Broward, Inc.	\$25,000	Provide supportive listening, crisis intervention, and information and referrals that help residents to access social program services.
Junior Achievement of South Florida, Inc.	\$33,900	Provide 5th and 8th grade public school students in Fort Lauderdale with financial and entrepreneurial learning, served annually through JA BizTown and JA Finance Park.
Museum of Discovery and Science, Inc.	\$214,800	Provide kindergarten through 5th grade public elementary school students in Fort Lauderdale with Museum and school instruction to improve long-term academic success in the critical STEM (science, technology, engineering, math) disciplines.
Nova Southeastern University, Inc. for NSU Art Museum	\$500,000	Provide innovative art exhibitions and cultural, educational and enrichment programs to stimulate tourism in Fort Lauderdale as well as provide complimentary admission for City residents.
The Stranahan House, Inc.	\$100,000	To fund a Welcome Center, open to the public, at the Stranahan House which educates residents and visitors of Fort Lauderdale about the region's history, thus furthering the social, cultural, and historic viability of the community.
<b>Subtotal Grant Funding</b>	<b>\$1,076,542</b>	

## Funding to Support External Organizations, continued

City of Fort Lauderdale FY 2025 Interlocal Agreement Funding

## Options for Cost of Living Adjustment Funding for General Employee Retirement System Retirees

At the June 4, 2024, City Commission Conference Meeting, the City Commission discussed a proposal from the City of Fort Lauderdale General Employees Retirement System (“GERS”) Board of Trustees to fund a 2.75% cost-of-living adjustment (COLA) for 1,496 retired City employees and their beneficiaries. Following the discussion, staff was tasked with identifying potential funding options for the request and to incorporate the proposals for additional discussion and consideration as part of the FY 2025 Preliminary Budget presentation. The following outlines various options for how this new retirement benefit could be funded depending on the level of City Commission approval.

**Funding for this enhanced benefit is not currently included in the preliminary budget.**

Based upon the actuarial valuation report, the financial impact of the COLA proposal is summarized below segmented by the various City funds. If the Mayor and the City Commission unanimously approve the proposal, the \$12.5 million unfunded liability created by the COLA can be amortized over 5 or 7 years. However, without unanimous approval, the full amount would need to be funded in FY 2025.

Allocation of costs related to the General Employees Retirement System is based on the funding sources associated with the types of work undertaken by City employees. The City employs a diverse range of professionals such as parks supervisors, water treatment plant operators, and managers to oversee the City’s Executive Airport. The expense allocation, by fund, is provided below:

Fund	Allocation	7 Years	5 Years	Lump Sum
General Fund	49.5%	\$ 1,065,718	\$ 1,403,623	\$ 6,184,951
Building Fund	4.1%	87,371	115,075	507,067
Sanitation Fund	3.4%	73,811	97,214	428,367
Cemetery System	0.9%	18,472	24,329	107,202
Water and Sewer	24.1%	519,884	684,722	3,017,172
Central Regional	1.3%	28,801	37,933	167,149
Parking System	3.2%	69,099	91,009	401,022
Airport	1.7%	36,179	47,650	209,966
Stormwater Fund	4.6%	98,595	129,856	572,200
Project Management Fund	2.5%	53,592	70,584	311,021
City Property and Casualty Insurance	0.5%	10,781	14,199	62,567
Central Services (Information Technology Services)	3.8%	82,573	108,754	479,214
Unified Customer Service Fund	0.4%	8,102	10,671	47,021
<b>Total</b>		<b>\$ 2,152,978</b>	<b>\$ 2,835,619</b>	<b>\$ 12,494,919</b>

Since the two major funding sources are the General Fund and the Water and Sewer Fund, this exhibit only addresses those funds in the options below. However, all relevant funds would contribute based upon the identified allocations in the listing above.

### Option #1 - Lump Sum Payment

If the Commission does not unanimously support the proposal, the City would need to identify \$12.5 million in one-time funding to support this expense. Of this, \$6.2 million would be from the General Fund and \$3.0 million would come from the Water and Sewer Fund. Given that this is a one-time expenditure, there are two (2) primary sources the City would typically look to: Fund Balance in the

General Fund and the delay of capital projects in the Water and Sewer Fund. Additionally, the City could explore identifying other one-time costs within the budget.

### **General Fund - Fund Balance**

The fund balance in the General Fund is maintained to ensure that the City has the resources to quickly respond to unexpected emergencies, such as hurricanes, and to leverage grant opportunities like the recent appropriation to support the Community Oriented Police Services (COPS) Hiring Grant.

The fund balance in the General Fund is currently \$6.1 million over the City's FY 2025 Fund Balance Target.

\$111.9 million - Current Estimated Unrestricted General Fund Balance

\$105.8 million - FY 2025 Fund Balance Target (at 25%)

\$6.1 million – Amount over the City's FY 2025 Fund Balance

Alternate strategies include postponing planned CIP projects for FY 2025 or identifying other one-time expenses that could be deferred or eliminated from the budget. A complete list of the proposed FY 2025 CIP projects is provided in **Attachment 8** of the Preliminary Memo.

### **Water and Sewer Fund – Delay Planned Community Investment Plan Projects**

The Water and Sewer Fund is currently under its target fund balance due to increased debt service from recent bond issuances and mid-year appropriations to support critical programs such as the Lead and Copper Rule Revision Compliance program.

As a result, if a lump sum payment was approved by the City Commission, Staff would recommend funding the Water and Sewer Fund's \$3.0 million contribution by delaying planned capital expenditures. Below is the listing of the City's planned FY 2025 Water and Sewer Fund CIP Projects.

#### **Water and Sewer Community Investment Plan Projects FY 2025**

• Utilities Emergency Operations Center and Admin Building	\$ 5,314,326
• Inflow and Infiltration (I&I) Program Management	\$ 5,099,723
• Fiveash Electrical System Replacement	\$ 3,191,519
• Excavate and Dispose of Dry Lime Sludge	\$ 3,000,000
• Triplex Pumping Station Rehabilitation	\$ 2,892,381
• New Utilities Central Laboratory – Peele Dixie	\$ 2,122,382
• Pump Station A-7 Redundant Forcemain	\$ 1,622,776
• New Utility Billing System	\$ 1,621,165
• Watermain Improvements Area 1	\$ 1,571,938
• Utilities Central Warehouse	\$ 1,500,000
• New Downtown Sanitary Sewer Pump Station A-5	\$ 1,123,453
• Program Management of Consent Order Projects	\$ 805,369
• Public Works Administration Building A/C Ductwork	\$ 795,000
• Wellfield Communications	\$ 208,415
• Fiveash Replacement of the Rotary Mechanisms	\$ 69,032

---

**TOTAL WATER AND SEWER FUND CIP FY 2025 FUNDING**      **\$ 30,937,479**

## Option #2 - Payment Over Time (5-years or 7-years)

If the approval for this new benefit is unanimous, the City can finance it over a term of up to seven years. Since this would be an ongoing payment, the annual expense would need to be built into the City's operating budget. To maintain a structurally balanced budget, the City would need to either reduce ongoing expenses or increase ongoing revenues to support this endeavor.

Below, Staff outlined alternatives based upon a seven-year amortization schedule, which would be the least impactful to the budget. Additionally, staff have considered options to increase either the City millage rate or to adjust the current water and sewer rate structure to support this expense.

### **General Fund - Removal of Budget Enhancements**

The General Fund's required contribution equates to approximately 0.02 mills in the City's 4.1193 millage rate. While the Property Appraiser's initial estimates were slightly lower than anticipated, the preliminary budget includes \$2.6 million in enhanced services through the prudent prioritization of funding. To fund the \$1.1 million COLA payment in the General Fund, a portion of these services could be removed from the FY 2025 operating budget or delayed to future fiscal years. A listing of strategic enhancements for consideration is provided below:

- \$565K - Fire Rescue Staffing Increases
- \$375K – Enhancements to the City Clerk's Record Management System and Technical Support
- \$373K - Improvements to meet the maintenance needs of City Park
- \$330K - Shelter Bed Access Program
- \$183K – Police Operations Janitorial and Maintenance Services
- \$168K – Resilience Outreach Coordinator
- \$100K – Police Office Recruitment and Retention Incentive Program
- \$ 81K - Addition of a Chief Waterways Officer

### **Water and Sewer Fund - Removal of Budget Enhancements**

The Water and Sewer fund's preliminary budget, includes \$3.2 million in enhanced services not previously provided in prior years, though a majority of the enhancements are dedicated to one-time initiatives such as a Comprehensive Water and Sewer Masterplan Update. To fund the \$520 thousand initial GERS payment, a portion of these services could be removed from the preliminary budget. A listing of strategic enhancements for consideration is provided below:

- \$3.0M – 2025 Comprehensive Water and Sewer Masterplan Update
- \$95K – Portable Sewage Pump and Welding Machine
- \$93K – Senior Financial Administrator position
